

program were accredited to conduct forensic urine drug testing as required by U.S. Department of Transportation (DOT) regulations. As of that date, the certification of those accredited Canadian laboratories will continue under DOT authority. The responsibility for conducting quarterly performance testing plus periodic on-site inspections of those LAPSA-accredited laboratories was transferred to the U.S. HHS, with the HHS' NLCP contractor continuing to have an active role in the performance testing and laboratory inspection processes. Other Canadian laboratories wishing to be considered for the NLCP may apply directly to the NLCP contractor just as U.S. laboratories do.

Upon finding a Canadian laboratory to be qualified, HHS will recommend that DOT certify the laboratory (**Federal Register**, July 16, 1996) as meeting the minimum standards of the Mandatory Guidelines published in the **Federal Register** on January 23, 2017 (82 FR

7920). After receiving DOT certification, the laboratory will be included in the monthly list of HHS-certified laboratories and participate in the NLCP certification maintenance program.

**Federal Emergency Management Agency**

[Docket ID FEMA-2020-0002; Internal Agency Docket No. FEMA-B-2070]

**Proposed Flood Hazard Determinations; Correction**

**AGENCY:** Federal Emergency Management Agency; DHS.

**ACTION:** Notice; correction.

**SUMMARY:** FEMA published a document in the **Federal Register** of October 6, 2020, concerning a proposed flood hazard determination. The document contained an erroneous table.

**FOR FURTHER INFORMATION CONTACT:** Rick Sacbabit, Chief, Engineering Services Branch, Federal Insurance and Mitigation Administration, FEMA, 400 C Street SW, Washington, DC 20472, (202) 646-7659, or (email) [patrick.sacbabit@fema.dhs.gov](mailto:patrick.sacbabit@fema.dhs.gov); or visit the FEMA Mapping and Insurance eXchange (FMIX) online at [https://www.floodmaps.fema.gov/fhm/fmx\\_main.html](https://www.floodmaps.fema.gov/fhm/fmx_main.html).

**SUPPLEMENTARY INFORMATION:**

**Correction**

In the **Federal Register** of October 6, 2020, in FR Doc 2020-22084, on page 63132, correct the table containing data for Louisa County, Iowa and Incorporated Areas to read:

Community	Community map repository address
<b>Louisa County, Iowa and Incorporated Areas</b>	
<b>Project: 15-07-0720S Preliminary Date: January 31, 2020</b>	
City of Columbus Junction .....	City Hall, 232 2nd Street, Columbus Junction, IA 52738.
City of Fredonia .....	Louisa County Courthouse, 117 South Main Street, Wapello, IA 52653.
City of Letts .....	City Hall, 125 East Iowa Street, Letts, IA 52754.
City of Morning Sun .....	City Hall, 11 East Division Street, Morning Sun, IA 52640.
City of Oakville .....	City Hall, 601 2nd Street, Oakville, IA 52646.
City of Wapello .....	City Hall, 335 North Main Street, Wapello, IA 52653.
Unincorporated Areas of Louisa County .....	Louisa County Courthouse, 117 South Main Street, Wapello, IA 52653.

**BILLING CODE 9110-12-P**

**DEPARTMENT OF HOMELAND SECURITY**

**Federal Emergency Management Agency**

[Docket ID FEMA-2020-0002; Internal Agency Docket No. FEMA-B-2073]

**Changes in Flood Hazard Determinations**

**AGENCY:** Federal Emergency Management Agency, DHS.

**ACTION:** Notice.

**SUMMARY:** This notice lists communities where the addition or modification of Base Flood Elevations (BFEs), base flood depths, Special Flood Hazard Area (SFHA) boundaries or zone

designations, or the regulatory floodway (hereinafter referred to as flood hazard determinations), as shown on the Flood Insurance Rate Maps (FIRMs), and where applicable, in the supporting Flood Insurance Study (FIS) reports, prepared by the Federal Emergency Management Agency (FEMA) for each community, is appropriate because of new scientific or technical data. The FIRM, and where applicable, portions of the FIS report, have been revised to reflect these flood hazard determinations through issuance of a Letter of Map Revision (LOMR), in accordance with Federal Regulations. The LOMR will be used by insurance agents and others to calculate appropriate flood insurance premium rates for new buildings and the contents of those buildings. For rating purposes, the currently effective community number is shown in the table below and must be used for all new policies and renewals.

**DATES:** These flood hazard determinations will be finalized on the dates listed in the table below and

revise the FIRM panels and FIS report in effect prior to this determination for the listed communities.

From the date of the second publication of notification of these changes in a newspaper of local circulation, any person has 90 days in which to request through the community that the Deputy Associate Administrator for Insurance and Mitigation reconsider the changes. The flood hazard determination information may be changed during the 90-day period.

**ADDRESSES:** The affected communities are listed in the table below. Revised flood hazard information for each community is available for inspection at both the online location and the respective community map repository address listed in the table below. Additionally, the current effective FIRM and FIS report for each community are accessible online through the FEMA Map Service Center at <https://msc.fema.gov> for comparison.
