SUPPLEMENTARY INFORMATION: Under the PRA (44 U.S.C. 3501-3520), Federal agencies must obtain approval from the OMB for each collection of information that they conduct or sponsor.

Section 17A(c) of the Securities Exchange Act of 1934 (the Act) requires all transfer agents for qualifying securities registered under section 12 of the Act, as well as for securities that would be required to be registered except for the exemption from registration provided by section 12(g)(2)(B) or section 12(g)(2)(G), to file with the appropriate regulatory agency an application for registration in such form and containing such information and documents as such appropriate regulatory agency may prescribe as necessary or appropriate in furtherance of the purposes of this section.² In general, an entity performing transfer agent functions for a qualifying security is required to register with its appropriate regulatory agency ("ARA"). The OCC's regulations at 12 CFR 9.20 implement these provisions of the Act.

To accomplish the registration of transfer agents, Form TA-1 was developed in 1975 as an interagency effort by the Securities and Exchange Commission (SEC) and the Federal banking agencies (the OCC, the Board of Governors of the Federal Reserve System, and the Federal Deposit Insurance Corporation). The agencies primarily use the data collected on Form TA-1 to determine whether an application for registration should be approved, denied, accelerated, or postponed, and they use the data in connection with their supervisory responsibilities. In addition, when a national bank or Federal savings association no longer acts as a transfer agent for covered corporate securities or when the national bank or Federal savings association is no longer supervised by the OCC, *i.e.*, liquidates or converts to another form of financial institution, the national bank or Federal savings association must file Form TA-W with the OCC, requesting withdrawal from registration as a transfer agent.

Forms TA-1 and TA-W are mandatory and their collection is

authorized by sections 17A(c), 17(a)(3), and 23(a)(1) of the Act, as amended (15 U.S.C. 78q-1(c), 78q(a)(3), and 78w(a)(1)). Additionally, section 3(a)(34)(B)(i) of the Act (15 U.S.C. 78c(a)(34)(B)(i)) provides that the OCC is the ARA in the case of a national banks and Federal savings associations and subsidiaries of such institutions. The registrations are public filings and are not considered confidential.

The OCC needs the information contained in this collection to fulfill its statutory responsibilities. Section 17A(c)(2) of the Act (15 U.S.C. 78q-1(c)(2)), as amended, provides that all those authorized to transfer securities registered under section 12 of the Act (transfer agents) shall register by filing with the appropriate regulatory agency an application for registration in such form and containing such information and documents as such appropriate regulatory agency may prescribe to be necessary or appropriate in furtherance of the purposes of this section.

BILLING CODE 4810-33-P

DEPARTMENT OF THE TREASURY

Departmental Offices; Debt Management Advisory Committee Meeting

Notice is hereby given, pursuant to 5 U.S.C. App. 2, 10(a)(2), that a meeting

¹ Following the close of this notice's 60-day comment period, the OCC will publish a second notice with a 30-day comment period.

² 15 U.S.C. 78q-1(c).

will take place via conference call on February 2, 2021 at 9 a.m. of the following debt management advisory committee: Treasury Borrowing Advisory Committee of The Securities Industry and Financial Markets Association.

At this meeting, the Treasury is seeking advice from the Committee on topics related to the economy, financial markets, Treasury financing, and debt management. Following the working session, the Committee will present a written report of its recommendations. The meeting will be closed to the public, pursuant to 5 U.S.C. App. 2, 10(d) and Public Law 103–202, 202(c)(1)(B)(31 U.S.C. 3121 note).

This notice shall constitute my determination, pursuant to the authority placed in heads of agencies by 5 U.S.C. App. 2, 10(d) and vested in me by Treasury Department Order No. 101–05, that the meeting will consist of discussions and debates of the issues presented to the Committee by the Secretary of the Treasury and the making of recommendations of the Committee to the Secretary, pursuant to Public Law 103–202, § 202(c)(1)(B). Thus, this information is exempt from disclosure under that provision and 5 U.S.C. 552b(c)(3)(B). In addition, the meeting is concerned with information that is exempt from disclosure under 5 U.S.C. 552b(c)(9)(A). The public interest requires that such meetings be closed to the public because the Treasury Department requires frank and full advice from representatives of the financial community prior to making its final decisions on major financing operations. Historically, this advice has been offered by debt management advisory committees established by the several major segments of the financial community. When so utilized, such a committee is recognized to be an advisory committee under 5 U.S.C. App. 2, 3.

Although the Treasury's final announcement of financing plans may not reflect the recommendations provided in reports of the Committee, premature disclosure of the Committee's deliberations and reports would be likely to lead to significant financial speculation in the securities market. Thus, this meeting falls within the exemption covered by 5 U.S.C. 552b(c)(9)(A).

The Office of Debt Management is responsible for maintaining records of debt management advisory committee meetings and for providing annual reports setting forth a summary of Committee activities and such other matters as may be informative to the public consistent with the policy of 5 U.S.C. 552(b). The Designated Federal Officer or other responsible agency official who may be contacted for additional information is Fred Pietrangeli, Director for Office of Debt Management (202) 622–1876.

Dated: January 8, 2021.

Frederick E. Pietrangeli,

Director, Office of Debt Management.
