Agency Information Collection Activities; Submission to the Office of Management and Budget (OMB) for Review and Approval; Comment Request; Rated Orders Under the Defense Priorities and Allocations System (DPAS)

The Department of Commerce will submit the following information collection request to the Office of Management and Budget (OMB) for review and clearance in accordance with the Paperwork Reduction Act of 1995, on or after the date of publication of this notice. We invite the general public and other Federal agencies to comment on proposed, and continuing information collections, which helps us assess the impact of our information collection requirements and minimize the public’s reporting burden. Public comments were previously requested via the Federal Register on September 16, 2020 (85 FR 57820) during a 60-day comment period. This notice allows for an additional 30 days for public comments.

AGENCY: Enforcement and Compliance, International Trade Administration, Department of Commerce.

SUMMARY: The Department of Commerce (Commerce) continues to find that Solidbend Fittings & Flanges Sdn. Bhd. (Solidbend) had no shipments of subject merchandise during the period of review (POR) July 1, 2018 through June 30, 2019.

SUPPLEMENTARY INFORMATION:

Background

On April 2, 2020, Commerce published the Preliminary Results of the administrative review of the antidumping duty order on carbon steel butt-weld pipe fittings (butt-weld pipe fittings) from the People’s Republic of China (China).1 We invited parties to submit comments on the Preliminary Results. No party submitted comments. Accordingly, the final results remain unchanged from the Preliminary Results.

On April 24, 2020, Commerce tolled all deadlines in administrative reviews by 50 days, thereby extending the deadline for these final results until September 21, 2020.2 On July 21, 2020, Commerce tolled all deadlines in administrative reviews by an additional 60 days.3 The deadline for the final results of this review is now November 18, 2020.4

Scope of the Order

The merchandise covered by the order consists of certain carbon steel butt-weld pipe fittings, having an inside diameter of less than 14 inches, imported in either finished or unfinished form. These formed or forged pipe fittings are used to join sections in piping systems where conditions require permanent, welded connections, as distinguished from fittings based on other fastening methods (e.g., threaded, grooved, or bolted fittings). Carbon steel butt-weld pipe fittings are currently classified under subheading 7307.93.30 of the HTSUS. The HTSUS subheading is provided for convenience and customs purposes. The written product description remains dispositive.

Final Determination of No Shipments

As noted in the Preliminary Results, we received a statement from Solidbend reporting that it had no shipments of subject merchandise to the United States during the POR and this statement was consistent with the information we received from U.S. Customs and Border Protection.5 No party commented on our preliminary no shipment finding with respect to Solidbend, and no party submitted record evidence that calls this finding into question. Therefore, for these final results, we continue to find that Solidbend did not have any shipments of subject merchandise to the United States during the POR.

Disclosure

Normally, Commerce discloses to interested parties the calculations performed in connection with the final results of review within five days of its public announcement, or if there is no public announcement, within five days of the date of publication of this notice, in accordance with 19 CFR 351.224(b). However, because the company under review had no reviewable shipments, there are no calculations to disclose.

Assessment Rates

We have not calculated any assessment rates in this administrative review. Based on the record evidence we have determined that Solidbend had no shipments of subject merchandise, and, therefore, pursuant to Commerce’s assessment practice, any suspended entries during the POR from Solidbend will be liquidated at the China-wide entity rate (i.e., 182.90 percent).6
