#### Notice of Final Federal Agency Actions on Proposed Highway in California

**AGENCY:** Federal Highway Administration (FHWA), Department of Transportation (DOT).

**ACTION:** Notice of limitation on claims for judicial review of actions by the California Department of Transportation (Caltrans).

**SUMMARY:** The FHWA, on behalf of Caltrans, is issuing this notice to announce actions taken by Caltrans that are final. The actions relate to a proposed highway project, State Route 60 (SR–60)/World Logistics Center Parkway (WLC Pkwy) Interchange Project in the City of Moreno Valley, in Riverside County, State of California. Those actions grant licenses, permits, and approvals for the project.

**DATES:** By this notice, the FHWA, on behalf of Caltrans, is advising the public of final agency actions subject to 23 U.S.C. 139(l)(1). A claim seeking judicial review of the Federal agency actions on the highway project will be barred unless the claim is filed on or before June 10, 2021. If the Federal law that authorizes judicial review of a claim provides a time period of less than 150 days for filing such claim, then that shorter time period still applies.

The project is located in the City of Moreno Valley, in the northeast quadrant located within an unincorporated section of Riverside County within the City’s sphere of influence. The purpose of the project is to provide standard vertical clearance for the WLC Pkwy overcrossing, to alleviate existing and future traffic congestion at the SR–60/WLC Pkwy interchange ramps during peak hours, and to improve traffic flow along the freeway and through the interchange. The project also adds one auxiliary lane in each direction on SR–60 between the Redlands Boulevard and Gilman Springs Road interchanges. The actions by the Federal agencies, and the laws under which such actions were taken, are described in the Final Environmental Assessment (FEA)/ Finding of No Significant Impact (FONSI) for the project, approved on December 18, 2020, and in other documents in the Caltrans project records.
