

(1) You can file your comments electronically using the eComment feature on the Commission's website ([www.ferc.gov](http://www.ferc.gov)) under the link to FERC Online. This is an easy method for submitting brief, text-only comments on a project;

(2) You can also file your comments electronically using the eFiling feature on the Commission's website ([www.ferc.gov](http://www.ferc.gov)) under the link to FERC Online. With eFiling, you can provide comments in a variety of formats by attaching them as a file with your submission. New eFiling users must first create an account by clicking on "eRegister." You must select the type of filing you are making. If you are filing a comment on a particular project, please select "Comment on a Filing"; or

(3) You can file a paper copy of your comments by mailing them to the Commission. Be sure to reference the project docket number (CP21-2-000) on your letter. Submissions sent via the U.S. Postal Service must be addressed to: Kimberly D. Bose, Secretary, Federal Energy Regulatory Commission, 888 First Street NE, Room 1A, Washington, DC 20426. Submissions sent via any other carrier must be addressed to: Kimberly D. Bose, Secretary, Federal Energy Regulatory Commission, 12225 Wilkins Avenue, Rockville, Maryland 20852.

Filing environmental comments will not give you intervenor status, but you do not need intervenor status to have your comments considered. Only intervenors have the right to seek rehearing or judicial review of the Commission's decision. At this point in this proceeding, the timeframe for filing timely intervention requests has expired. Any person seeking to become a party to the proceeding must file a motion to intervene out-of-time pursuant to Rule 214(b)(3) and (d) of the Commission's Rules of Practice and Procedures (18 CFR 385.214(b)(3) and (d)) and show good cause why the time limitation should be waived. Motions to intervene are more fully described at <https://www.ferc.gov/ferc-online/ferc-online/how-guides>.

Additional information about the project is available from the Commission's Office of External Affairs, at (866) 208-FERC, or on the FERC website ([www.ferc.gov](http://www.ferc.gov)) using the eLibrary link. The eLibrary link also provides access to the texts of all formal documents issued by the Commission, such as orders, notices, and rulemakings.

In addition, the Commission offers a free service called eSubscription which allows you to keep track of all formal issuances and submittals in specific

dockets. This can reduce the amount of time you spend researching proceedings by automatically providing you with notification of these filings, document summaries, and direct links to the documents. Go to <https://www.ferc.gov/ferc-online/overview> to register for eSubscription.

Dated: December 28, 2020.

## ENVIRONMENTAL PROTECTION AGENCY

**[EPA-HQ-OGC-2020-0717; FRL-10019-15-OGC]**

### Proposed Settlement Agreement, Challenge to Clean Air Act

**AGENCY:** Environmental Protection Agency (EPA).

**ACTION:** Notice of proposed settlement agreement; request for public comment.

**SUMMARY:** In accordance with the Clean Air Act, as amended ("CAA" or the "Act"), notice is hereby given of a proposed Settlement Agreement to resolve petitions for review filed by the State of Wyoming ("Wyoming") and PacifiCorp with respect to PacifiCorp's Wyodak electric generating unit (EGU). In 2014, Wyoming and PacifiCorp filed petitions for review in the United States Court of Appeals for the Tenth Circuit, challenging EPA's final rule, in which the Agency partially approved and partially disapproved elements of Wyoming's Regional Haze State Implementation Plan (SIP), and promulgated a Federal Implementation Plan (FIP) to address the disapproved elements. In the Final rule, EPA, *inter alia*, disapproved Wyoming's determination concerning nitrogen oxide (NO<sub>x</sub>) best available retrofit technology (BART) for Wyodak and promulgated a FIP addressing NO<sub>x</sub> BART requirements for Wyodak. The Settlement Agreement would resolve Wyoming's and PacifiCorp's challenges to the final rule. Under the proposed Settlement Agreement, the parties agree to take certain specified actions.

**DATES:** Written comments on the proposed settlement agreement must be received by February 3, 2021.

**ADDRESSES:** Submit your comments, identified by Docket ID No. EPA-HQ-OGC-2020-0717, online at <https://www.regulations.gov> (EPA's preferred method). Follow the online instructions for submitting comments.

**Instructions:** All submissions received must include the Docket ID number for this action. Comments received may be posted without change to <https://www.regulations.gov/>, including any personal information provided. For detailed instructions on sending comments and additional information on the rulemaking process, see the "Additional Information about Commenting on the Proposed Settlement Agreement" heading under the **SUPPLEMENTARY INFORMATION** section of this document. Out of an abundance of caution for members of the public and our staff, the EPA Docket Center and Reading Room are closed to the public, with limited exceptions, to reduce the risk of transmitting COVID-19. Our Docket Center staff will continue to provide remote customer service via email, phone, and webform. We encourage the public to submit comments via <https://www.regulations.gov>, as there may be a delay in processing mail and faxes. Hand deliveries and couriers may be received by scheduled appointment only. For further information on EPA Docket Center services and the current status, please visit us online at <https://www.epa.gov/dockets>.

The EPA continues to carefully and continuously monitor information from the CDC, local area health departments, and our Federal partners so that we can respond rapidly as conditions change regarding COVID-19.

#### SUPPLEMENTARY INFORMATION:

##### I. Obtaining a Copy of the Proposed Settlement Agreement

The official public docket for this action (identified by Docket ID No. EPA-HQ-OGC-2020-0717) contains a copy of the proposed Settlement Agreement.

The electronic version of the public docket for this action contains a copy of the proposed Settlement Agreement, and is available through <https://www.regulations.gov>. You may use <https://www.regulations.gov> to submit or view public comments, access the index listing of the contents of the official public docket, and access those documents in the public docket that are available electronically. Once in the system, key in the appropriate docket

identification number then select “search.”

## II. Additional Information About the Proposed Settlement Agreement

The proposed Settlement Agreement would resolve Wyoming’s and PacifiCorp’s challenges to the following action: Approval, Disapproval and Promulgation of Implementation Plans; State of Wyoming; Regional Haze State Implementation Plan; Federal Implementation Plan for Regional Haze; final rule, 79 FR 5032 (January 30, 2014). See *Wyoming v. EPA*, No. 14–9529 (10th Cir. filed March 28, 2014) and *PacifiCorp v. EPA*, No. 14–9534 (10th Cir. filed March 31, 2014).

The proposed Settlement Agreement establishes deadlines by which Wyoming and EPA will take certain specified actions with respect to development of and action on a SIP revision addressing NO<sub>x</sub> BART requirements for Wyodak. The proposed Settlement Agreement further provides that, if certain conditions are met, Wyoming, PacifiCorp, and EPA agree to move for dismissal of Wyoming’s and PacifiCorp’s challenges to the Final rule. See the proposed Settlement Agreement for specific details.

In accordance with section 113(g) of the CAA, for a period of thirty (30) days following the date of publication of this notice, the Agency will accept written comments relating to the proposed Settlement Agreement. EPA or the Department of Justice may withdraw or withhold consent to the proposed Settlement Agreement if the comments disclose facts or considerations that indicate that such consent is inappropriate, improper, inadequate, or inconsistent with the requirements of the Act.

## III. Additional Information About Commenting on the Proposed Settlement Agreement

Submit your comments, identified by Docket ID No. EPA–HQ–OGC–2020–0717, via <https://www.regulations.gov>. Once submitted, comments cannot be edited or removed from this docket. The EPA may publish any comment received to its public docket. Do not submit to EPA’s docket at <https://www.regulations.gov> any information you consider to be Confidential Business Information (CBI) or other information whose disclosure is restricted by statute. Multimedia submissions (audio, video, etc.) must be accompanied by a written comment. The written comment is considered the official comment and should include discussion of all points you wish to make. The EPA will generally not

consider comments or comment contents located outside of the primary submission (*i.e.*, on the web, cloud, or other file sharing system). For additional submission methods, the full EPA public comment policy, information about CBI or multimedia submissions, and general guidance on making effective comments, please visit <https://www.epa.gov/dockets/commenting-epa-dockets>. For additional information about submitting information identified as CBI, please contact the person listed in the **FOR FURTHER INFORMATION CONTACT** section of this document. Note that written comments containing CBI and submitted by mail may be delayed and deliveries or couriers will be received by scheduled appointment only.

If you submit an electronic comment, EPA recommends that you include your name, mailing address, and an email address or other contact information in the body of your comment. This ensures that you can be identified as the submitter of the comment and allows EPA to contact you in case EPA cannot read your comment due to technical difficulties or needs further information on the substance of your comment. Any identifying or contact information provided in the body of a comment will be included as part of the comment that is placed in the official public docket and made available in EPA’s electronic public docket. If EPA cannot read your comment due to technical difficulties and cannot contact you for clarification, EPA may not be able to consider your comment.

Use of the <https://www.regulations.gov> website to submit comments to EPA electronically is EPA’s preferred method for receiving comments. The electronic public docket system is an “anonymous access” system, which means EPA will not know your identity, email address, or other contact information unless you provide it in the body of your comment.

Please ensure that your comments are submitted within the specified comment period. Comments received after the close of the comment period will be marked “late.” EPA is not required to consider these late comments.

### Proposed Consent Decree, Clean Air Act Citizen Suit

**AGENCY:** Environmental Protection Agency (EPA).

**ACTION:** Notice of proposed consent decree; request for public comment.

**SUMMARY:** In accordance with the Clean Air Act, as amended (CAA or the Act), notice is given of a proposed consent decree in *United Refining Co. v. Wheeler*, No. 20–cv–1956 (D.D.C.). On July 7, 2020, United Refining Co. (United) filed a complaint in the United States District Court for the District of Columbia alleging that the Environmental Protection Agency (EPA or the Agency) failed to perform a certain non-discretionary duty. United alleges that EPA failed to take final action on its petition for a small refinery hardship exemption from its 2019 obligations under the Renewable Fuel Standards (RFS) program established by the Clean Air Act. The proposed consent decree would establish a deadline for EPA to act on the petition.

**DATES:** Written comments on the proposed consent decree must be received by February 3, 2021.

**ADDRESSES:** Submit your comments, identified by Docket ID No. EPA–HQ–OGC–2020–0652, online at <https://www.regulations.gov> (EPA’s preferred method). Follow the online instructions for submitting comments.

*Instructions:* All submissions received must include the Docket ID number for this action.
