Notification to Importers

This notice serves as a preliminary reminder to importers of their responsibility under 19 CFR 351.402(f)(2) to file a certificate regarding the reimbursement of antidumping duties prior to liquidation of the relevant entries during this review period. Failure to comply with this requirement could result in the Secretary's presumption that reimbursement of antidumping duties occurred and the subsequent assessment of double antidumping duties.

Notification to Interested Parties

We are issuing and publishing these results in accordance with sections 751(a)(1) and 777(i)(1) of the Act and 19 CFR 351.221.

We also preliminarily determine that two companies are eligible for separate rate status, 27 companies did not establish eligibility for a separate rate and are part of the Vietnam-wide entity, and 21 companies had no shipments during the POR. SUPPLEMENTARY INFORMATION:

Background

On October 7, 2019, Commerce published in the **Federal Register** the notice of initiation of an administrative review of the antidumping duty (AD) order on fish fillets from Vietnam with respect to 76 companies.¹ We selected the largest exporters, Bien Dong Seafood Co., Ltd. (Bien Dong) and Vinh Hoan Corporation (Vinh Hoan),² as mandatory respondents.³ Following the withdrawal of all review requests for Bien Dong,⁴ Commerce selected Seafood Joint Stock Company No.4 Branch Dongtam Fisheries Processing Company (DOTASEAFOOD) as an additional mandatory respondent on January 22, 2020.⁵

Scope of the Order

The products covered by this order are fish fillets from Vietnam. For a full description of the scope of the order, see the Preliminary Decision Memorandum.⁶

Partial Rescission of Administrative Review

Pursuant to 19 CFR 351.213(d)(1), Commerce will rescind an administrative review, in whole or in part, if the party that requested a review withdraws the request within 90 days of the date of publication of the notice of initiation. As noted above, all interested parties timely withdrew their requests for review for 16 companies. Accordingly, Commerce is rescinding this review with respect to these 16

entities, in accordance with 19 CFR 351.213(d)(1).⁷ The review will continue with respect to the other firms for which a review was requested and initiated.

Preliminary Determination of No Shipments

Based on an analysis of information from U.S. Customs and Border Protection (CBP) and the letters filed by 20 companies certifying no shipments, Commerce preliminarily determines that these companies had no shipments during the POR.⁸ In addition, with regard to an additional company, HVG,⁹ information on the record establishes that HVG had no shipments during the POR. For additional information regarding this finding, see the Preliminary Decision Memorandum.

Consistent with our assessment practice in non-market economy (NME) administrative reviews, Commerce is not rescinding this review for these 21 companies,¹⁰ but intends to complete the review and issue appropriate instructions to CBP based on the final results of the review.¹¹

Separate Rates

Commerce preliminarily determines that information placed on the record by mandatory respondent, Vinh Hoan, and separate rate applicant, Nam Viet Corporation (NAVICO), demonstrates that these companies are entitled to separate rate status. The remaining 27 companies subject to this review have not established eligibility for a separate rate, and are, therefore, considered to be part of the Vietnam-wide entity for these
