

MM2A rule instruction 60 amended Table 1 to subpart NNN to add an entry for 40 CFR 63.1(c)(6), however this addition is unnecessary as Table 1 to subpart NNN has another entry including that provision. In this action, instruction 60 is corrected to read “. . . by adding in numerical order an entry for § 63.9(k) . . .” and the amendatory text is corrected by removing the entry for 40 CFR 63.1(c)(6) from Table 1 to Subpart NNN of Part 63—Applicability of General Provisions (40 CFR part 63, subpart A) to Subpart NNN.

- At 85 FR 73912, third column, 40 CFR part 63, subpart AAAAA. The final MM2A rule instruction 118 reads as if amendments were for Table 8 to subpart AAAAA when they were for Table 9 to subpart AAAAA. In this action, instruction 118 is corrected to read “Amend table 9 to subpart AAAAA of part 63 . . .”. The table header in the amendatory text is also corrected to read “Table 9 to Subpart AAAAA of Part 63—Applicability of General Provisions to Subpart AAAAA.”

- At 85 FR 73913, first column, 40 CFR part 63, subpart DDDDD. The final MM2A rule instruction 121 correctly referenced the amendments to 40 CFR 63.7545, however, the corresponding section header in the amendatory text read “§ 63.7189 What notifications must I submit and when?” instead. In this action, the section header in the amendatory text is corrected to read “§ 63.7545 What notifications must I submit and when?”

- At 85 FR 73914, first column, 40 CFR part 63, subpart IIIII. The final MM2A rule instruction 128 correctly referenced the amendments to 40 CFR 63.8252, however, the corresponding regulatory text section header read “§ 63.825 What notifications must I submit and when?” instead. Additionally, the amendatory text at 85 FR 73914, second column for 40 CFR 63.8252(b) incorrectly referenced “120 calendar days after December 19, 2003” which should have remained April 19, 2004, as in the original regulatory text. In this action, the regulatory text section header is corrected to read “§ 63.8252 What notifications must I submit and when?”; and the amendatory text to paragraph (b) is corrected to read “(b) As specified in § 63.9(b)(2), if you start up your affected source before December 19, 2003, you must submit an Initial Notification no later than April 19, 2004, or no later than 120 days after the source becomes subject to this subpart, whichever is later.”

Section 553 of the Administrative Procedure Act, 5 U.S.C. 553(b)(B), provides that, when an agency for good cause finds that notice and public

procedure are impracticable, unnecessary, or contrary to the public interest, the agency may issue a rule without providing notice and an opportunity for public comment. The EPA has determined that there is good cause for making this rule final without prior proposal and opportunity for comment because, as explained here and in each bullet above, the changes to the rule are minor technical corrections, are noncontroversial in nature, and do not substantively change the requirements of the MM2A final rule. Rather, the changes correct inadvertent typographical errors and redundant text. Additionally, the corrections to the regulatory text match the revisions described in the preamble to the final MM2A rule. Thus, notice and opportunity for public comment are unnecessary. The EPA finds that this constitutes good cause under 5 U.S.C. 553(b)(B).

Federal Register Correction

In FR doc 2020–22044 at 85 FR 73854 in the issue of November 19, 2020, the following corrections are made:

- 1. On page 73894, in the second column, amendatory instruction 37 is corrected to read: “37. Amend table 1 to subpart EE of part 63 by adding in numerical order entries for §§ 63.1(c)(6) and 63.9(k) to read as follows:”
- 2. On page 73897, in the third column, amendatory instruction 51 is corrected to read: “51. Amend table 1 to subpart DDD of part 63 by adding in numerical order an entry for § 63.9(k) to read as follows:”
- 3. On page 73899, first column, amendatory instruction 60 is corrected to read: “60. Amend table 1 to subpart NNN of part 63 by adding in numerical order an entry for § 63.9(k) to read as follows:”
- 4. On page 73912, third column, amendatory instruction 118 and the table heading are corrected to read: “118. Amend table 9 to subpart AAAAA of part 63 by adding in numerical order entries for §§ 63.1(c)(6) and 63.9(k) to read as follows:”

DEPARTMENT OF HOMELAND SECURITY

Federal Emergency Management Agency

44 CFR Part 64

[Docket ID FEMA–2020–0005; Internal Agency Docket No. FEMA–8659]

Suspension of Community Eligibility

AGENCY: Federal Emergency Management Agency, DHS.

ACTION: Final rule.

SUMMARY: This rule identifies communities where the sale of flood insurance has been authorized under the National Flood Insurance Program (NFIP) that are scheduled for suspension on the effective dates listed within this rule because of noncompliance with the floodplain management requirements of the program. If the Federal Emergency Management Agency (FEMA) receives documentation that the community has adopted the required floodplain management measures prior to the effective suspension date given in this rule, the suspension will not occur. Information identifying the current participation status of a community can be obtained from FEMA’s CSB available at www.fema.gov/flood-insurance/work-with-nfip/community-status-book. Please note that per Revisions to Publication Requirements for Community Eligibility Status Information Under the National Flood Insurance Program, notices like this one for scheduled suspension will no longer be published in the **Federal Register** as of June 2021 but will be available at www.fema.gov. Individuals without

internet access will be able to contact their local floodplain management official and/or State NFIP Coordinating Office directly for assistance.

DATES: The effective date of each community’s scheduled suspension is the third date (“Susp.”) listed in the third column of the following tables.

FOR FURTHER INFORMATION CONTACT: If you want to determine whether a particular community was suspended on the suspension date or for further information, contact Adrienne L. Sheldon, PE, CFM, Federal Insurance and Mitigation Administration, Federal Emergency Management Agency, 400 C Street SW, Washington, DC 20472, (202) 674–1087. Details regarding updated publication requirements of community eligibility status information under the NFIP can be found on the CSB section at www.fema.gov.

SUPPLEMENTARY INFORMATION: The NFIP enables property owners to purchase Federal flood insurance that is not otherwise generally available from private insurers. In return, communities agree to adopt and administer local floodplain management measures aimed at protecting lives, new and substantially improved construction, and development in general from future flooding. Section 1315 of the National Flood Insurance Act of 1968, as amended, 42 U.S.C. 4022, prohibits the sale of NFIP flood insurance unless an appropriate public body adopts adequate floodplain management measures with effective enforcement measures. The communities listed in this document no longer meet that statutory requirement for compliance with NFIP regulations, 44 CFR part 59. Accordingly, the communities will be suspended on the effective date listed in the third column. As of that date, flood insurance will no longer be available in the community. FEMA recognizes communities may adopt and submit the required documentation after this rule is published but prior to the actual suspension date. These communities

will not be suspended and will continue to be eligible for the sale of NFIP flood insurance. Their current NFIP participation status can be verified at anytime on the CSB section at fema.gov.

In addition, FEMA publishes a Flood Insurance Rate Map (FIRM) that identifies the Special Flood Hazard Areas (SFHAs) in these communities. The date of the published FIRM is indicated in the fourth column of the table. No direct federal financial assistance (except assistance pursuant to the Robert T. Stafford Disaster Relief and Emergency Assistance Act not in connection with a flood) may be provided for construction or acquisition of buildings in identified SFHAs for communities not participating in the NFIP and identified for more than a year on FEMA’s initial FIRM for the community as having flood-prone areas (section 202(a) of the Flood Disaster Protection Act of 1973, 42 U.S.C. 4106(a), as amended). This prohibition against certain types of federal assistance becomes effective for the communities listed on the date shown in the last column. The Administrator finds that notice and public comment procedures under 5 U.S.C. 553(b), are impracticable and unnecessary because communities listed in this final rule have been adequately notified.

Each community receives 6-month, 90-day, and 30-day notification letters addressed to the Chief Executive Officer stating that the community will be suspended unless the required floodplain management measures are met prior to the effective suspension date. Since these notifications were made, this final rule may take effect within less than 30 days.

National Environmental Policy Act. FEMA has determined that the community suspension(s) included in this rule is a non-discretionary action and therefore the National Environmental Policy Act of 1969 (42 U.S.C. 4321 *et seq.*) does not apply.

Regulatory Flexibility Act. The Administrator has determined that this

rule is exempt from the requirements of the Regulatory Flexibility Act because the National Flood Insurance Act of 1968, as amended, Section 1315, 42 U.S.C. 4022, prohibits flood insurance coverage unless an appropriate public body adopts adequate floodplain management measures with effective enforcement measures. The communities listed no longer comply with the statutory requirements, and after the effective date, flood insurance will no longer be available in the communities unless remedial action takes place.

Regulatory Classification. This final rule is not a significant regulatory action under the criteria of section 3(f) of Executive Order 12866 of September 30, 1993, Regulatory Planning and Review, 58 FR 51735.

Executive Order 13132, Federalism. This rule involves no policies that have federalism implications under Executive Order 13132.

Executive Order 12988, Civil Justice Reform. This rule meets the applicable standards of Executive Order 12988.

Paperwork Reduction Act. This rule does not involve any collection of information for purposes of the Paperwork Reduction Act, 44 U.S.C. 3501 *et seq.*
