

or approved with modifications.¹³ In this order, pursuant to Rule 608(b)(2)(i) of Regulation NMS,¹⁴ the Commission is providing notice of the grounds for disapproval under consideration:

- Whether the proposed CT Plan is consistent with the Governance Order;
- Whether, consistent with Rule 608 of Regulation NMS, the proposed CT Plan is necessary or appropriate in the public interest, for the protection of investors and the maintenance of fair and orderly markets, to remove impediments to, and perfect the mechanisms of, a national market system, or otherwise in furtherance of the purposes of the Act;¹⁵

- Whether modifications to the proposed CT Plan, or conditions to its approval, would be required to make the proposed plan necessary or appropriate in the public interest, for the protection of investors and the maintenance of fair and orderly markets, to remove impediments to, and perfect the mechanisms of, a national market system, or otherwise in furtherance of the purposes of the Act;¹⁶

- Whether the proposed CT Plan is consistent with Congress's finding, in Section 11A(1)(C)(iii) of the Act, that it is in the public interest and appropriate for the protection of investors and the maintenance of fair and orderly markets to ensure "the availability to brokers, dealers, and investors or information with respect to quotations for and transactions in securities"¹⁷

- Whether, consistent with the purposes of Section 11A(c)(1)(B) of the Act,¹⁸ the proposed CT Plan is appropriately structured, and whether its provisions are appropriately drafted, to support the prompt, accurate, reliable, and fair collection, processing, distribution, and publication of information with respect to quotations for and transactions in NMS securities, and the fairness and usefulness of the form and content of such information;

- Whether the proposed CT Plan effectively addresses the inherent conflict of interest between the Participants' collective responsibilities in overseeing the existing equity data plans and their individual interests in maximizing the viability of proprietary data products that they sell to market participants, as well as the concentration of voting power in the existing equity data plans among a few large exchange groups; and

- Whether the provisions of the proposed CT Plan that were not mandated by the Governance Order are consistent with the Act and the rules and regulations issued thereunder that are applicable to NMS plans.¹⁹

The Commission is instituting proceedings to allow for additional consideration and comment on the issues raised above.

IV. Commission's Solicitation of Comments

I. Requested Exemptive Relief

1. Applicants request an order to permit the Adviser,¹ subject to the approval of the board of trustees of the Trust (collectively, the “Board”),² including a majority of the trustees who are not “interested persons” of the Trust or the Adviser, as defined in Section 2(a)(19) of the Act (the “Independent Trustees”), without obtaining shareholder approval, to: (i) select investment sub-advisers (“Sub-Advisers”) for all or a portion of the assets of one or more of the Funds pursuant to an investment sub-advisory agreement with each Sub-Adviser (each a “Sub-Advisory Agreement”); and (ii) materially amend Sub-Advisory Agreements with the Sub-Advisers.

2. Applicants also request an order exempting the Sub-Advised Funds (as defined below) from the Disclosure Requirements, which require each Fund to disclose fees paid to a Sub-Adviser. Applicants seek relief to permit each Sub-Advised Fund to disclose (as a dollar amount and a percentage of the Fund’s net assets): (i) the aggregate fees paid to the Adviser and any Wholly-Owned Sub-Advisers; and (ii) the aggregate fees paid to Affiliated and Non-Affiliated Sub-Advisers (“Aggregate Fee Disclosure”).³

¹ The term “Adviser” means (i) the Initial Adviser, (ii) its successors, and (iii) any entity controlling, controlled by or under common control with, the Initial Adviser or its successors that serves as the primary adviser to a Sub-Advised Fund. For the purposes of the requested order, “successor” is limited to an entity or entities that result from a reorganization into another jurisdiction or a change in the type of business organization. Any other Adviser also will be registered with the Commission as an investment adviser under the Advisers Act.

² The term “Board” also includes the board of trustees or directors of a future Sub-Advised Fund (as defined below), if different from the board of trustees (“Trustees”) of the Trust.

³ A “Wholly-Owned Sub-Adviser” is any investment adviser that is (1) an indirect or direct “wholly-owned subsidiary” (as such term is defined in Section 2(a)(43) of the Act) of the Adviser, (2) a “sister company” of the Adviser that is an indirect or direct “wholly-owned subsidiary” of the same company that indirectly or directly wholly owns the Adviser (the Adviser’s “parent company”), or (3) a parent company of the Adviser. An “Affiliated Sub-Adviser” is any investment sub-adviser that is not a Wholly-Owned Sub-Adviser, but is an “affiliated person” (as defined in Section 2(a)(3) of the Act) of a Sub-Advised Fund or the Adviser for reasons other than serving as investment sub-adviser to one or more Funds. A “Non-Affiliated Sub-Adviser” is any investment adviser that is not an “affiliated person” (as defined in the Act) of a Fund or the Adviser, except to the extent that an affiliation arises solely because the Sub-Adviser serves as a sub-adviser to one or more Funds.

Applicants seek an exemption to permit a Sub-Advised Fund to include only the Aggregate Fee Disclosure.⁴

3. Applicants request that the relief apply to Applicants, as well as to any future Fund and any other existing or future registered open-end management investment company or series thereof that intends to rely on the requested order in the future and that: (i) is advised by the Adviser; (ii) uses the multi-manager structure described in the application; and (iii) complies with the terms and conditions of the application (each, a “Sub-Advised Fund”).⁵

II. Management of the Sub-Advised Funds

4. The Adviser serves or will serve as the investment adviser to each Sub-Advised Fund pursuant to an investment advisory agreement with the Fund (each an “Investment Advisory Agreement”). Each Investment Advisory Agreement has been or will be approved by the Board, including a majority of the Independent Trustees, and by the shareholders of the relevant Sub-Advised Fund in the manner required by Sections 15(a) and 15(c) of the Act. The terms of these Investment Advisory Agreements comply or will comply with Section 15(a) of the Act. Applicants are not seeking an exemption from the Act with respect to the Investment Advisory Agreements. Pursuant to the terms of each Investment Advisory Agreement, the Adviser, subject to the oversight of the Board, will provide continuous investment management for each Sub-Advised Fund. For its services to each Sub-Advised Fund, the Adviser receives or will receive an investment advisory fee from that Fund as specified in the applicable Investment Advisory Agreement.

5. Consistent with the terms of each Investment Advisory Agreement, the Adviser may, subject to the approval of the Board, including a majority of the Independent Trustees, and the shareholders of the applicable Sub-Advised Fund (if required by applicable law), delegate portfolio management responsibilities of all or a portion of the assets of a Sub-Advised Fund to a Sub-Adviser. The Adviser will retain overall responsibility for the management and

⁴ Applicants note that all other items required by Sections 6–07(2)(a), (b) and (c) of Regulation S–X will be disclosed.

⁵ All registered open-end investment companies that currently intend to rely on the requested order are named as Applicants. All Funds that currently are, or that currently intend to be, Sub-Advised Funds are identified in this application. Any entity that relies on the requested order will do so only in accordance with the terms and conditions contained in the application.

investment of the assets of each Sub-Advised Fund. This responsibility includes recommending the removal or replacement of Sub-Advisers, allocating the portion of that Sub-Advised Fund's assets to any given Sub-Adviser and reallocating those assets as necessary from time to time.⁶ The Sub-Advisers will be "investment advisers" to the Sub-Advised Funds within the meaning of Section 2(a)(20) of the Act and will provide investment management services to the Funds subject to, without limitation, the requirements of Sections 15(c) and 36(b) of the Act.⁷ The Sub-Advisers, subject to the oversight of the Adviser and the Board, will determine the securities and other investments to be purchased, sold or entered into by a Sub-Advised Fund's portfolio or a portion thereof, and will place orders with brokers or dealers that they select.⁸

6. The Sub-Advisory Agreements will be approved by the Board, including a majority of the Independent Trustees, in accordance with Sections 15(a) and 15(c) of the Act. In addition, the terms of each Sub-Advisory Agreement will comply fully with the requirements of Section 15(a) of the Act. The Adviser may compensate the Sub-Advisers or the Sub-Advised Funds may pay advisory fees to the Sub-Advisers directly.

7. Sub-Advised Funds will inform shareholders of the hiring of a new Sub-Adviser pursuant to the following procedures ("Modified Notice and Access Procedures"): (a) within 90 days after a new Sub-Adviser is hired for any Sub-Advised Fund, that Fund will send its shareholders either a Multi-Manager Notice or a Multi-Manager Notice and Multi-Manager Information Statement;⁹

⁶ Applicants represent that if the name of any Sub-Advised Fund contains the name of a sub-adviser, the name of the Adviser that serves as the primary adviser to the Fund, or a trademark or trade name that is owned by or publicly used to identify the Adviser, will precede the name of the sub-adviser.

⁷ The Sub-Advisers will be registered with the Commission as an investment adviser under the Advisers Act or not subject to such registration.

⁸ A "Sub-Adviser" also includes an investment sub-adviser that will provide the Adviser with a model portfolio reflecting a specific strategy, style or focus with respect to the investment of all or a portion of a Sub-Advised Fund's assets. The Adviser may use the model portfolio to determine the securities and other instruments to be purchased, sold or entered into by a Sub-Advised Fund's portfolio or a portion thereof, and place orders with brokers or dealers that it selects.

⁹ A "Multi-Manager Notice" will be modeled on a Notice of Internet Availability as defined in Rule 14a-16 under the 1934 Act, and specifically will, among other things: (a) Summarize the relevant information regarding the new Sub-Adviser (except as modified to permit Aggregate Fee Disclosure); (b) inform shareholders that the Multi-Manager Information Statement is available on a website; (c) provide the website address; (d) state the time

and (b) the Sub-Advised Fund will make the Multi-Manager Information Statement available on the website identified in the Multi-Manager Notice no later than when the Multi-Manager Notice (or Multi-Manager Notice and Multi-Manager Information Statement) is first sent to shareholders, and will maintain it on that website for at least 90 days.¹⁰

III. Applicable Law

8. Section 15(a) of the Act states, in part, that it is unlawful for any person to act as an investment adviser to a registered investment company "except pursuant to a written contract, which contract, whether with such registered company or with an investment adviser of such registered company, has been approved by the vote of a majority of the outstanding voting securities of such registered company."

9. Form N-1A is the registration statement used by open-end investment companies. Item 19(a)(3) of Form N-1A requires a registered investment company to disclose in its statement of additional information the method of computing the "advisory fee payable" by the investment company with respect to each investment adviser, including the total dollar amounts that the investment company "paid to the adviser (aggregated with amounts paid to affiliated advisers, if any), and any advisers who are not affiliated persons of the adviser, under the investment advisory contract for the last three fiscal years."

10. Rule 20a-1 under the Act requires proxies solicited with respect to a registered investment company to comply with Schedule 14A under the 1934 Act. Items 22(c)(1)(ii), 22(c)(1)(iii), 22(c)(8) and 22(c)(9) of Schedule 14A, taken together, require a proxy statement for a shareholder meeting at which the advisory contract will be

period during which the Multi-Manager Information Statement will remain available on that website; (e) provide instructions for accessing and printing the Multi-Manager Information Statement; and (f) instruct the shareholder that a paper or email copy of the Multi-Manager Information Statement may be obtained, without charge, by contacting the Sub-Advised Fund. A "Multi-Manager Information Statement" will meet the requirements of Regulation 14C, Schedule 14C and Item 22 of Schedule 14A under the 1934 Act for an information statement, except as modified by the requested order to permit Aggregate Fee Disclosure. Multi-Manager Information Statements will be filed with the Commission via the EDGAR system.

¹⁰ In addition, Applicants represent that whenever a new Sub-Adviser is retained, an existing Sub-Adviser is terminated, or a Sub-Advisory Agreement is materially amended, the Sub-Advised Fund's prospectus and statement of additional information will be supplemented promptly pursuant to Rule 497(e) under the Securities Act of 1933.

voted upon to include the "rate of compensation of the investment adviser," the "aggregate amount of the investment adviser's fee," a description of the "terms of the contract to be acted upon," and, if a change in the advisory fee is proposed, the existing and proposed fees and the difference between the two fees.

11. Regulation S-X sets forth the requirements for financial statements required to be included as part of a registered investment company's registration statement and shareholder reports filed with the Commission. Sections 6-07(2)(a), (b), and (c) of Regulation S-X require a registered investment company to include in its financial statements information about investment advisory fees.

12. Section 6(c) of the Act provides that the Commission may exempt any person, security, or transaction or any class or classes of persons, securities, or transactions from any provisions of the Act, or any rule thereunder, if such exemption is necessary or appropriate in the public interest and consistent with the protection of investors and the purposes fairly intended by the policy and provisions of the Act. Applicants state that the requested relief meets this standard for the reasons discussed below.

IV. Arguments in Support of the Requested Relief

13. Applicants assert that, from the perspective of the shareholder, the role of the Sub-Advisers is substantially equivalent to the limited role of the individual portfolio managers employed by an investment adviser to a traditional investment company. Applicants also assert that the shareholders expect the Adviser, subject to review and approval of the Board, to select a Sub-Adviser who is in the best position to achieve the Sub-Advised Fund's investment objective. Applicants believe that permitting the Adviser to perform the duties for which the shareholders of the Sub-Advised Fund are paying the Adviser—the selection, oversight and evaluation of the Sub-Adviser—without incurring unnecessary delays or expenses of convening special meetings of shareholders is appropriate and in the interest of the Fund's shareholders, and will allow such Fund to operate more efficiently. Applicants state that each Investment Advisory Agreement will continue to be fully subject to Section 15(a) of the Act and approved by the relevant Board, including a majority of the Independent Trustees, in the manner required by Section 15(a) and 15(c) of the Act.

14. Applicants submit that the requested relief meets the standards for relief under Section 6(c) of the Act. Applicants state that the operation of the Sub-Advised Fund in the manner described in the application must be approved by shareholders of that Fund before it may rely on the requested relief. Applicants also state that the proposed conditions to the requested relief are designed to address any potential conflicts of interest or economic incentives, and provide that shareholders are informed when new Sub-Advisers are hired.

15. Applicants contend that, in the circumstances described in the application, a proxy solicitation to approve the appointment of new Sub-Advisers provides no more meaningful information to shareholders than the proposed Multi-Manager Information Statement. Applicants state that, accordingly, they believe the requested relief is necessary or appropriate in the public interest, and consistent with the protection of investors and the purposes fairly intended by the policy and provisions of the Act.

16. With respect to the relief permitting Aggregate Fee Disclosure, Applicants assert that disclosure of the individual fees paid to the Sub-Advisers does not serve any meaningful purpose. Applicants contend that the primary reasons for requiring disclosure of individual fees paid to Sub-Advisers are to inform shareholders of expenses to be charged by a particular Sub-Advised Fund and to enable shareholders to compare the fees to those of other comparable investment companies. Applicants believe that the requested relief satisfies these objectives because the Sub-Advised Fund's overall advisory fee will be fully disclosed and, therefore, shareholders will know what the Sub-Advised Fund's fees and expenses are and will be able to compare the advisory fees a Sub-Advised Fund is charged to those of other investment companies. In addition, Applicants assert that the requested relief would benefit shareholders of the Sub-Advised Fund because it would improve the Adviser's ability to negotiate the fees paid to Sub-Advisers. In particular, Applicants state that if the Adviser is not required to disclose the Sub-Advisers' fees to the public, the Adviser may be able to negotiate rates that are below a Sub-Adviser's "posted" amounts as the rate would not be disclosed to the Sub-Adviser's other clients. Applicants assert that the relief will also encourage Sub-Advisers to negotiate lower sub-advisory fees with the Adviser if the

lower fees are not required to be made public.

V. Relief for Affiliated Sub-Advisers

17. The Commission has granted the requested relief with respect to Wholly-Owned and Non-Affiliated Sub-Advisers through numerous exemptive orders. The Commission also has extended the requested relief to Affiliated Sub-Advisers.¹¹ Applicants state that although the Adviser's judgment in recommending a Sub-Adviser can be affected by certain conflicts, they do not warrant denying the extension of the requested relief to Affiliated Sub-Advisers. Specifically, the Adviser faces those conflicts in allocating fund assets between itself and a Sub-Adviser, and across Sub-Advisers, as it has an interest in considering the benefit it will receive, directly or indirectly, from the fee the Sub-Advised Fund pays for the management of those assets. Applicants also state that to the extent the Adviser has a conflict of interest with respect to the selection of an Affiliated Sub-Adviser, the proposed conditions are protective of shareholder interests by ensuring the Board's independence and providing the Board with the appropriate resources and information to monitor and address conflicts.

18. With respect to the relief permitting Aggregate Fee Disclosure, Applicants assert that it is appropriate to disclose only aggregate fees paid to Affiliated Sub-Advisers for the same reasons that similar relief has been granted previously with respect to Wholly-Owned and Non-Affiliated Sub-Advisers.

VI. Applicants' Conditions

Applicants agree that any order granting the requested relief will be subject to the following conditions:

1. Before a Sub-Advised Fund may rely on the order requested in the application, the operation of the Sub-Advised Fund in the manner described in the application will be, or has been, approved by a majority of the Sub-Advised Fund's outstanding voting securities as defined in the Act, or, in the case of a Sub-Advised Fund whose public shareholders purchase shares on the basis of a prospectus containing the disclosure contemplated by condition 2 below, by the initial shareholder before such Sub-Advised Fund's shares are offered to the public.

2. The prospectus for each Sub-Advised Fund will disclose the

existence, substance and effect of any order granted pursuant to the application. In addition, each Sub-Advised Fund will hold itself out to the public as employing the multi-manager structure described in the application. The prospectus will prominently disclose that the Adviser has the ultimate responsibility, subject to oversight by the Board, to oversee the Sub-Advisers and recommend their hiring, termination, and replacement.

3. The Adviser will provide general management services to each Sub-Advised Fund, including overall supervisory responsibility for the general management and investment of the Sub-Advised Fund's assets, and subject to review and oversight of the Board, will (i) set the Sub-Advised Fund's overall investment strategies, (ii) evaluate, select, and recommend Sub-Advisers for all or a portion of the Sub-Advised Fund's assets, (iii) allocate and, when appropriate, reallocate the Sub-Advised Fund's assets among Sub-Advisers, (iv) monitor and evaluate the Sub-Advisers' performance, and (v) implement procedures reasonably designed to ensure that Sub-Advisers comply with the Sub-Advised Fund's investment objective, policies and restrictions.

4. Sub-Advised Funds will inform shareholders of the hiring of a new Sub-Adviser within 90 days after the hiring of the new Sub-Adviser pursuant to the Modified Notice and Access Procedures.

5. At all times, at least a majority of the Board will be Independent Trustees, and the selection and nomination of new or additional Independent Trustees will be placed within the discretion of the then-existing Independent Trustees.

6. Independent Legal Counsel, as defined in Rule 0-1(a)(6) under the Act, will be engaged to represent the Independent Trustees. The selection of such counsel will be within the discretion of the then-existing Independent Trustees.

7. Whenever a Sub-Adviser is hired or terminated, the Adviser will provide the Board with information showing the expected impact on the profitability of the Adviser.

8. The Board must evaluate any material conflicts that may be present in a sub-advisory arrangement. Specifically, whenever a sub-adviser change is proposed for a Sub-Advised Fund ("Sub-Adviser Change") or the Board considers an existing Sub-Advisory Agreement as part of its annual review process ("Sub-Adviser Review"):

(a) the Adviser will provide the Board, to the extent not already being provided pursuant to Section 15(c) of

¹¹ *Carillon Series Trust, et al.*, Investment Co. Act Rel. Nos. 33464 (May 2, 2019) (notice) and 33494 (May 29, 2019) (order).

the Act, with all relevant information concerning:

(i) any material interest in the proposed new Sub-Adviser, in the case of a Sub-Adviser Change, or the Sub-Adviser in the case of a Sub-Adviser Review, held directly or indirectly by the Adviser or a parent or sister company of the Adviser, and any material impact the proposed Sub-Advisory Agreement may have on that interest;

(ii) any arrangement or understanding in which the Adviser or any parent or sister company of the Adviser is a participant that (A) may have had a material effect on the proposed Sub-Adviser Change or Sub-Adviser Review, or (B) may be materially affected by the proposed Sub-Adviser Change or Sub-Adviser Review;

(iii) any material interest in a Sub-Adviser held directly or indirectly by an officer or Trustee of the Sub-Advised Fund, or an officer or board member of the Adviser (other than through a pooled investment vehicle not controlled by such person); and

(iv) any other information that may be relevant to the Board in evaluating any potential material conflicts of interest in the proposed Sub-Adviser Change or Sub-Adviser Review.

(b) the Board, including a majority of the Independent Trustees, will make a separate finding, reflected in the Board minutes, that the Sub-Adviser Change or continuation after Sub-Adviser Review is in the best interests of the Sub-Advised Fund and its shareholders and, based on the information provided to the Board, does not involve a conflict of interest from which the Adviser, a Sub-Adviser, any officer or Trustee of the Sub-Advised Fund, or any officer or board member of the Adviser derives an inappropriate advantage.

9. Each Sub-Advised Fund will disclose in its registration statement the Aggregate Fee Disclosure.

10. In the event that the Commission adopts a rule under the Act providing substantially similar relief to that in the order requested in the application, the requested order will expire on the effective date of that rule.

11. Any new Sub-Advisory Agreement or any amendment to an existing Investment Advisory Agreement or Sub-Advisory Agreement that directly or indirectly results in an increase in the aggregate advisory fee rate payable by the Sub-Advised Fund will be submitted to the Sub-Advised Fund's shareholders for approval.

For the Commission, by the Division of Investment Management, under delegated authority.

A. Self-Regulatory Organization's Statement of the Purpose of, and the Statutory Basis for, the Proposed Rule Change

1. Purpose

The Exchange proposes to amend its Price List to (1) extend a fee waiver for new firm application fees for applicants seeking only to obtain a BTL for 2021; and (2) waive the BTL fee for 2021.⁴ The Exchange proposes to implement the fee changes effective January 4, 2021.

The Exchange currently charges a New Firm Fee ranging from \$2,500 to \$20,000, depending on the type of firm, which is charged per application for any broker-dealer that applies to be approved as an Exchange member organization.
