Small businesses may send comments on the actions of Federal employees who enforce, or otherwise determine compliance with, Federal regulations to the Small Business and Agriculture Regulatory Enforcement Ombudsman and the Regional Small Business Regulatory Fairness Boards. The Ombudsman evaluates these actions annually and rates each agency’s responsiveness to small business. If you wish to comment on actions by employees of the Coast Guard, call 1–888–REG–FAIR (1–888–734–3247). The Coast Guard will not retaliate against small entities that question or complain about this rule or any policy or action of the Coast Guard.

C. Collection of Information

This rule will not call for a new collection of information under the Paperwork Reduction Act of 1995 (44 U.S.C. 3501–3520).

D. Federalism and Indian Tribal Governments

A rule has implications for federalism under Executive Order 13132. Federalism, if it has a substantial direct effect on the States, on the relationship between the National Government and the States, or on the distribution of power and responsibilities among the various levels of government. We have analyzed this rule under that Order and have determined that it is consistent with the fundamental federalism principles and preemption requirements described in Executive Order 13132.

Also, this rule does not have tribal implications under Executive Order 13175, Consultation and Coordination with Indian Tribal Governments, because it does not have a substantial direct effect on one or more Indian tribes, on the relationship between the Federal Government and Indian tribes, or on the distribution of power and responsibilities between the Federal Government and Indian tribes.

E. Unfunded Mandates Reform Act

The Unfunded Mandates Reform Act of 1995 (2 U.S.C. 1531–1538) requires Federal agencies to assess the effects of their discretionary regulatory actions. In particular, the Act addresses actions that may result in the expenditure by a State, local, or tribal government, in the aggregate, or by the private sector of $100,000,000 (adjusted for inflation) or more in any one year. Though this rule will not result in such an expenditure, we do discuss the effects of this rule elsewhere in this preamble.

F. Environment

We have analyzed this rule under Department of Homeland Security Directive 023–01, Rev. 1, associated implementing instructions, and Environmental Planning COMDTINST 5090.1 (series), which guide the Coast Guard in complying with the National Environmental Policy Act of 1969 (42 U.S.C. 4321–4370f), and have determined that this action is one of a category of actions that do not individually or cumulatively have a significant effect on the human environment. This rule involves a safety zone that will prohibit entry on a one-mile stretch of the Lower Mississippi River for three hours on one evening. It is categorically excluded from further review under paragraph L60(a) of Appendix A, Table 1 of UDHS Instruction Manual 023–01–001–01, Rev. 1. A Record of Environmental Consideration supporting this determination is available in the docket. For instructions on locating the docket, see the ADDRESSES section of this preamble.

G. Protest Activities

The Coast Guard respects the First Amendment rights of protesters. Protesters are asked to call or email the person listed in the FOR FURTHER INFORMATION CONTACT section to coordinate protest activities so that your message can be received without jeopardizing the safety or security of people, places or vessels.

List of Subjects in 33 CFR Part 165

Harbors, Marine safety, Navigation (water), Reporting and recordkeeping requirements, Security measures, Waterways.

For the reasons discussed in the preamble, the Coast Guard amends 33 CFR part 165 as follows:

PART 165—REGULATED NAVIGATION AREAS AND LIMITED ACCESS AREAS

§ 165.08–0641 Safety Zone; Lower Mississippi River, Natchez, MS.

(a) Location. The following area is a safety zone: All navigable waters of the Lower Mississippi River from Mile Marker (MM) 364.5 through MM 365.5.

(b) Regulations. (1) Under the general safety zone regulations in subpart C of this part, you may not enter the safety zone described in paragraph (a) of this section unless authorized by the Captain of the Port Sector Lower Mississippi River (COTP) or the COTP’s designated representative.

(2) To seek permission to enter, contact the COTP or the COTP’s representative via VHF–FM channel 16 or by telephone at 901–521–4822. Those in the safety zone must comply with all lawful orders or directions given to them by the COTP or the COTP’s designated representative.

(c) Enforcement period. This section will be enforced 4 p.m. through 7 p.m. on December 31, 2020. Periods of activation will be promulgated by Broadcast Notice to Mariners.

Dated: November 2, 2020.

R.S. Rhodes,
Captain, U.S. Coast Guard, Captain of the Port Sector Lower Mississippi River.

Our proposed action contains more information on the submittal and our evaluation.

II. Public Comments and EPA Responses

The EPA’s proposed action provided a 30-day public comment period. During this period, we received two comments. One comment was supportive, and the other was not germane.

III. EPA Action

No comments were submitted that change our assessment of the 2016 RACT SIP as described in our proposed action. Therefore, we are finalizing a partial approval and partial disapproval of the 2016 RACT SIP. As authorized in sections 110(k)(3) and 301(a) of the CAA, the EPA is finalizing a partial disapproval of the 2016 RACT SIP with respect to those portions addressing the following source categories: Design Criteria for Stage I Vapor Control Systems—Gasoline Service Stations (EPA–450/R–75–102); Tank Truck Gasoline Loading Terminals (EPA–450/2–77–026); Manufacture of Synthesized Pharmaceutical Products (EPA–450/2–78–029); Industrial Cleaning Solvents (EPA–453/R–06–001); Fiberglass Boat Manufacturing Materials (EPA–453/R–08–004); Non-CTG major sources of VOC; and Miscellaneous Metal and Plastic Parts Coatings (EPA–453/R–08–003) Table 3—Plastic Parts and Products, Table 4—Automotive/Transportation and Business Machine Plastic Parts, Table 5—Pleasure Craft Surface Coating, and Table 6—Motor Vehicle Materials. As a result of the final partial disapproval, offset sanctions will be imposed unless the EPA approves a subsequent SIP revision that corrects the identified deficiencies within 18 months of the effective date of this action. Highway sanctions will be imposed unless the EPA approves a subsequent SIP revision that corrects the rule deficiencies within 24 months of the effective date of this action. These sanctions will be imposed under section 179 of the CAA and 40 CFR 52.31. Additionally, section 110(c) requires the EPA to promulgate a Federal implementation plan within 24 months unless we approve subsequent SIP revisions that correct the rule deficiencies.

As authorized in sections 110(k)(3) and 301(a) of the CAA, the EPA is finalizing a partial approval of the 2016 RACT SIP with respect to all remaining source categories, as proposed. The EPA is also finalizing an approval of the District’s negative declarations as proposed.

IV. Statutory and Executive Order Reviews

Additional information about these statutes and Executive orders can be found at http://www.epa.gov/laws-regulations/laws-and-executive-orders.

A. Executive Order 12866: Regulatory Planning and Review and Executive Order 13563: Improving Regulation and Regulatory Review

This action is not a significant regulatory action and was therefore not submitted to the Office of Management and Budget (OMB) for review.

B. Executive Order 13771: Reducing Regulations and Controlling Regulatory Costs

This action is not an Executive Order 13771 regulatory action because this action is not significant under Executive Order 12866.

C. Paperwork Reduction Act (PRA)

This action does not impose an information collection burden under the PRA, because this SIP partial approval and partial disapproval does not in-and-of itself create any new information collection burdens, but simply partially approves and partially disapproves certain State requirements for inclusion in the SIP.

D. Regulatory Flexibility Act (RFA)

I certify that this action will not have a significant economic impact on a substantial number of small entities under the RFA. This action will not impose any requirements on small entities. This SIP partial approval and partial disapproval does not in-and-of itself create any new requirements but simply partially approves and partially disapproves certain pre-existing State requirements for inclusion in the SIP.

E. Unfunded Mandates Reform Act (UMRA)

This action does not contain any unfunded mandate as described in UMRA, 2 U.S.C. 1531–1538, and does not significantly or uniquely affect small governments. This action partially approves and partially disapproves pre-existing requirements under State or local law and imposes no new requirements. Accordingly, no additional costs to state, local, or tribal governments, or to the private sector, result from this action.

F. Executive Order 13132: Federalism

This action does not have federalism implications. It will not have substantial direct effects on the states, on the relationship between the National Government and the states, or on the distribution of power and
responsibilities among the various levels of government.

G. Executive Order 13175: Coordination With Indian Tribal Governments

This action does not have tribal implications, as specified in Executive Order 13175, because the SIP revision that the EPA is partially disapproving would not apply on any Indian reservation land or in any other area where the EPA or an Indian tribe has demonstrated that a tribe has jurisdiction, and will not impose substantial direct costs on tribal governments or preempt tribal law. Thus, Executive Order 13175 does not apply to this action.

H. Executive Order 13045: Protection of Children From Environmental Health Risks and Safety Risks

The EPA interprets Executive Order 13045 as applying only to those regulatory actions that concern environmentally health or safety risks that the EPA has reason to believe may disproportionately affect children, per the definition of “covered regulatory action” in section 2–202 of the Executive order. This action is not subject to Executive Order 13045 because this SIP partial approval and partial disapproval does not in-and-of itself create any new regulations, but simply partially approves and partially disapproves certain pre-existing State requirements for inclusion in the SIP.

I. Executive Order 13211: Actions That Significantly Affect Energy Supply, Distribution, or Use

This action is not subject to Executive Order 13211, because it is not a significant regulatory action under Executive Order 12866.

J. National Technology Transfer and Advancement Act (NTTAA)

Section 12(d) of the NTTAA directs the EPA to use voluntary consensus standards in its regulatory activities unless to do so would be inconsistent with applicable law or otherwise impractical. The EPA believes that this action is not subject to the requirements of section 12(d) of the NTTAA because application of those requirements would be inconsistent with the CAA.

K. Executive Order 12898: Federal Actions To Address Environmental Justice in Minority Populations and Low-Income Populations

The EPA lacks the discretionary authority to address environmental justice in this rulemaking.

L. Congressional Review Act (CRA)

This action is subject to the CRA, and the EPA will submit a rule report to each House of the Congress and to the Comptroller General of the United States. This action is not a “major rule” as defined by 5 U.S.C. 804(2).

M. Petitions for Judicial Review

Under section 307(b)(1) of the Clean Air Act, petitions for judicial review of this action must be filed in the United States Court of Appeals for the appropriate circuit by February 1, 2021. Filing a petition for reconsideration by the Administrator of this final rule does not affect the finality of this rule for the purposes of judicial review nor does it extend the time within which a petition for judicial review may be filed, and shall not postpone the effectiveness of such rule or action. This action may not be challenged later in proceedings to enforce its requirements (see section 307(b)(2)).

List of Subjects in 40 CFR Part 52

Environmental protection, Air pollution control, Incorporation by reference, Intergovernmental relations, Nitrogen dioxide, Ozone, Reporting and recordkeeping requirements, Volatile organic compounds.

John Busterud, Regional Administrator, Region IX.

For the reasons stated in the preamble, the Environmental Protection Agency amends part 52, chapter I, title 40 of the Code of Federal Regulations follows:

PART 52—APPROVAL AND PROMULGATION OF IMPLEMENTATION PLANS

§ 52.220 Identification of plan—in part.

(c) * * * *(547) The following plan was submitted on April 12, 2017 by the Governor’s designee.

(ii) Additional materials. (A) San Diego Air Pollution Control District.

(A) 2008 Eight-Hour Ozone Reasonably Available Control Technology Demonstration for San Diego County except those portions addressing the following source categories: Design Criteria for Stage I Vapor Control Systems—Gasoline Service Stations (EPA–450/R–75–102); Tank Truck Gasoline Loading Terminals (EPA–450/2–77–026); Manufacture of Synthesized Pharmaceutical Products (EPA–450/2–78–029); Industrial Cleaning Solvents (EPA–453/R–06–001); Fiberglass Boat Manufacturing Materials (EPA–453/R–08–004); Non-CTG major sources of VOC; and Miscellaneous Metal and Plastic Parts Coatings (EPA–453/R–08–003); Table 3—Plastic Parts and Products, Table 4—Automotive/Transportation and Business Machine Plastic Parts, Table 5—Pleasure Craft Surface Coating, and Table 6—Motor Vehicle Materials.

(2) [Reserved]

(B) [Reserved]

§ 52.222 Negative declarations.

(a) * * *

(5) * * *

(ii) The following negative declarations for the 2008 ozone NAAQS were adopted by the San Diego Air Pollution Control District on December 14, 2016, and submitted to the EPA on April 12, 2017.

**ENVIRONMENTAL PROTECTION AGENCY**

**40 CFR Part 180**

**Sethoxydim; Pesticide Tolerances**

**AGENCY:** Environmental Protection Agency (EPA).

**ACTION:** Final rule.

**SUMMARY:** This regulation establishes tolerances for residues of sethoxydim in or on basil, dried leaves and basil, fresh leaves. Interregional Research Project Number 4 (IR–4) requested these tolerances under the Federal Food, Drug, and Cosmetic Act (FFDCA).

**DATES:** This regulation is effective December 3, 2020. Objections and requests for hearings must be received on or before February 1, 2021, and must be filed in accordance with the instructions provided in 40 CFR part 178 (see also Unit I.C. of the SUPPLEMENTARY INFORMATION).

**ADDRESSES:** The docket for this action, identified by docket identification (ID) number EPA–HQ–OPP–2019–0461, is available at [http://www.regulations.gov](http://www.regulations.gov) or at the Office of Pesticide Programs Regulatory Public Docket (OPP Docket) in the Environmental Protection Agency Docket Center (EPA/DC), West William Jefferson Clinton Bldg., Rm. 3334, 1301 Constitution Ave. NW, Washington, DC 20460–0001. The Public Reading Room is open from 8:30 a.m. to 4:30 p.m., Monday through Friday, excluding legal holidays. The telephone number for the Public Reading Room is (202) 566–1744, and the telephone number for the OPP Docket is (703) 305–5805.

Due to the public health concerns related to COVID–19, the EPA Docket Center (EPA/DC) and Reading Room is closed to visitors with limited exceptions. The staff continues to provide remote customer service via email, phone, and webform. For the latest status information on EPA/DC services and docket access, visit [https://www.epa.gov/dockets](https://www.epa.gov/dockets).

**FOR FURTHER INFORMATION CONTACT:** Marietta Echeverria, Registration Division (7505P), Office of Pesticide Programs, Environmental Protection Agency, 1200 Pennsylvania Ave. NW, Washington, DC 20460–0001; main telephone number: (703) 305–7090; email address: RDFRNotices@epa.gov.

**SUPPLEMENTARY INFORMATION:**

I. General Information

A. Does this action apply to me?

You may be potentially affected by this action if you are an agricultural producer, food manufacturer, or pesticide manufacturer. The following list of North American Industrial Classification System (NAICS) codes is not intended to be exhaustive, but rather provides a guide to help readers determine whether this document applies to them. Potentially affected entities may include:

- Crop production (NAICS code 111).
- Animal production (NAICS code 112).
