

are above *de minimis*. Therefore, in these final results, we are applying the net subsidy rate calculated for Hyundai Steel to BDP International and Sung Jin Steel Co., Ltd.

Final Results of Administrative Review

In accordance with section 751(a)(1)(A) of the Act and 19 CFR 351.221(b)(5), we determine that the following total estimated net countervailable subsidy rates exist for the period January 1, 2018 through December 31, 2018:

Company	Subsidy rate <i>ad valorem</i> %
Dongkuk Steel Mill Co., Ltd ..	* 0.28
Hyundai Steel Company	0.50
BDP International	0.50
Sung Jin Steel Co., Ltd	0.50

* (*de minimis*).

Disclosure

Commerce intends to disclose the calculations performed for these final results of review within five days of the date of publication of this notice in the **Federal Register**, in accordance with 19 CFR 351.224(b).

Assessment Rates

In accordance with 19 CFR 351.212(b)(2), Commerce intends to issue appropriate instructions to U.S. Customs and Border Protection (CBP) 15 days after publication of these final results to liquidate shipments of subject merchandise. Because we have calculated a *de minimis* countervailable subsidy rate for DSM, we will instruct CBP to liquidate the appropriate entries without regard to countervailing duties in accordance with 19 CFR 351.212. We will instruct CBP to liquidate shipments of subject merchandise produced and/or exported by Hyundai Steel and the above listed companies, entered or withdrawn from warehouse for consumption from January 1, 2018 through December 31, 2018, at the *ad valorem* rates listed above for each respective company.

Cash Deposit Instructions

In accordance with section 751(a)(2)(C) of the Act, we intend to instruct CBP to collect cash deposits of estimated countervailing duties, in the amounts shown above, with the exception of DSM, on shipments of subject merchandise entered, or withdrawn from warehouse, for consumption on or after the date of publication of the final results of this review. Because the countervailable subsidy rate for DSM is *de minimis*, Commerce will instruct CBP to collect

cash deposits at a rate of zero for DSM for all shipments of the subject merchandise that are entered, or withdrawn from warehouse, for consumption on or after the date of publication of the final results of this administrative review. For all non-reviewed firms, we will instruct CBP to continue to collect cash deposits of estimated countervailing duties at the most-recent company-specific or all-others rate applicable to the company, as appropriate. These cash deposit requirements, when imposed, shall remain in effect until further notice.

Administrative Protective Order (APO)

This notice also serves as a reminder to parties subject to APO of their responsibility concerning the disposition of proprietary information disclosed under APO in accordance with 19 CFR 351.305(a)(3), which continues to govern business proprietary information in this segment of the proceeding. Timely written notification of the return or destruction of APO materials, or conversion to judicial protective order is hereby requested. Failure to comply with the regulations and the terms of an APO is a sanctionable violation.

Notification to Interested Parties

These final results are issued and published in accordance with sections 751(a)(1) and 777(i)(1) of the Act and 19 CFR 351.221(b)(5).

Dated: December 18, 2020.
