BILLING CODE 8011-01-P

SECURITIES AND EXCHANGE COMMISSION

[Release No. 34-90861; File No. SR-ICEEU-2020-018]

Self-Regulatory Organizations; ICE Clear Europe Limited; Notice of Filing of Partial Amendment No. 1 To Proposed Rule Change Relating to Amendments to the ICE Clear Europe CDS Procedures and CDS Default Management Policy

January 6, 2021.

On December 14, 2020, ICE Clear Europe Limited ("ICE Clear Europe" or the "Clearing House") filed with the Securities and Exchange Commission ("Commission"), pursuant to Section 19(b)(1) of the Securities Exchange Act

of 1934 ("Act"),¹ and Rule 19b-4 thereunder,² a proposed rule change to modify its CDS Procedures and CDS Default Management Policy related to its CDS Default Committee. The proposed rule change was published for comment in the **Federal Register** on January 4, 2021.³ On December 31, 2020, ICE Clear Europe filed Partial Amendment No. 1 to the proposed rule change. Pursuant to Section 19(b)(1) of the Act⁴ and Rule 19b-4 thereunder,⁵ the Commission is publishing notice of this Partial Amendment No. 1 to the proposed rule change as described in Item I below, which has been prepared primarily by ICE Clear Europe. The Commission is publishing this notice to solicit comment on Partial Amendment No. 1 from interested persons.

I. Clearing Agency's Statement of the Terms of Partial Amendment No. 1 to the Proposed Rule Change

ICE Clear Europe submits this partial amendment ("Partial Amendment No. 1") to its previously submitted proposed rule changes (the "Initial Filing") to modify its CDS Procedures (the "CDS Procedures" or the "Procedures")⁶ to update the requirements for a Clearing Member to be approved to be a CDS Committee-Eligible Clearing Member for purposes of the CDS Default Committee, as well as certain other updates and clarifications, and to modify its CDS Default Management Policy (the "CDS Default Management Policy" or "Policy") to make corresponding updates to the requirements for a Clearing Member to be eligible to serve on the CDS Default Committee, as well as to provide more detail with respect to review and testing of its default procedures, remove appendices and make certain other updates and clarifications to be consistent with other ICE Clear Europe policies. Partial Amendment No. 1 is intended to amend Item 3(a) of the Initial Filing to add an explanation as to the circumstances pursuant to which ICE Clear Europe may permit a CDS Committee-Eligible Clearing Member to postpone participation in the CDS Default Committee for a Relevant CDS Default

Committee Period for which it is otherwise due to take part. The text of the proposed rule changes in the Initial Filing is unchanged.

As described in the Initial Filing, amendments to paragraph 5.3 of the CDS Procedures would add that if a CDS Committee-Eligible Clearing Member considers that it is unable to take part in the CDS Default Committee for the Relevant CDS Default Committee Period for which it is due to take part, it may request to postpone its participation for that period. ICE Clear Europe could, at its discretion, approve such request. In this Partial Amendment No. 1, ICE Clear Europe is providing the explanation in the paragraph below to supplement the description of the amendment to paragraph 5.3 of the CDS Procedures that was provided in the Initial Filing.

In general, paragraph 5.3 is intended to give ICE Clear Europe a degree of flexibility in responding to a request for postponement from a Clearing Member, in light of the difficulty in outlining in advance all potential scenarios where it may be appropriate. In ICE Clear Europe's view, based on its experience and discussions with Clearing Members about service on the committee, an acceptable excuse would most likely relate to temporary resource constraints at the Clearing Member. For example, if the committee member were already serving on the default committee of another clearing house during the relevant period or if a committee member otherwise had limited staffing resources to commit to the committee during that period, this may be considered satisfactory. ICE Clear Europe would expect to discuss the particular situation with the Clearing Member in question and would respond to any request for postponement to let the Clearing Member know whether its rationale was satisfactory. ICE Clear Europe believes this type of flexible approach is ultimately more favorable to both the Clearing House and Clearing Members than having a more rigid rule.

The purpose of the rule change as set out in Item 3(a) of the Initial Filing is otherwise unchanged.

II. Date of Effectiveness of the Proposed Rule Change and Timing for Commission Action

Within 45 days of the date of publication of this notice in the **Federal Register** or within such longer period up to 90 days (i) as the Commission may designate if it finds such longer period to be appropriate and publishes its reasons for so finding or (ii) as to which the self-regulatory organization consents, the Commission will:

BILLING CODE 8011-01-P

SECURITIES AND EXCHANGE COMMISSION

[Release No. 34-90863; File No. SR-CboeBZX-2021-004]

Self-Regulatory Organizations; Cboe BZX Exchange, Inc.; Notice of Filing and Immediate Effectiveness of Proposed Rule Change To Amend Its Fee Schedule Relating to LMM Financial Incentives

January 6, 2021.

Pursuant to Section 19(b)(1) of the Securities Exchange Act of 1934 (the "Act")¹ and Rule 19b-4 thereunder,² notice is hereby given that on January 4, 2021, Cboe BZX Exchange, Inc. (the "Exchange" or "BZX") filed with the Securities and Exchange Commission ("Commission") the proposed rule change as described in Items I, II, and III below, which Items have been prepared by the Exchange. The Commission is publishing this notice to solicit comments on the proposed rule change from interested persons.

I. Self-Regulatory Organization's Statement of the Terms of the Substance of the Proposed Rule Change

Cboe BZX Exchange, Inc. (the "Exchange" or "BZX") is filing with the Securities and Exchange Commission ("Commission") a proposed rule change to amend the fee schedule. The text of the proposed rule change is provided in Exhibit 5.

The text of the proposed rule change is also available on the Exchange's website (http://markets.cboe.com/us/equities/regulation/rule_filings/bzx/), at the Exchange's Office of the Secretary, and at the Commission's Public Reference Room.

II. Self-Regulatory Organization's Statement of the Purpose of, and Statutory Basis for, the Proposed Rule Change

In its filing with the Commission, the Exchange included statements

concerning the purpose of and basis for the proposed rule change and discussed any comments it received on the proposed rule change. The text of these statements may be examined at the places specified in Item IV below. The Exchange has prepared summaries, set forth in sections A, B, and C below, of the most significant aspects of such statements.

A. Self-Regulatory Organization's Statement of the Purpose of, and Statutory Basis for, the Proposed Rule Change

1. Purpose

The Exchange proposes to amend the fee schedule applicable to its equities trading platform ("BZX Equities") to update the Standard Rates and Enhanced Rates provided under the Lead Market Maker ("LMM") Liquidity Provision Rates, effective January 4, 2021. The Exchange believes the proposed changes will better incentivize LMMs to meet the Standard and Enhanced Minimum Performance Standards where their average aggregate daily auction volume is 1,000,000 shares or less.

The Exchange first notes that its listing business operates in a highly-competitive market in which market participants, which includes issuers of securities, LMMs, and other liquidity providers, can readily transfer their listings, opt not to participate, or direct order flow to competing venues if they deem fee levels, liquidity provision incentive programs, or any other factor at a particular venue to be insufficient or excessive. The proposed rule changes reflect a competitive pricing structure designed to incentivize market participants to participate as LMMs in the Exchange's LMM Program, which the Exchange believes will enhance market quality in all securities listed on the Exchange and encourage issuers to list new products and transfer existing products to the Exchange.

The Exchange currently offers daily incentives for LMMs in Exchange Traded Products ("ETPs") listed on the Exchange for which the LMM meets certain Minimum Performance Standards.³ Such daily incentives are

³ As defined in Rule 11.8(e)(1)(E), the term "Minimum Performance Standards" means a set of standards applicable to an LMM that may be determined from time to time by the Exchange. Such standards will vary between LMM Securities depending on the price, liquidity, and volatility of the LMM Security in which the LMM is registered. The performance measurements will include: (A) Percent of time at the NBBO; (B) percent of executions better than the NBBO; (C) average displayed size; and (D) average quoted spread. For additional detail, see Original LMM Filing.
