Participating Agencies

The Department of Homeland Security, U.S. Citizenship and Immigration Services (DHS-USCIS) is the source agency and the California Department of Social Services (CA-DSS) is the recipient agency.

Authority for Conducting the Matching Program

Section 121 of the Immigration Reform and Control Act (IRCA) of 1986, Pub. Law No. 99-603, as amended by the Personal Responsibility and Work Opportunity Reconciliation Act of 1996 (PRWORA), Pub. Law No. 104-193, 110 Stat. 2168 (1996), requires DHS to establish a system for the verification of immigration status of alien applicants for, or recipients of, certain types of benefits as specified within IRCA, and to make this system available to state agencies that administer such benefits. Section 121(c) of IRCA amends Section 1137 of the Social Security Act and certain other sections of law that pertain to federal entitlement benefit programs. Section 121(c) requires state agencies

administering these programs to use DHS-USCIS's verification system to make eligibility determinations in order to prevent the issuance of benefits to ineligible alien applicants. The Verification Information System (VIS) used by the DHS/USCIS Systematic Alien Verification for Entitlements (SAVE) Program is the DHS-USCIS system available to the CA-DSS and other covered agencies for use in making these eligibility determinations.

The Illegal Immigration Reform and Immigrant Responsibility Act of 1996 (IIRIRA), Public Law 104-208, 110 Stat. 3009 (1996) grants federal, state, or local government agencies seeking to verify or ascertain the citizenship or immigration status of any individual within the jurisdiction of the agency with the authority to request such information from DHS-USCIS for any purpose authorized by law, and to send information related to immigration status information to DHS-USCIS, notwithstanding any other provision of law.

CA-DSS will access information contained in the SAVE Program for the purpose of confirming the immigration status of alien applicants for, or recipients of, benefits it administers to discharge its obligation to conduct such verifications pursuant to Section 1137 of the Social Security Act (42 U.S.C. 1320b-7(a) *et seq.*), Section 213A of the Immigration and Nationality Act (8 U.S.C. 1183a and 1631), and California Welfare and Institution Codes 11104.1, 14007.5 and 14011.2.

Purpose(s)

The purpose of this Agreement is to re-establish the terms and conditions governing CA-DSS's access to, and use of, the DHS-USCIS Systematic Alien Verification for Entitlements (SAVE) Program, which provides immigration status information from federal immigration records to authorized users, and to comply with the Computer Matching and Privacy Protections Act of 1988.

CA-DSS will use the SAVE Program to verify the immigration status of non-U.S. citizens who apply for federal benefits (Benefit Applicants) under Temporary Assistance to Needy Families (TANF) and Supplemental Nutrition Assistance Program (SNAP) programs that CA-DSS administers. CA-DSS will use the information obtained through the SAVE Program to determine whether Benefit Applicants possess the requisite immigration status to be eligible for the TANF and SNAP programs administered by CA-DSS.

Categories of Individuals

DHS–USCIS will provide the following to CA–DSS: Records in DHS–USCIS VIS and SAVE Program containing information related to the status of aliens and other persons on whom DHS–USCIS has a record as an applicant, petitioner, or beneficiary.

CA–DSS will provide the following to DHS–USCIS: CA–DSS records pertaining to alien and naturalized/derived United States citizen applicants for, or recipients of, entitlement benefit programs administered by the State.
