

2. Questions for Satellite Television Subscribers in Unserved Households.³⁸

When answering, please indicate if you receive satellite service at your residence, your RV, or your commercial truck. Please also indicate which category of “unserved household” applies to you.

a. Before June 1, 2020, did you receive distant network retransmissions (*i.e.*, network stations from markets outside of your local area) from DISH or DirecTV?

i. If your answer is “yes,” did you continue to receive the same distant networks after June 1, 2020?

(1) If you continued to receive the same distant networks, did the price of your subscription increase or decrease? If it did, was the reason for the change explained?

(2) If you did not continue to receive the same distant networks after June 1, 2020, did you receive access to new networks that are physically closer to you as a replacement for the distant networks you no longer receive? Did the price of your subscription increase or decrease? If it did, was the reason for the change explained?

ii. If your answer is “no,” did the price of your satellite subscription increase or decrease on or after June 1, 2020? If it did, was the reason for the change explained?

b. Before June 1, 2020, did you receive local network retransmissions (*i.e.*, network stations from a nearby market) from DISH or DirecTV?

i. If your answer is “yes,” did you continue to receive local networks from DISH or DirecTV on or after June 1, 2020?

(1) If you continued to receive local networks, did the price of your subscription increase or decrease? If it did, was the reason for the change explained?

(2) If you did not continue to receive local networks, did you receive access to replacement networks? Were these replacement networks physically closer to or further from your location? Did the price of your subscription increase or

decrease? If it did, was the reason for the change explained?

c. If you received distant network retransmissions from DISH or DirecTV before June 1, 2020, did you begin to receive local network retransmissions from DISH or DirecTV on or after that date?

i. If you did begin to receive local networks on or after June 1, 2020, were the local networks in addition to or instead of the distant network retransmissions?

ii. If you did begin to receive local networks on or after June 1, 2020, did the price of your subscription increase or decrease?

d. Have you changed television service providers since June 1, 2020?

i. If your answer is “yes,” did you change to a different satellite provider, or did you obtain television service from a different type of service provider (such as a cable provider)? Why did you change television service providers?

e. If you are a commercial trucker, which satellite carrier do you use?

f. If you are an RVer, which satellite carrier do you use? Do you also receive satellite service at your residence? If so, is your home satellite carrier the same as your RV satellite carrier?

3. Questions for Satellite Carriers

a. If you relied upon the section 119 statutory license to provide distant-into-local network retransmissions before June 1, 2020, did you continue to rely upon the amended license (under the STCPA) on or after that date?

i. If your answer is “no,” did you continue to provide distant-into-local network retransmissions after that date?

b. Do you meet the new STCPA requirement of providing local-into-local network retransmissions to all 210 DMAs as a prerequisite for using the new section 119 statutory license to provide distant-into-local network retransmissions?

i. If your answer is “no,” what approach did you take to providing distant-into-local network retransmissions after May 31, 2020?

ii. If you declined to provide local-into-local network retransmissions for all 210 DMAs, thus forgoing the use of the section 119 license, and instead decided to make individual carriage deals with each broadcast network for distant-into-local retransmission, please explain your reasoning.

c. Did you use the transition license provided by the STCPA from January 1, 2020 to May 31, 2020?

i. If your answer is “no,” please explain why you did not use the transition license.

ii. If you did use the transition license, did you use the new STCPA

license after May 31, 2020? If not, why not?

4. Question for Broadcasters

a. Has the expiration of certain provisions of the section 119 license impacted your ability to provide comparable television service to households previously subject to the section 119 license? If so, how?
