Notification to Importers

This notice also serves as a preliminary reminder to importers of their responsibility under 19 CFR 351.402(f)(2) to file a certificate regarding the reimbursement of antidumping duties prior to liquidation of the relevant entries during this review period. Failure to comply with this requirement could result in the Secretary's presumption that reimbursement of antidumping duties occurred and the subsequent assessment of double antidumping duties.

Notification to Interested Parties

We are issuing and publishing these results in accordance with sections 751(a)(1) and 777(i)(1) of the Act, and 19 CFR 351.221(b)(4).

Dated: December 15, 2020.

DEPARTMENT OF COMMERCE

International Trade Administration

Limitation of Duty-Free Imports of Apparel Articles Assembled in Haiti Under the Caribbean Basin Economic Recovery Act (CBERA), as Amended by the Haitian Hemispheric Opportunity Through Partnership Encouragement Act (HOPE)

AGENCY: International Trade Administration, Department of Commerce.

ACTION: Notification of Annual Quantitative Limit on Imports of Certain Apparel from Haiti.

SUMMARY: CBERA, as amended, provides duty-free treatment for certain apparel articles imported directly from Haiti. One of the preferences is known as the "value-added" provision, which requires that apparel meet a minimum threshold percentage of value added in Haiti, the United States, and/or certain beneficiary countries. The provision is subject to a quantitative limitation, which is calculated as a percentage of total apparel imports into the United States for each 12-month period. For the period from December 20, 2020 through December 19, 2021, the quantity of imports eligible for preferential treatment under the value-added provision is 337,967,087 square meters equivalent.

DATES: The new limitations become effective December 20, 2020.

FOR FURTHER INFORMATION CONTACT: Laurie Mease, International Trade Specialist, Office of Textiles and Apparel, U.S. Department of Commerce, (202) 482-2043.

SUPPLEMENTARY INFORMATION:

Authority: Section 213A of the Caribbean Basin Economic Recovery Act (19 U.S.C. 2703a) ("CBERA"), as amended; and as implemented by Presidential Proc. No. 8114, 72 FR 13655 (March 22, 2007), and No. 8596, 75 FR 68153 (November 4, 2010).

Background: Section 213A(b)(1)(B) of CBERA, as amended (19 U.S.C. 2703a(b)(1)(B)), outlines the requirements for certain apparel articles imported directly from Haiti to qualify for duty-free treatment under a "value-added" provision. In order to qualify for duty-free treatment, apparel articles must be wholly assembled, or knit-to-shape, in Haiti from any combination of fabrics, fabric components, components knit-to-shape, and yarns, as long as the sum of the cost or value of materials produced in Haiti or one or more beneficiary countries, as described in CBERA, as amended, or any combination thereof, plus the direct costs of processing operations performed in Haiti or one or more beneficiary countries, as described in CBERA, as amended, or any combination thereof, is not less than an applicable percentage of the declared customs value of such apparel articles. Pursuant to CBERA, as amended, the applicable percentage for the period December 20, 2020 through December 19, 2021 is 60 percent.

For every twelve-month period following the effective date of CBERA,

as amended, duty-free treatment under the value-added provision is subject to a quantitative limitation. CBERA, as amended, provides that the quantitative limitation will be recalculated for each subsequent 12-month period. Section 213A(b)(1)(C) of CBERA, as amended (19 U.S.C. 2703a(b)(1)(C)), requires that, for the twelve-month period beginning on December 20, 2020, the quantitative limitation for qualifying apparel imported from Haiti under the value-added provision will be an amount equivalent to 1.25 percent of the aggregate square meter equivalent of all apparel articles imported into the United States in the most recent 12-month period for which data are available. The aggregate square meters equivalent of all apparel articles imported into the United States is derived from the set of Harmonized System lines listed in the Annex to the World Trade Organization Agreement on Textiles and Clothing ("ATC"), and the conversion factors for units of measure into square meter equivalents used by the United States in implementing the ATC. For purposes of this notice, the most recent 12-month period for which data are available as of December 20, 2020 is the 12-month period ending on October 31, 2020.

Therefore, for the one-year period beginning on December 20, 2020 and extending through December 19, 2021, the quantity of imports eligible for preferential treatment under the value-added provision is 337,967,087 square meters equivalent. Apparel articles entered in excess of these quantities will be subject to otherwise applicable tariffs.

Lloyd Wood,

Deputy Assistant Secretary for Textiles, Consumer Goods and Materials.

Certain Steel Nails From the People's Republic of China: Preliminary Results of Antidumping Duty Administrative Review, Preliminary Determination of No Shipments, and Partial Rescission; 2018-2019

AGENCY: Enforcement and Compliance, International Trade Administration, Department of Commerce.

SUMMARY: The Department of Commerce (Commerce) preliminarily determines that certain steel nails (nails) from the

²³ See Order.

People's Republic of China (China) were sold in the United States at less than normal value (NV) during the period of review (POR) August 1, 2018 through July 31, 2019. We invite interested parties to comment on these preliminary results.

DATES: Applicable December 21, 2020.

FOR FURTHER INFORMATION CONTACT:

Benito Ballesteros, AD/CVD Operations, Office V, Enforcement and Compliance, International Trade Administration, U.S. Department of Commerce, 1401 Constitution Avenue NW, Washington DC 20230; telephone: (202) 482-7425.

SUPPLEMENTARY INFORMATION:

Background

On October 7, 2019, Commerce published a notice of initiation of an administrative review of the antidumping duty order on nails from China.¹ This administrative review covers 308² companies, including two mandatory respondents: Shandong Oriental Cherry Hardware Group Co., Ltd.; and Tianjin Zhonglian Metals Ware Co., Ltd. (Zhonglian).

On April 24, 2020, Commerce tolled all deadlines in administrative reviews by 50 days, thereby extending the deadline for these results until June 22, 2020.³ On June 15, 2020, Commerce extended the deadline to issue the preliminary results by an additional 117 days.⁴ On July 21, 2020, Commerce tolled all deadlines in administrative reviews by an additional 60 days, extending the deadline for these results until December 15, 2020.⁵

For a complete description of the events that followed the initiation of this review, see the Preliminary Decision Memorandum.⁶ A list of topics

included in the Preliminary Decision Memorandum is included as Appendix I to this notice. The Preliminary Decision Memorandum is a public document and is on file electronically via Enforcement and Compliance's Antidumping and Countervailing Duty Centralized Electronic Service System (ACCESS). ACCESS is available to registered users at <https://access.trade.gov>. In addition, a complete version of the Preliminary Decision Memorandum can be accessed directly at <http://enforcement.trade.gov/frn/>. The signed and the electronic versions of the Preliminary Decision Memorandum are identical in content.

Scope of the Order

The products covered by the *Order* are nails from China. For a full description of the scope, see the Preliminary Decision Memorandum.⁷

Partial Rescission of Review

Section 351.213(d)(1) of Commerce's regulations provides that Commerce will rescind an administrative review, in whole or in part, if the party that requested the review withdraws its request for review within 90 days of the date of publication of the notice of initiation of the requested review. Commerce published the *Initiation Notice* on October 7, 2019.⁸

On December 30, 2019, Mid Continent Steel & Wire, Inc. (the petitioner) withdrew its request for review of The Stanley Works (Langfang) Fastening Systems Co., Ltd. and Stanley Black & Decker Inc. (collectively, Stanley).⁹ Because the review request for Stanley was timely withdrawn, and because no other party requested a review of Stanley, we are rescinding this review with respect to Stanley.

Preliminary Determination of No Shipments

Ten companies¹⁰ that are subject to this review reported that they did not

⁷ See Preliminary Decision Memorandum.

⁸ See *Initiation Notice*, 84 FR at 53411.

⁹ See Petitioner's Letter, "Certain Steel Nails from China: Withdrawal of Request for Administrative Reviews," dated December 30, 2019.

¹⁰ These companies are: (1) Dezhou Hualude Hardware Products Co., Ltd.; (2) Hebei Minmetals Co., Ltd.; (3) Nanjing Caiqing Hardware Co., Ltd.; (4) Nanjing Yuechang Hardware Co., Ltd.; (5) Shandong Qingyun Hongyi Hardware Products Co., Ltd.; (6) Shanxi Hairu Trade Co., Ltd.; (7) Shanxi Pioneer Hardware Industrial Co., Ltd.; (8) Tag Fasteners Sdn. Bhd.; (9) Tianjin Jinghai County Hongli Industry & Business Co.; and (10) Xi'an Metals & Minerals Import & Export Co., Ltd. All of these companies, except for Tag Fasteners Sdn. Bhd., received a separate rate in a previous segment of this proceeding.

have any shipments of subject merchandise during the POR.¹¹ To date, we have not received any information from either U.S. Customs and Border Protection (CBP), or from any other sources, that contradict these companies' no-shipment claims. Accordingly, we preliminarily determine that these companies had no shipments during the POR. For additional information, see the Preliminary Decision Memorandum. Consistent with Commerce's practice, we will not rescind this review with respect to these companies but will complete the review and issue appropriate instructions to CBP based on the final results of the review.¹²

Separate Rates

Commerce preliminarily determines that information placed on the record by Qingdao D&L Group Ltd.; SDC International Australia Pty. Ltd.; Shanghai Curvet Hardware Products Co., Ltd.; Shanghai Yueda Nails Industry Co., Ltd., a.k.a. Shanghai Yueda Nails Co., Ltd.; Shanxi Tianli Industries Co., Ltd.; S-Mart (Tianjin) Technology Development Co., Ltd.; Suntec Industries Co., Ltd.; Tianjin Jinchi Metal Products Co., Ltd.; and Zhonglian demonstrated that these entities are entitled to separate rate status. For additional information, see the Preliminary Decision Memorandum.

China-Wide Entity

Commerce's policy regarding conditional review of the China-wide entity applies to this administrative review.¹³ Under this policy, the China-wide entity will not be under review unless a party specifically requests, or Commerce self-initiates, a review of the entity. Because no party requested a review of the China-wide entity in this review, the entity is not under review and the weighted-average dumping margin determined for the China-wide entity (*i.e.*, 118.04 percent) is not subject to change as a result of this review.¹⁴

¹¹ Shanxi Yuci Broad Wire Products Co., Ltd. and Certified Products International Inc. submitted no shipment certifications. However, neither company is under review and, therefore, we did not consider their no shipment claims.

² We note that we inadvertently initiated a review of one company twice, once as "Tianjin Jinghai County Hongli Industry & Business Co., Ltd." and again as "Tianjin Jinghai County Hongli Industry and Business Co., Ltd." We are treating these companies as the same entity for purposes of this segment of the proceeding.

Aside from the companies that demonstrated eligibility for a separate rate, and certain companies that had no POR shipments of subject merchandise, Commerce considers all other companies for which a review was requested to be part of the China-wide entity. For additional information, see the Preliminary Decision Memorandum; see also Appendix II for a list of

companies considered to be part of the China-wide entity.

Methodology

Commerce is conducting this review in accordance with section 751(a)(1)(B) of the Tariff Act of 1930, as amended (the Act). We calculated export prices in accordance with section 772 of the Act. Because China is a non-market economy country within the meaning of section 771(18) of the Act, we calculated NV in

accordance with section 773(c) of the Act.

For a full description of the methodology underlying our conclusions, see the Preliminary Decision Memorandum.

Preliminary Results of Review

Commerce preliminarily determines that the following weighted-average dumping margins exist for the period August 1, 2018 through July 31, 2019:

Exporter	Weighted-average dumping margin (percent)
Tianjin Zhonglian Metals Ware Co., Ltd	18.31
Review-Specific Average Rate Applicable to the Following Companies:¹⁵	
Qingdao D&L Group Ltd	18.31
SDC International Australia Pty. Ltd	18.31
Shanghai Curvet Hardware Products Co., Ltd	18.31
Shanghai Yueda Nails Industry Co., Ltd., a.k.a. Shanghai Yueda Nails Co., Ltd	18.31
Shanxi Tianli Industries Co., Ltd	18.31
S-Mart (Tianjin) Technology Development Co., Ltd	18.31
Suntec Industries Co., Ltd	18.31
Tianjin Jinchi Metal Products Co., Ltd	18.31

We preliminarily calculated a rate for Zhonglian, the sole mandatory respondent, which is not zero, *de minimis*, or based entirely on adverse facts available. Accordingly, we have assigned Zhonglian’s margin to the companies which preliminarily rebutted the presumption of government control, but which were not selected for individual examination in this administrative review, consistent with section 735(c)(3)(A) of the Act.

Disclosure and Public Comment

Commerce intends to disclose the calculations performed for these preliminary results to interested parties within five days of the date of publication of this notice, in accordance with 19 CFR 351.224(b). Pursuant to 19 CFR 351.309(c), interested parties may submit case briefs no later than 30 days after the date of publication of this notice. Rebuttal briefs, the content of which is limited to issues raised in case briefs, may be filed no later than seven days after the date for filing case briefs.¹⁶ Parties who submit case briefs or rebuttal briefs in this proceeding are encouraged to submit with each argument: (1) a statement of the issue; (2) a brief summary of the argument; and (3) a table of authorities.¹⁷ Case and

rebuttal briefs should be filed using ACCESS¹⁸ and must be served on interested parties.¹⁹ Executive summaries should be limited to five pages total, including footnotes. Note that Commerce has temporarily modified certain of its requirements for serving documents containing business proprietary information, until further notice.²⁰

Pursuant to 19 CFR 351.310(c), interested parties who wish to request a hearing, limited to issues raised in the case and rebuttal briefs, must submit a request to the Assistant Secretary for Enforcement and Compliance, filed electronically via ACCESS. An electronically-filed document must be received successfully in its entirety through Commerce’s electronic records system, ACCESS, by 5:00 p.m. Eastern Time within 30 days after the date of publication of this notice. Requests should contain: (1) The party’s name, address, and telephone number; (2) the number of participants; and (3) a list of the issues to be discussed. If a request for a hearing is made, Commerce intends to hold the hearing at a time and date to be determined. Parties should confirm by telephone the date, time, and location of the hearing two days before the scheduled date.

Unless otherwise extended, Commerce intends to issue the final results of this administrative review, which will include the results of our analysis of all issues raised in the case briefs, within 120 days of publication of these preliminary results, pursuant to section 751(a)(3)(A) of the Act.

Assessment Rates

Upon issuance of the final results, Commerce will determine, and CBP shall assess, antidumping duties on all appropriate entries covered by this review.²¹ Commerce intends to issue assessment instructions to CBP 15 days after the publication date of the final results of this review.

If Zhonglian’s weighted-average dumping margin is not zero or *de minimis* (i.e., less than 0.50 percent) in the final results of this review, Commerce will calculate importer-specific assessment rates on the basis of the ratio of the total amount of dumping calculated for the importer’s examined sales to the total entered value of those sales, in accordance with 19 CFR 351.212(b)(1). Where an importer-specific *ad valorem* rate is not zero or *de minimis*, Commerce will instruct CBP to collect the appropriate duties at the time of liquidation.²² Where either

a respondent's weighted-average dumping margin is zero or *de minimis*, or an importer-specific *ad valorem* assessment rate is zero or *de minimis*, Commerce will instruct CBP to liquidate appropriate entries without regard to antidumping duties.²³

For entries that were not reported in the U.S. sales data submitted by Zhonglian, Commerce will instruct CBP to liquidate such entries at the rate for the China-wide entity.²⁴ Additionally, if Commerce determines that an exporter under review had no shipments of the subject merchandise, any suspended entries that entered under that exporter's case number (*i.e.*, at that exporter's cash deposit rate) will be liquidated at the rate for the China-wide entity.²⁵

Cash Deposit Requirements

The following cash deposit requirements will be effective upon publication of the final results of this review for shipments of the subject merchandise entered, or withdrawn from warehouse, for consumption on or after the publication date, as provided by section 751(a)(2)(C) of the Act: (1) For the companies listed above that have a separate rate, the cash deposit rate will be equal to the weighted-average dumping margin established in the final results of this review (except, if the rate is *de minimis*, then cash deposit rate will be zero); (2) for previously examined China and non-China exporters not listed above that at the time of entry are eligible for a separate rate based on a prior completed segment of this proceeding, the cash deposit rate will continue to be the existing exporter-specific cash deposit rate; (3) for all China exporters of subject merchandise that have not been found to be entitled to a separate rate at the time of entry, the cash deposit rate will be that for the China-wide entity (*i.e.*, 118.04 percent); and (4) for all non-China exporters of subject merchandise which at the time of entry are not eligible for a separate rate, the cash deposit rate will be the rate applicable to the China exporter that supplied that non-China exporter. These deposit requirements, when imposed, shall remain in effect until further notice.

Notification to Importers

This notice also serves as a preliminary reminder to importers of their responsibility under 19 CFR 351.402(f)(2) to file a certificate regarding the reimbursement of

antidumping duties prior to liquidation of the relevant entries during the POR. Failure to comply with this requirement could result in Commerce's presumption that reimbursement of antidumping duties occurred and the subsequent assessment of double antidumping duties.

Notification to Interested Parties

This administrative review and notice are issued and published in accordance with sections 751(a)(1) and 777(i)(1) of the Act, and 19 CFR 351.213 and 351.221(b)(4).
