BILLING CODE 6345-03-P

DEPARTMENT OF HOMELAND SECURITY

8 CFR Parts 103 and 235

[Docket No. USCBP-2020-0035]

RIN 1651-AB34

Harmonization of the Fees and Application Procedures for the Global Entry and SENTRI Programs and Other Changes

AGENCY: U.S. Customs and Border
 Protection, Department of Homeland
 Security.

ACTION: Notice of proposed rulemaking;
 correction; re-opening of comment
 period.

SUMMARY: U.S. Customs and Border
 Protection (CBP) published a notice of
 proposed rulemaking (NPRM) in the
Federal Register of September 9, 2020,
 concerning harmonization of the fees for
 the Global Entry and SENTRI trusted
 traveler programs as well as other
 changes to those programs. An incorrect
 Regulation Identifier Number (RIN) was
 inadvertently listed in the heading of
 that document. This document corrects
 the September 9, 2020 document to
 reflect that the correct RIN is 1651-
 AB34 as set forth above. Additionally,
 CBP included a summary of the *CBP
 Trusted Traveler Programs Fee Study*
 (Fee Study) in the NPRM and stated that
 the full Fee Study was included in the
 docket of the rulemaking. CBP
 inadvertently failed to post the Fee
 Study on the docket when the NPRM
 was published. Therefore, CBP is
 notifying the public that the Fee Study
 has now been posted in the docket and
 that CBP is re-opening the comment
 period and requesting comments on the
 stand-alone Fee Study.

DATES: Comments must be received on
 or before December 31, 2020.

 COVID-19-related restrictions, CBP has
 temporarily suspended its on-site public
 inspection of submitted comments.

SUPPLEMENTARY INFORMATION:

Public Participation

Interested persons are invited to
 participate in this rulemaking by
 submitting written data, views, or
 arguments on the Fee Study. Only
 comments on the Fee Study will be
 considered. Comments that will provide
 the most assistance to CBP will
 reference a specific portion of the Fee
 Study, explain the reason for any
 recommended change, and include data,
 information, or authority that support
 such recommended change.

Background

CBP operates several voluntary
 trusted traveler programs at land, sea
 and air ports of entry into the United
 States that allow certain pre-approved
 travelers dedicated processing into the
 United States, including the Secure
 Electronic Network for Travelers Rapid
 Inspection (SENTRI) program, the
 Global Entry program, and the NEXUS
 program. As part of an effort to
 harmonize the fees and application
 procedures for these programs, CBP
 published a notice of proposed
 rulemaking (NPRM) titled
 “Harmonization of the Fees and
 Application Procedures for the Global
 Entry and SENTRI Programs and Other

Changes” in the **Federal Register** (85 FR
 55597) on September 9, 2020. The
 NPRM proposes to change the Global
 Entry and SENTRI application fees to a
 uniform amount, provide a uniform
 standard regarding the payment of the
 Global Entry and SENTRI application
 fees for minors, change the fee payment
 schedule and certain aspects of the
 application process for the SENTRI
 program, and incorporate the SENTRI
 program into the Department of
 Homeland Security (DHS) regulations.
 CBP will be issuing a separate **Federal
 Register** notice regarding changes to the
 NEXUS fee.

Fee Study

As part of the development of the
 NPRM, CBP performed a fee study
 entitled *CBP Trusted Traveler Programs
 Fee Study* (Fee Study) to determine the
 amount of the fee that is necessary to
 recover the costs associated with
 application processing for the Global
 Entry, SENTRI, and NEXUS programs.
 In the NPRM and Fee Study, CBP
 concluded that a uniform \$120 fee is
 appropriate and necessary to recover a
 reasonable portion of costs associated
 with application processing for these
 three CBP trusted traveler programs.
 The NPRM summarizes the Fee Study,
 seeks comments on its conclusion, and
 states that the full Fee Study can be
 found in the docket of the rulemaking.
 However, CBP inadvertently failed to
 post the Fee Study to the docket at the
 time the NPRM was published. CBP has
 now posted the Fee Study to the docket
 at <https://www.regulations.gov> under
 docket number USCBP-2020-0035 and
 is re-opening the comment period to
 allow for comments to be submitted on
 that Fee Study. Comments must be
 received on or before December 31,
 2020. CBP will not accept comments on
 any topic other than the Fee Study.

Correction of RIN

In the NPRM document, FR Doc.
 2020-16369, beginning on page 55597
 in the issue of September 9, 2020 (85 FR
 55597), make the following correction in
 the first column:

Remove in the heading of the
 document “RIN 1651-AB94” and add in
 its place “RIN 1651-AB34.”

*Executive Director, Regulations and Rulings
 Office of Trade, U.S. Customs and Border
