AGENCY: United States International Trade Commission.

ACTION: Notice.

SUMMARY: The Commission hereby gives notice of the scheduling of the final phase of antidumping and countervailing duty investigation Nos. 701–TA–652 and 731–TA–1524–1526 (Final) pursuant to the Tariff Act of 1930 (“the Act”) to determine whether

an industry in the United States is materially injured or threatened with material injury, or the establishment of an industry in the United States is materially retarded, by reason of imports of silicon metal from Bosnia and Herzegovina and Iceland, provided for in subheadings 2804.69.10 and 2804.69.50 of the Harmonized Tariff Schedule of the United States, preliminarily determined by the Department of Commerce (“Commerce”) to be sold at less than fair value, imports of silicon metal from Kazakhstan, preliminarily determined by Commerce to be subsidized by the government of Kazakhstan, and imports of silicon metal from Malaysia, alleged to be sold at less than fair value.

DATES: December 7, 2020.

The public record for these investigations may be viewed on the Commission’s electronic docket (EDIS) at <https://edis.usitc.gov>.

SUPPLEMENTARY INFORMATION:

Scope.—For purposes of these investigations, Commerce has defined the subject merchandise as all forms and sizes of silicon metal, including silicon metal powder. Silicon metal contains at least 85.00 percent but less than 99.99 percent silicon, and less than 4.00 percent iron, by actual weight. Semiconductor grade silicon (merchandise containing at least 99.99 percent silicon by actual weight and classifiable under Harmonized Tariff Schedule of the United States (HTSUS) subheading 2804.61.00) is excluded from the scope of this investigation.

Silicon metal is currently classifiable under subheadings 2804.69.10 and 2804.69.50 of the HTSUS. While the HTSUS numbers are provided for convenience and customs purposes, the written description of the scope remains dispositive.

Background.—The final phase of these investigations is being scheduled pursuant to sections 705(b) and 731(b) of the Tariff Act of 1930 (19 U.S.C. 1671d(b) and 1673d(b)), as a result of

affirmative preliminary determinations by Commerce that imports of silicon metal from Kazakhstan are being subsidized by the government of Kazakhstan, and that imports of silicon metal from Bosnia and Herzegovina and Iceland are being sold in the United States at less than fair value within the meaning of § 733 of the Act (19 U.S.C. 1673b). These investigations were requested in petitions filed on June 30, 2020, by Globe Specialty Metals, Inc., Beverly, Ohio, and Mississippi Silicon LLC, Burnsville, Mississippi.

For further information concerning the conduct of this phase of the investigations, hearing procedures, and rules of general application, consult the Commission’s Rules of Practice and Procedure, part 201, subparts A and B (19 CFR part 201), and part 207, subparts A and C (19 CFR part 207).

Participation in the investigations and public service list.—Persons, including industrial users of the subject merchandise and, if the merchandise is sold at the retail level, representative consumer organizations, wishing to participate in the final phase of these investigations as parties must file an entry of appearance with the Secretary to the Commission, as provided in § 201.11 of the Commission’s rules, no later than 21 days prior to the hearing date specified in this notice. A party that filed a notice of appearance during the preliminary phase of the investigations need not file an additional notice of appearance during this final phase. The Secretary will maintain a public service list containing the names and addresses of all persons, or their representatives, who are parties to the investigations.

Please note the Secretary’s Office will accept only electronic filings during this time. Filings must be made through the Commission’s Electronic Document Information System (EDIS, <https://edis.usitc.gov>.) No in-person paper-based filings or paper copies of any electronic filings will be accepted until further notice.

Limited disclosure of business proprietary information (BPI) under an administrative protective order (APO) and BPI service list.—Pursuant to § 207.7(a) of the Commission’s rules, the Secretary will make BPI gathered in the final phase of these investigations available to authorized applicants under the APO issued in the investigations, provided that the application is made no later than 21 days prior to the hearing date specified in this notice. Authorized applicants must represent interested parties, as defined by 19 U.S.C. 1677(9), who are parties to the investigations. A party granted access to

BPI in the preliminary phase of the investigations need not reapply for such access. A separate service list will be maintained by the Secretary for those parties authorized to receive BPI under the APO.

Staff report.—The prehearing staff report in the final phase of these investigations will be placed in the nonpublic record on February 9, 2021, and a public version will be issued thereafter, pursuant to § 207.22 of the Commission’s rules.

Hearing.—The Commission will hold a hearing in connection with the final phase of these investigations beginning at 9:30 a.m. on February 22, 2021. Information about the place and form of the hearing, including about how to participate in and/or view the hearing, will be posted on the Commission’s website at <https://www.usitc.gov/calendarpad/calendar.html>. Interested parties should check the Commission’s website periodically for updates. Requests to appear at the hearing should be filed in writing with the Secretary to the Commission on or before February 17, 2021. A nonparty who has testimony that may aid the Commission’s deliberations may request permission to present a short statement at the hearing. All parties and nonparties desiring to appear at the hearing and make oral presentations should attend a prehearing conference to be held at 9:30 a.m. on February 19, 2021. Oral testimony and written materials to be submitted at the public hearing are governed by sections 201.6(b)(2), 201.13(f), and 207.24 of the Commission’s rules. Parties must submit any request to present a portion of their hearing testimony *in camera* no later than 7 business days prior to the date of the hearing.

Written submissions.—Each party who is an interested party shall submit a prehearing brief to the Commission. Prehearing briefs must conform with the provisions of § 207.23 of the Commission’s rules; the deadline for filing is February 16, 2021. Parties may also file written testimony in connection with their presentation at the hearing, as provided in § 207.24 of the Commission’s rules, and posthearing briefs, which must conform with the provisions of § 207.25 of the Commission’s rules. The deadline for filing posthearing briefs is March 1, 2021. In addition, any person who has not entered an appearance as a party to the investigations may submit a written statement of information pertinent to the subject of the investigations, including statements of support or opposition to the petition, on or before March 1, 2021. On March 18, 2021, the

Commission will make available to parties all information on which they have not had an opportunity to comment. Parties may submit final comments on this information on or before March 22, 2021, but such final comments must not contain new factual information and must otherwise comply with § 207.30 of the Commission's rules. All written submissions must conform with the provisions of § 201.8 of the Commission's rules; any submissions that contain BPI must also conform with the requirements of §§ 201.6, 207.3, and 207.7 of the Commission's rules. The Commission's *Handbook on Filing Procedures*, available on the Commission's website at https://www.usitc.gov/documents/handbook_on_filing_procedures.pdf, elaborates upon the Commission's procedures with respect to filings.

Additional written submissions to the Commission, including requests pursuant to § 201.12 of the Commission's rules, shall not be accepted unless good cause is shown for accepting such submissions, or unless the submission is pursuant to a specific request by a Commissioner or Commission staff.

In accordance with §§ 201.16(c) and 207.3 of the Commission's rules, each document filed by a party to the investigations must be served on all other parties to the investigations (as identified by either the public or BPI service list), and a certificate of service must be timely filed. The Secretary will not accept a document for filing without a certificate of service.

By order of the Commission.

Issued: December 22, 2020.

INTERNATIONAL TRADE COMMISSION

[Investigation No. 337-TA-1132 (Modification)]

Certain Motorized Vehicles and Components Thereof; Notice of Commission Determination To Modify Remedial Orders; Termination of Modification Proceeding

AGENCY: U.S. International Trade Commission.

ACTION: Notice.

SUMMARY: Notice is hereby given that the U.S. International Trade Commission has determined to adopt with modification the findings of the presiding Administrative Law Judge ("ALJ") in the Recommended Determination ("RD") and to modify the limited exclusion order ("LEO") and cease and desist orders ("CDOs") (collectively, "the remedial orders") issued in this investigation to exempt the respondents' redesigned product from the scope of the remedial orders. The modification proceeding is terminated.

FOR FURTHER INFORMATION CONTACT: Houda Morad, Office of the General Counsel, U.S. International Trade Commission, 500 E Street SW, Washington, DC 20436, telephone (202) 708-4716. Copies of non-confidential documents filed in connection with this investigation may be viewed on the Commission's electronic docket (EDIS) at <https://edis.usitc.gov>. For help accessing EDIS, please email EDIS3Help@usitc.gov. General information concerning the Commission may also be obtained by accessing its internet server at <https://www.usitc.gov>. The public record for this investigation may be viewed on the Commission's electronic docket (EDIS) at <https://edis.usitc.gov>. Hearing-impaired persons are advised that information on this matter can be obtained by contacting the Commission's TDD terminal on (202) 205-1810.

SUPPLEMENTARY INFORMATION: The Commission instituted this investigation on September 13, 2018, based on a complaint, as amended, filed by FCA US LLC of Auburn Hills, Michigan ("Complainant"). See 83 FR 46517 (Sept. 13, 2018). The complaint alleges violations of section 337 of the Tariff Act of 1930, as amended (19 U.S.C. 1337) ("section 337") based upon the importation into the United States, the sale for importation, and the sale within the United States after importation of certain motorized vehicles and components thereof by reason of: (1) Infringement of U.S. Trademark Registration Nos. 4,272,873; 2,862,487; 2,161,779; 2,794,553; and 4,043,984 (collectively, "the Asserted Trademarks"); (2) trademark dilution and unfair competition in violating the complainant's common law trademark rights; and (3) trade dress infringement. See *id.* The notice of investigation names Mahindra & Mahindra Ltd. of Mumbai, India and Mahindra Automotive North America, Inc. of Auburn Hills, Michigan (collectively, "Respondents") as respondents in this investigation. See *id.* The Office of

Unfair Import Investigations is also a party to this investigation. See *id.*

On November 8, 2019, the ALJ issued a final initial determination ("FID") finding a violation of section 337. Specifically, the FID determined that Respondents' Roxor vehicle (2018-2019 model) infringes FCA's asserted trade dress but not its Asserted Trademarks. The FID also determined that Complainant did not establish trademark dilution.

On June 11, 2020, the Commission determined to affirm the FID's determination of a violation of section 337. See 85 FR 36613-14 (June 17, 2020). The Commission issued an LEO barring entry of articles that infringe the asserted trade dress and CDOs against both Respondents. The Commission declined to adjudicate Respondents' proposed redesigned vehicles and required Respondents to obtain a ruling (via an advisory opinion or a modification proceeding) from the Commission prior to any importation of redesigned vehicles or components thereof.

On June 18, 2020, Respondents filed a petition for an expedited modification proceeding. On July 20, 2020, the Commission determined to institute a modification proceeding under section 337(k) (19 U.S.C. 1337(k)) and Commission Rule 210.76 (19 CFR 210.76) to adjudicate trade dress infringement with respect to respondents' redesigned vehicle ("the Post-2020 ROXOR"). See 85 FR 44923-24 (July 24, 2020).

On October 20, 2020, the ALJ issued his RD finding no trade dress infringement by Respondents' Post-2020 ROXOR vehicle. On October 30, 2020, Complainant filed comments on the RD requesting that the Commission decline to adopt the RD's findings. On November 6, 2020, Respondents and the Commission's Investigative Attorney filed responses in opposition to Complainant's comments.

Having reviewed the record of the underlying violation investigation, as well as the record of the modification proceeding, including the RD and the parties' comments and responses thereto, the Commission has determined to modify the LEO and CDOs to include an explicit exemption with respect to Respondents' Post-2020 ROXOR vehicle adjudicated in this modification proceeding. As explained in the Commission Opinion issued concurrently herewith, the Commission adopts the RD's findings with modification and affirms the RD's conclusion that the Post-2020 ROXOR vehicle does not infringe Complainant's
