SUPPLEMENTARY INFORMATION:

Title: Guidance under Sections 897, 1445, and 6109 to require use of Taxpayer Identifying Numbers on Submission under the Section 897 and 1445.

OMB Number: 1545–1797.

Regulation Project Number: TD 9082; TD 9751.

Abstract: The collection of information relates to applications for withholding certificates under section 1.1445–3 to be filed with the IRS with respect to (1) dispositions of U.S. real property interests that have been used by foreign persons as a principle residence within the prior 5 years and excluded from gross income under section 121 and (2) dispositions of U.S. real property interests by foreign persons in deferred like kind exchanges that qualify for nonrecognition under section 1031.

Current Actions: There is no change to the burden previously approved.

Type of Review: Extension of a currently approved collection.

Affected Public: Individuals or households and Business or other for-profit.

Estimated Number of Responses: 150.
Estimated Time per Respondent: 4 hrs.

Estimated Total Annual Burden Hours: 600.

The following paragraph applies to all the collections of information covered by this notice:

An agency may not conduct or sponsor, and a person is not required to respond to, a collection of information unless the collection of information displays a valid OMB control number.

Books or records relating to a collection of information must be

retained if their contents may become material in the administration of any internal revenue law. Generally, tax returns and tax return information are confidential, as required by 26 U.S.C. 6103.

Desired Focus of Comments: The Internal Revenue Service (IRS) is particularly interested in comments that:

- Evaluate whether the proposed collection of information is necessary for the proper performance of the functions of the agency, including whether the information will have practical utility;
- Evaluate the accuracy of the agency's estimate of the burden of the proposed collection of information, including the validity of the methodology and assumptions used;
- Enhance the quality, utility, and clarity of the information to be collected; and
- Minimize the burden of the collection of information on those who are to respond, including using appropriate automated, electronic, mechanical, or other technological collection techniques or other forms of information technology, e.g., by permitting electronic submissions of responses.

Comments submitted in response to this notice will be summarized and/or included in the ICR for OMB approval of the extension of the information collection; they will also become a matter of public record.

Approved: November 30, 2020.
