SUPPLEMENTARY INFORMATION: On September 4, 2018, UDOT submitted an application for a ROW grant for the Northern Corridor Project north of the City of St. George, Utah, on BLM-administered and non-Federal lands within the Red Cliffs NCA and Red Cliffs Desert Reserve (Reserve). The Reserve was established for the protection of the Mojave desert tortoise under the 1995 Washington County HCP. The NCA was established through the passage of the Omnibus Public Land Management Act of 2009. The 1995 HCP expired in 2016 and was extended by the Service to allow the County to amend the HCP pursuant to Section 10(a)(1)(B) of the Endangered Species Act (ESA). The Service received an application for an ITP dated January 30, 2015. The associated amended HCP was finalized by Washington County on October 20, 2020. The amended HCP anticipates the Northern Corridor highway, as a potential changed circumstance, would be partially offset with the addition of a new sixth zone to the Reserve (Reserve Zone 6) as the primary conservation strategy. To allow for consideration of and mitigation for the Northern Corridor, the BLM considered amendments to the Red Cliffs NCA and St. George Field Office RMPs.

The BLM and the Service, as joint lead agencies, reviewed the ROW and ITP applications, and the BLM
