DEPARTMENT OF COMMERCE

International Trade Administration

Request for Applicants for Appointment to the United States-Brazil CEO Forum

AGENCY: International Trade Administration (ITA), Department of Commerce (DOC).

ACTION: Solicitation of applications.

SUMMARY: In March 2007, the Governments of the United States and Brazil established the U.S.-Brazil CEO Forum. This notice announces the opportunity for up to three individuals for appointment to the U.S. Section of the Forum for a term ending on February 24, 2022. The current three-year term of the U.S. Section began on February 25, 2019 and will expire February 24, 2022. Nominations received in response to this notice will also be considered for on-going appointments to fill any future vacancies that may arise before November 30, 2021.

DATES: Applications for immediate consideration should be received no later than close of business January 22, 2021. After that date, applications will continue to be accepted through November 30, 2021 to fill any new vacancies that may arise.

ADDRESSES: Please send requests for consideration to Raquel Silva, Office of Latin America and the Caribbean, U.S. Department of Commerce, by email at Raquel.Silva@trade.gov.

FOR FURTHER INFORMATION CONTACT: Raquel Silva, 202-482-4157, Office of Latin America and the Caribbean, U.S. Department of Commerce.

SUPPLEMENTARY INFORMATION: The Secretary of Commerce and the Director of the National Economic Council, together with the Planalto Casa Civil Minister (Presidential Chief of Staff) and the Brazilian Minister of Industry, Foreign Trade & Services, co-chair the U.S.-Brazil CEO Forum (Forum), pursuant to the Terms of Reference signed in March 2007 by the U.S. and Brazilian governments, as amended, which set forth the objectives and structure of the Forum. The Terms of

Reference may be viewed at: <http://www.trade.gov/ceo-forum/>. The Forum, consisting of both private and public sector members, brings together leaders of the respective business communities of the United States and Brazil to discuss issues of mutual interest, particularly ways to strengthen the economic and commercial ties between the two countries. The Forum consists of the U.S. and Brazilian Government co-chairs and a Committee comprised of private sector members. The Committee is composed of two Sections, each consisting of approximately ten to twelve members from the private sector, representing the views and interests of the private sector business community in the United States and Brazil. Each government appoints the members to its respective Section. The Committee provides joint recommendations to the two governments that reflect private sector views, needs and concerns regarding the creation of an economic environment in which their respective private sectors can partner, thrive and enhance bilateral commercial ties to expand trade between the United States and Brazil.

This notice seeks candidates to fill up to three positions on the U.S. Section of the Forum as well as any future vacancies that may arise before November 30, 2021. Each candidate must be the Chief Executive Officer or President (or have a comparable level of responsibility) of a U.S.-owned or -controlled company that is incorporated or otherwise organized in and has its main headquarters in the United States and that is currently doing business in both Brazil and the United States. Each candidate also must be a U.S. citizen or otherwise legally authorized to work in the United States and able to travel to Brazil and locations in the United States to attend official Forum meetings as well as independent U.S. Section and Committee meetings. In addition, the candidate may not be a registered foreign agent under the Foreign Agents Registration Act of 1938, as amended. Evaluation of applications for membership in the U.S. Section by eligible individuals will be based on the following criteria:

—A demonstrated commitment by the individual's company to the Brazilian market either through exports or investment.

—A demonstrated strong interest in Brazil and its economic development.

—The ability to offer a broad perspective and business experience to the discussions.

—The ability to address cross-cutting issues that affect the entire business community.

—The ability to initiate and be responsible for activities in which the Forum will be active.

—A demonstrated commitment and ability to attend the majority of Forum meetings.

In addition to the above criteria, members will be selected on the basis of who will best carry out the objectives of the Forum as stated in the Terms of Reference establishing the U.S.-Brazil CEO Forum. The U.S. Section of the Forum should also include members that represent a diversity of business sectors and geographic locations. To the extent possible, U.S. Section members also should represent a cross-section of small, medium, and large firms.

U.S. members will receive no compensation for their participation in Forum-related activities. Individual members will be responsible for all travel and related expenses associated with their participation in the Forum, including attendance at Committee and Section meetings. Only appointed members may participate in official Forum meetings; substitutes and alternates will not be designated. According to the current Terms of Reference, members are normally to serve three-year terms, but may be reappointed. Consistent failure to actively participate in Forum meetings and activity may result in early termination of a CEO's membership on the Forum.

As delineated in 83 FR 65627 (December 21, 2018), to be considered for membership, please submit the following information as instructed in the **ADDRESSES** and **DATES** captions above: Name(s) and title(s) of the individual(s) requesting consideration; name and address of company's headquarters; location of incorporation; information that the company is U.S.-owned or U.S.-controlled; size of the company; size of company's export trade to Brazil, investment in Brazil, and nature of operations or interest in Brazil; an affirmative statement that the applicant meets all Forum eligibility criteria and is neither registered nor required to register as a foreign agent under the Foreign Agents Registration Act of 1938, as amended; and a brief statement of why the candidate should be considered, including information about the candidate's ability to initiate and be responsible for activities in which the Forum will be active, and commitment to attending the majority of Forum meetings. Applications will be considered as they are received. All candidates will be notified of whether they have been selected.

Authority: 15 U.S.C. 1512.

Dated: January 4, 2021.

Alexander Peacher,

Director for the Office of Latin America & the Caribbean.

SUPPLEMENTARY INFORMATION: The Gulf of Mexico, South Atlantic, and Caribbean Fishery Management Councils, in conjunction with NOAA

Fisheries and the Atlantic and Gulf States Marine Fisheries Commissions, have implemented the Southeast Data, Assessment and Review (SEDAR) process, a multi-step method for determining the status of fish stocks in the Southeast Region. SEDAR is a three-step process including: (1) Data Workshop; (2) Assessment Process utilizing webinars; and (3) Review Workshop. The product of the Data Workshop is a data report which compiles and evaluates potential datasets and recommends which datasets are appropriate for assessment analyses. The product of the Assessment Process is a stock assessment report which describes the fisheries, evaluates the status of the stock, estimates biological benchmarks, projects future population conditions, and recommends research and monitoring needs. The assessment is independently peer reviewed at the Review Workshop. The product of the Review Workshop is a Summary documenting panel opinions regarding the strengths and weaknesses of the stock assessment and input data. Participants for SEDAR Workshops are appointed by the Gulf of Mexico, South Atlantic, and Caribbean Fishery Management Councils and NOAA Fisheries Southeast Regional Office, Highly Migratory Species Management Division, and Southeast Fisheries Science Center. Participants include: data collectors and database managers; stock assessment scientists, biologists, and researchers; constituency representatives including fishermen, environmentalists, and non-governmental organizations (NGOs); international experts; and staff of Councils, Commissions, and state and federal agencies.

The items of discussion at the Assessment Webinar II:

- Finalize any data decisions remaining.
- Continue discussion on modelling issues and decisions.

Although non-emergency issues not contained in this agenda may come before this group for discussion, those issues may not be the subject of formal action during this meeting. Action will be restricted to those issues specifically identified in this notice and any issues arising after publication of this notice that require emergency action under section 305(c) of the Magnuson-Stevens Fishery Conservation and Management Act, provided the public has been notified of the intent to take final action to address the emergency.

Special Accommodations

This meeting is accessible to people with disabilities. Requests for auxiliary

aids should be directed to the SAFMC office (see **ADDRESSES**) at least 5 business days prior to the meeting.

Note: The times and sequence specified in this agenda are subject to change.
