### Institute of Museum and Library Services

#### Notice of Proposed Information Collection Requests: 2022–2024 IMLS Native American Library Services Basic Grant Program Notice of Funding Opportunity

**AGENCY:** Institute of Museum and Library Services, National Foundation for the Arts and the Humanities.

**ACTION:** Submission for OMB Review, comment request.

**SUMMARY:** The Institute of Museum and Library Services announces that the following information collection has been submitted to the Office of Management and Budget (OMB) for review and approval in accordance with the Paperwork Reduction Act. This program helps to ensure that requested data can be provided in the desired format, reporting burden (time and financial resources) is minimized, collection instruments are clearly understood, and the impact of collection requirements on respondents can be properly assessed. The purpose of this Notice is to solicit comments about this assessment process, instructions, and data collections. A copy of the proposed information collection request can be obtained by contacting the individual listed below in the **ADDRESSES** section of this notice.

**DATES:** Written comments must be submitted to the office listed in the **FOR FURTHER INFORMATION CONTACT** section below on or before January 14, 2021.

OMB is particularly interested in comments that help the agency to:

- Evaluate whether the proposed collection of information is necessary for the proper performance of the functions of the agency, including whether the information will have practical utility;
- Evaluate the accuracy of the agency's estimate of the burden of the proposed collection of information, including the validity of the methodology and assumptions used;
  - Enhance the quality, utility, and clarity of the information to be collected; and
  - Minimize the burden of the collection of information on those who are to respond, including through the use of appropriate automated, electronic, mechanical, or other technological collection techniques or other forms of information technology (e.g., permitting electronic submission of responses).

**ADDRESSES:** Comments should be sent to Office of Information and Regulatory Affairs, *Attn.*: OMB Desk Officer for Education, Office of Management and Budget, Room 10235, Washington, DC 20503, 202–395–7316.

**FOR FURTHER INFORMATION CONTACT:** Connie Bodner, Ph.D., Director of Grants Policy and Management, Office of Grants Policy and Management, Institute of Museum and Library Services, 955 L'Enfant Plaza North SW, Suite 4000, Washington, DC 20024–2135. Dr. Bodner can be reached by telephone at 202–653–4636 or by email at [cbodner@imls.gov](mailto:cbodner@imls.gov). Office hours are from 8:30 a.m. to 5 p.m., E.T., Monday through Friday, except Federal holidays.

**SUPPLEMENTARY INFORMATION:**

The Institute of Museum and Library Services is the primary source of federal support for the nation's libraries and museums. We advance, support, and empower America's museums, libraries, and related organizations through grant making, research, and policy development. Our vision is a nation where museums and libraries work together to work together to transform the lives of individuals and communities. To learn more, visit [www.imls.gov](http://www.imls.gov).

*Current Actions:* The purpose of this collection is to assist Native American tribes in improving core library services for their communities, particularly as they relate to the following goals in the Museum and Library Services Act (20 U.S.C. 9141).

1. Expanding services for learning and access to information and educational resources in a variety of formats (including new and emerging technology), in all types of libraries, for individuals of all ages in order to support such individuals' need for education, lifelong learning, workforce development, economic and business development, health information, critical thinking skills, digital library skills, and financial literacy and other types of literacy skills.
2. Establishing or enhancing electronic and other linkages and improved coordination among and between libraries and entities, as described in 20 U.S.C. 9134(b)(6), for the purpose of improving the quality of and access to library and information services.
3. Providing training and professional development, including continuing education, to enhance the skills of the current library workforce and leadership, and advance the delivery of library and information services; and enhancing efforts to recruit future professionals, including those from

diverse and underrepresented backgrounds, to the field of library and information services.

4. Developing public and private partnerships with other agencies, tribes, and community-based organizations.

5. Targeting library services to individuals of diverse geographic, cultural, and socioeconomic backgrounds, to individuals with disabilities, and to individuals with limited functional literacy or information skills.

6. Targeting library and information services to persons having difficulty using a library and to underserved urban and rural communities, including children (from birth through age 17) from families with incomes below the poverty line (as defined by the Office of Management and Budget and revised annually in accordance with 42 U.S.C. 9902(2)) applicable to a family of the size involved.

7. Developing library services that provide all users access to information through local, State, regional, national, and international collaborations and networks.

8. Carrying out other activities consistent with the purposes of the Library Services and Technology subchapter of the IMLS statute (20 U.S.C. 9121).

Nonprofit organizations that primarily serve and represent Native Hawaiians (as the term is defined in 20 U.S.C. 7517) are eligible to apply for funding under the Naïve Hawaiian Library Program.

This action is to renew the forms and instructions for the Notice of Funding Opportunities for the next three years. The 60-day notice for the 2022–2024 IMLS Native American Library Services Basic Grant Program Notice of Funding Opportunity was published in the **Federal Register** on October 9, 2020, (85 FR 64170–64171). ## NATIONAL SCIENCE FOUNDATION

### Request for Information: Interdisciplinary Frontiers of Understanding the Brain

**AGENCY:** National Science Foundation.

**ACTION:** Request for information.

**SUMMARY:** The National Science Foundation seeks public input on new scientific opportunities at the interface of neuroscience and other science and engineering disciplines.

**DATES:** Written comments must be submitted no later than March 31, 2021.

**ADDRESSES:** Submit comments via web form at <https://www.surveymonkey.com/r/LQBPS6S>.

Email comments to [brain-frontiers@nsf.gov](mailto:brain-frontiers@nsf.gov). Send written submissions to Dr. Edda Thiels, Division of Integrative and Organismal Systems, National Science Foundation, 2415 Eisenhower Avenue, Alexandria, VA 22314.

**FOR FURTHER INFORMATION CONTACT:** Dr. Edda Thiels at [brain-frontiers@nsf.gov](mailto:brain-frontiers@nsf.gov) or (703) 292-8167.

**SUPPLEMENTARY INFORMATION:** Exciting new opportunities at the interface of neuroscience and other science and engineering disciplines, catalyzed by transformative new discoveries and technologies, are poised to reshape brain research and its applications. Advances at these interdisciplinary frontiers depend on dialogue across many areas of scholarship, including behavioral, biological, cognitive, computing, educational, engineering, mathematical, and physical sciences research, as well as fields and subfields that have not traditionally been linked to neuroscience. The National Science Foundation seeks community input that illuminates these interdisciplinary opportunities, from theory to applications, and points to how they might best be realized.

## NATIONAL SCIENCE FOUNDATION

### Request for Information; Strategic Plan

**AGENCY:** National Science Foundation.

**ACTION:** Request for information; correction.

**SUMMARY:** The National Science Foundation (NSF) published a document in the *Federal Register* of December 10, 2020, concerning a request for public comment on the *2022-2026 Strategic Plan for the National Science Foundation*. The notice was published without links to the document under review as well as the current strategic plan. This notice now includes those links. The Government Performance and Results Act (GPRA) and GPRA Modernization act of 2010 requires federal agencies to publish their strategic and performance plans in pursuit of their missions. Through this Request for Information (RFI), the National Science Foundation (NSF) seeks public comment on the key elements of the strategic plan—the Vision, Core Values, Strategic Goals, and Strategic Objectives—and high-level questions that will guide the development of the 2022-2026 NSF Strategic Plan.

**DATES:** Please send comments on or before January 22, 2021. Comments received after that date will be considered to the extent practicable. Send comments to the address below.

**ADDRESSES:** Submit comments to the strategic planning website, <https://www.nsf.gov/od/oia/strategicplan/feedback.jsp>. Individuals who use a telecommunications device for the deaf (TDD) may call the Federal Information Relay Service (FIRS) at 1.800.877.8339, 24 hours a day, 7 days a week, 365 days a year (including Federal holidays).

#### SUPPLEMENTARY INFORMATION:

#### 1.0 Background

NSF was created “to promote the progress of science; to advance the national health, prosperity, and welfare; to secure the national defense . . .” (1950, as amended). Looking ahead, NSF aims to advance the frontiers of research into the future and secure global leadership in science and engineering, while ensuring accessibility and inclusivity. To meet these aims, NSF expands knowledge in

science, engineering, and learning, and advances the capability of the nation to meet current and future challenges, while continuing to enhance its performance.

#### 2.0 Request for Information

Through this Request for Information (RFI), the National Science Foundation (NSF) seeks comment from a broad array of stakeholders regarding the 2022-2026 Strategic Plan. Comments should be submitted to the strategic plan website, <https://www.nsf.gov/od/oia/strategicplan/feedback.jsp>, and should reference the previous NSF Strategic plan for FY 2018-2022 which can be found here, <https://www.nsf.gov/pubs/2018/nsf18045/nsf18045.pdf>. We welcome comments on the key elements of the strategic plan, including Vision, Core Values, Strategic Goals, and Strategic Objectives, and answers to the following questions:

1. What are the interests, values and emergent science and policy issues that the Strategic Plan should recognize?
2. How can NSF help maintain US leadership in an evolving global research and education landscape?
3. How can the plan best underscore the importance to the Nation of fundamental research and its broader impacts?

Dated: December 11, 2020.
