

disclosure requirement; On occasion reporting requirement.

Total Annual Burden: 249,043 hours.
Total Annual Cost: \$34,623.

Obligation to Respond: Required to obtain or retain benefits. The statutory authority for this collection is contained in sections 4(i), 317 and 507 of the Communications Act of 1934, as amended.

Nature and Extent of Confidentiality: The FCC is preparing a system of records, FCC/MB-2, "Broadcast Station Public Inspection Files," to cover the personally identifiable information (PII) that may be included in the broadcast station public inspection files. Respondents may request materials or information submitted to the Commission be withheld from public inspection under 47 CFR 0.459 of the Commission's rules.

Privacy Impact Assessment(s): The FCC is preparing a PIA.

Needs and Uses: The information collection requirements that are approved under this collection are as follows:

47 CFR 73.1212 requires a broadcast station to identify at the time of broadcast the sponsor of any matter for which consideration is provided. For advertising commercial products or services, generally the mention of the name of the product or service constitutes sponsorship identification. In the case of television political advertisements concerning candidates for public office, the sponsor shall be identified with letters equal to or greater than four (4) percent of the vertical height of the television screen that airs for no less than four (4) seconds. In addition, when an entity rather than an individual sponsors the broadcast of matter that is of a political or controversial nature, licensee is required to retain a list of the executive officers, or board of directors, or executive committee, etc., of the organization paying for such matter. Sponsorship announcements are waived with respect to the broadcast of "want ads" sponsored by an individual but the licensee shall maintain a list showing the name, address and telephone number of each such advertiser. These lists shall be made available for public inspection.

47 CFR 73.1212(e) states that, when an entity rather than an individual sponsors the broadcast of matter that is of a political or controversial nature, the licensee is required to retain a list of the executive officers, or board of directors, or executive committee, etc., of the organization paying for such matter in its public file. Pursuant to the changes contained in 47 CFR 73.1212(e) and 47

CFR 73.3526(e)(19), this list, which could contain personally identifiable information, would be located in a public inspection file to be located on the Commission's website instead of being maintained in the public file at the station. Burden estimates for this change are included in OMB Control Number 3060-0214.

47 CFR 76.1615 states that, when a cable operator engaged in origination cablecasting presents any matter for which money, service or other valuable consideration is provided to such cable television system operator, the cable television system operator, at the time of the telecast, shall identify the sponsor. Under this rule section, when advertising commercial products or services, an announcement stating the sponsor's corporate or trade name, or the name of the sponsor's product is sufficient when it is clear that the mention of the name of the product constitutes a sponsorship identification. In the case of television political advertisements concerning candidates for public office, the sponsor shall be identified with letters equal to or greater than four (4) percent of the vertical height of the television screen that airs for no less than four (4) seconds.

47 CFR 76.1715 state that, with respect to sponsorship announcements that are waived when the broadcast/origination cablecast of "want ads" sponsored by an individual, the licensee/operator shall maintain a list showing the name, address and telephone number of each such advertiser. These lists shall be made available for public inspection.

Nature and Extent of Confidentiality:

The Commission notes that the Universal Service Administrative Company (USAC) must preserve the confidentiality of all data obtained from respondents and contributors to the universal service support program mechanism; must not use the data except for purposes of administering the universal service program; must not use the data except for purposes of administering the universal support program; and must not disclose data in company-specific form unless directed to do so by the Commission. On November 18, 2011, the Commission adopted an order reforming its high-cost universal service support mechanisms. *Connect America Fund; A National Broadband Plan for Our Future; Establish Just and Reasonable Rates for Local Exchange Carriers; High-Cost Universal Service Support; Developing a Unified Intercarrier Compensation Regime; Federal-State Joint Board on Universal Service; Lifeline and Link-Up; Universal Service Reform—Mobility Fund*, WC Docket Nos. 10–90, 07–135, 05–337, 03–109; GN Docket No. 09–51; CC Docket Nos. 01–92, 96–45; WT Docket No. 10–208, Order and Further Notice of Proposed Rulemaking, 26 FCC Rcd 17663 (2011) (*USF/ICC Transformation Order*), and the Commission and Wireline Competition Bureau have since adopted a number of orders that implement the *USF/ICC Transformation Order*; see also *Connect America Fund et al.*, WC Docket No. 10–90 et al., Third Order on Reconsideration, 27 FCC Rcd 5622 (2012); *Connect America Fund et al.*, WC Docket No. 10–90 et al., Order, 27 FCC Rcd 605 (Wireline Comp. The Commission has received OMB approval for most of the information collections required by these orders.

Through several orders, the Commission has recently changed or modified reporting obligations for high-cost support.

In September 2019, the Commission adopted the *Puerto Rico/U.S. Virgin Islands Stage 2 Order*, which allocated nearly a billion additional dollars to United States territories that had suffered extensive infrastructure damage due to Hurricanes Irma and Maria. *The Uniendo a Puerto Rico Fund and the Connect USVI Fund, et al.*, WC Docket No. 18–143, et al., Report and Order and Order on Reconsideration, 34 FCC Rcd 9109 (2019) (*Puerto Rico and USVI Stage 2 Order*). The Commission adopted similar accountability measures for recipients of this support as required of other high-cost support recipients to ensure that providers receive support “only for the provision, maintenance, and upgrading of facilities and services for which the support is intended.” *Puerto Rico and USVI Stage 2 Order*, 34 FCC Rcd at 9149, para. 72.

In the *2019 Supply Chain Order*, the Commission adopted a rule prohibiting the use of USF support to purchase or obtain any equipment or services

produced or provided by a covered company posing a national security threat to the integrity of communications networks or the communications supply chain. *Protecting Against National Security Threats to the Communications Supply Chain Through FCC Programs*, WC Docket No. 18–89, Report and Order, Further Notice of Proposed Rulemaking, and Order, 34 FCC Rcd 11423, 11433, para. 26. See also 47 CFR 54.9. In June 2020, the Public Safety and Homeland Security Bureau issued final designations of Huawei Technologies Company (Huawei) and ZTE Corp. (ZTE) as covered companies for the purposes of this rule. *Protecting Against National Security Threats to the Communications Supply Chain Through FCC Programs—Huawei Designation*, WC Docket No. 19–351, Order, 35 FCC Rcd 6604 (PSHSB June 30, 2020) (*Huawei Designation Order*); *Protecting Against National Security Threats to the Communications Supply Chain Through FCC Programs—ZTE Designation*, WC Docket No. 19–352, Order, 35 FCC Rcd 6633 (PSHSB June 30, 2020) (*ZTE Designation Order*). Accordingly, USF recipients may not use USF funds to purchase, obtain, maintain, improve, modify, manage, or otherwise support Huawei or ZTE equipment or services in any way, including upgrades to existing Huawei or ZTE equipment and services. *Huawei Designation Order*, 35 FCC Rcd at 6608, para. 10; *ZTE Designation Order*, 35 FCC Rcd at 6637, para. 10. Moreover, USF recipients must certify that they are in compliance with this rule. *2019 Supply Chain Order*, 34 FCC Rcd at 11454, para. 79; see also 47 CFR 54.9.

In the *CAF Phase II Auction Order*, in addition to rules requiring Connect America Phase II auction support recipients to report regarding support used for capital expenditures, certify regarding available funds, and certify that the Phase II-funded network meets performance requirements, the Commission also adopted rules requiring that Phase II auction support recipients must report information on served community anchor institutions and certify regarding bidding on FCC Form 470 postings for eligible schools and libraries in census blocks where the carrier receives auction support. *Connect America Fund, et al.*, WC Docket No. 10–90, et al., Report and Order and Further Notice of Proposed Rulemaking, 31 FCC Rcd 5949 (2016) (*CAF Phase II Auction Order*). Recipients of *Uniendo a Puerto Rico Fund* and *Connect USVI Fund Stage 2* support must also observe these

requirements in addition to the general requirements for high-cost support recipients and requirements specific to the Uniendo a Puerto Rico Fund and Connect USVI Fund programs. See *Puerto Rico and USVI Stage 2 Order*, 34 FCC Rcd at 9150, para. 74.

We therefore propose to revise this information collection, as well as Form 481 and its accompanying instructions, to reflect these new and revised requirements. We also eliminate one requirement that is associated with obligations no longer in effect for certain carriers. Finally, we propose to increase the burdens associated with existing reporting requirements to account for additional carriers that will be subject to those requirements.
