SECURITIES AND EXCHANGE COMMISSION

[Release No. 34-90891; File No. SR-NYSE-2021-03]

Self-Regulatory Organizations; New York Stock Exchange LLC; Notice of Filing and Immediate Effectiveness of Proposed Rule Change To Amend its Price List To Extend a Waiver of New Firm Application Fees for Certain Applications and of Bond Trading License Fees

January 11, 2021.

Pursuant to Section 19(b)(1)¹ of the Securities Exchange Act of 1934 (the "Act")² and Rule 19b-4 thereunder,³ notice is hereby given that, on January 4, 2021, New York Stock Exchange LLC ("NYSE" or the "Exchange") filed with the Securities and Exchange Commission (the "Commission") the proposed rule change as described in Items I, II, and III below, which Items have been prepared by the Exchange. The Commission is publishing this notice to solicit comments on the proposed rule change from interested persons.

I. Self-Regulatory Organization's Statement of the Terms of Substance of the Proposed Rule Change

The Exchange proposes to amend its Price List to (1) extend a fee waiver for new firm application fees for applicants seeking only to obtain a bond trading license ("BTL") for 2021; and (2) waive the BTL fee for 2021. The Exchange proposes to implement the fee changes effective January 4, 2021. The proposed rule change is available on the Exchange's website at www.nyse.com, at the principal office of the Exchange, and at the Commission's Public Reference Room.

II. Self-Regulatory Organization's Statement of the Purpose of, and Statutory Basis for, the Proposed Rule Change

In its filing with the Commission, the self-regulatory organization included statements concerning the purpose of, and basis for, the proposed rule change

and discussed any comments it received on the proposed rule change. The text of those statements may be examined at the places specified in Item IV below. The Exchange has prepared summaries, set forth in sections A, B, and C below, of the most significant parts of such statements.

A. Self-Regulatory Organization's Statement of the Purpose of, and the Statutory Basis for, the Proposed Rule Change

1. Purpose

The Exchange proposes to amend its Price List to (1) extend a fee waiver for new firm application fees for applicants seeking only to obtain a BTL for 2021; and (2) waive the BTL fee for 2021.⁴ The Exchange proposes to implement the fee changes effective January 4, 2021.

The Exchange currently charges a New Firm Fee ranging from \$2,500 to \$20,000, depending on the type of firm, which is charged per application for any broker-dealer that applies to be approved as an Exchange member organization. The Exchange proposes to amend the Price List to waive the New Firm Fee for 2021 for new member organization applicants that are seeking only to obtain a BTL and not trade equities at the Exchange. The proposed waiver of the New Firm Fee would be available only to applicants seeking approval as a new member organization, including carrying firms, introducing firms, or non-public organizations, which would be seeking to obtain a BTL at the Exchange and not trade equities. Further, if a new firm that is approved as a member organization and has had the New Firm Fee waived converts a BTL to a full trading license within one year of approval, the New Firm Fee would be charged in full retroactively. The Exchange believes that charging the New Firm Fee retroactively within a year of approval is appropriate because it would discourage applicants to claim that they are applying for a BTL solely to avoid New Firm Fees.

Additionally, the Exchange currently charges a BTL fee of \$1,000 per year. The Exchange proposes to amend the

⁴ The Exchange initially filed to adopt the fee waiver and waive the BTL fee in 2015. See Securities Exchange Act Release No. 74031 (January 12, 2015), 80 FR 2462 (January 16, 2015) (SR-NYSE-2014-78). The Exchange has filed to extend the fee waiver and waive the BTL fee for each calendar year since 2017. See Securities Exchange Act Release Nos. 79710 (December 29, 2016), 82 FR 1395 (January 5, 2017) (SR-NYSE-2016-89); 82418 (December 28, 2017), 83 FR 568 (January 4, 2018) (SR-NYSE-2017-70); 84899 (December 20, 2018), 83 FR 67395 (December 28, 2018) (SR-NYSE-2018-65); and 87952 (January 13, 2020), 85 FR 3089 (January 17, 2020) (SR-NYSE-2019-73).

Price List to waive the BTL fee for 2021 for all member organizations.

The Exchange believes that the proposed fee changes would provide increased incentives for bond trading firms that are not currently Exchange member organizations to apply for Exchange membership and a BTL. The Exchange believes that having more member organizations trading on the Exchange's bond platform would benefit investors through the additional display of liquidity and increased execution opportunities in Exchange-traded bonds at the Exchange.

2. Statutory Basis

The Exchange believes that the proposed rule change is consistent with Section 6(b) of the Act,⁵ in general, and furthers the objectives of Sections 6(b)(4) and 6(b)(5) of the Act,⁶ in particular, because it provides for the equitable allocation of reasonable dues, fees, and other charges among its members, issuers and other persons using its facilities and does not unfairly discriminate between customers, issuers, brokers or dealers.

The Exchange believes that it is reasonable to waive the New Firm Fee and the annual BTL fee for 2021 to provide an incentive for bond trading firms to apply for Exchange membership and a BTL. The Exchange believes that providing an incentive for bond trading firms that are not currently Exchange member organizations to apply for membership and a BTL would encourage market participants to become members of the Exchange and bring additional liquidity to a transparent bond market. To the extent the existing New Firm Fees or the BTL fee serves as a disincentive for bond trading firms to become Exchange member organizations, the Exchange believes that the proposed fee change could expand the number of firms eligible to trade bonds on the Exchange. The Exchange believes creating incentives for bond trading firms to trade bonds on the Exchange protects investors and the public interest by increasing the competition and liquidity on a transparent market for bond trading. The proposed waiver of the New Firm Fee and BTL fee is equitable and not unfairly discriminatory because it would be offered to all market participants that wish to trade at the Exchange the narrower class of debt securities only.

B. Self-Regulatory Organization's Statement on Burden on Competition

In accordance with Section 6(b)(8) of the Act,⁷ the Exchange believes that the proposed rule change would not impose any burden on competition that is not necessary or appropriate in furtherance of the purposes of the Act. Debt securities typically trade in a decentralized over-the-counter ("OTC") dealer market that is less liquid and transparent than the equities markets. The Exchange believes that the proposed change would increase competition with these OTC venues by reducing the cost of being approved as and operating as an Exchange member organization that solely trades bonds at the Exchange, which the Exchange believes will enhance market quality through the additional display of liquidity and increased execution opportunities in Exchange-traded bonds at the Exchange.

The Exchange notes that it operates in a highly competitive market in which market participants can readily favor competing venues that are not transparent. In such an environment, the Exchange must continually review, and consider adjusting its fees and rebates to remain competitive with other exchanges as well as with alternative trading systems and other venues that are not required to comply with the statutory standards applicable to exchanges. Because competitors are free to modify their own fees and credits in response, and because market participants may readily adjust their order routing practices, the Exchange believes that the degree to which fee changes in this market may impose any burden on competition is extremely limited. As a result of all of these considerations, the Exchange does not believe that the proposed change will impair the ability of member organizations or competing order execution venues to maintain their competitive standing in the financial markets.

C. Self-Regulatory Organization's Statement on Comments on the Proposed Rule Change Received From Members, Participants, or Others

No written comments were solicited or received with respect to the proposed rule change.

III. Date of Effectiveness of the Proposed Rule Change and Timing for Commission Action

The foregoing rule change is effective upon filing pursuant to Section

19(b)(3)(A)⁸ of the Act and subparagraph (f)(2) of Rule 19b-4⁹ thereunder, because it establishes a due, fee, or other charge imposed by the Exchange.

At any time within 60 days of the filing of such proposed rule change, the Commission summarily may temporarily suspend such rule change if it appears to the Commission that such action is necessary or appropriate in the public interest, for the protection of investors, or otherwise in furtherance of the purposes of the Act. If the Commission takes such action, the Commission shall institute proceedings under Section 19(b)(2)(B)¹⁰ of the Act to determine whether the proposed rule change should be approved or disapproved.

SECURITIES AND EXCHANGE COMMISSION

[Release No. 34-90900; File No. SR-CboeEDGA-2020-032]

Self-Regulatory Organizations; Cboe EDGA Exchange, Inc.; Notice of Filing and Immediate Effectiveness of a Proposed Rule Change To Establish a Policy Relating to Billing Errors

January 11, 2021.

Pursuant to Section 19(b)(1) of the Securities Exchange Act of 1934 (the "Act"),¹ and Rule 19b-4 thereunder,² notice is hereby given that on December 31, 2020, Cboe EDGA Exchange, Inc. (the "Exchange" or "EDGA") filed with the Securities and Exchange Commission (the "Commission") the proposed rule change as described in Items I and II below, which Items have been prepared by the Exchange. The Exchange filed the proposal as a "non-controversial" proposed rule change pursuant to Section 19(b)(3)(A)(iii) of the Act³ and Rule 19b-4(f)(6) thereunder.⁴ The Commission is publishing this notice to solicit comments on the proposed rule change from interested persons.

I. Self-Regulatory Organization's Statement of the Terms of Substance of the Proposed Rule Change

The Exchange proposes to amend its fees schedule to adopt a provision relating to billing errors and fee disputes.

The text of the proposed rule change is also available on the Exchange's website (http://markets.cboe.com/us/equities/regulation/rule_filings/edga/), at the Exchange's Office of the Secretary, and at the Commission's Public Reference Room.

II. Self-Regulatory Organization's Statement of the Purpose of, and Statutory Basis for, the Proposed Rule Change

In its filing with the Commission, the Exchange included statements concerning the purpose of and basis for the proposed rule change and discussed any comments it received on the proposed rule change. The text of these statements may be examined at the places specified in Item IV below. The Exchange has prepared summaries, set forth in sections A, B, and C below, of the most significant aspects of such statements.

A. Self-Regulatory Organization's Statement of the Purpose of, and Statutory Basis for, the Proposed Rule Change

1. Purpose

The Exchange proposes to amend its fees schedule to adopt a provision relating to billing errors and fee disputes. Particularly, the Exchange proposes to provide that after three calendar months, all fees and rebates assessed by the Exchange would be considered final. More specifically, the Exchange would adopt language in the fees schedule that would provide that all fees and rebates assessed prior to the three full calendar months before the month in which the Exchange becomes aware of a billing error shall be considered final. Particularly, the Exchange will resolve an error by crediting or debiting Members and Non-Members based on the fees or rebates that should have been applied in the three full calendar months preceding the month in which the Exchange became aware of the error, including to all impacted transactions that occurred during those months.⁵ The Exchange

will apply the three month look back regardless of whether the error was discovered by the Exchange or by a Member or Non-Member that submitted a fee dispute to the Exchange. The Exchange also proposes to provide all disputes concerning fees and rebates assessed by the Exchange would have to be submitted to the Exchange in writing and accompanied by supporting documentation.

The purpose of the proposed change is to encourage Members and Non-Members to promptly review their Exchange invoices so that any disputed charges can be addressed in a timely manner. The Exchange notes that it provides Members with both daily and monthly fee reports and thus believes they should be aware of any potential billing errors within three months. Requiring that Members and Non-Members submit disputes in writing and provide supporting documentation encourages them to promptly review their invoices so that any disputed charges can be addressed in a timely manner while the information and data underlying those charges (e.g., applicable fees and order information) is still easily and readily available. This practice will avoid issues that may arise when Members or Non-Members do not dispute an invoice in a timely manner and will conserve Exchange resources that would have to be expended to resolve untimely billing disputes. As such, the proposed rule change would alleviate administrative burdens related to billing disputes, which could divert staff resources away from the Exchange's regulatory and business purposes. The proposed rule change to provide all fees and rebates are final after three calendar months also provides both the Exchange and Members and Non-Members finality and the ability to close their books after a known period of time.

The Exchange notes that a number of exchanges have explicitly stated that they consider all fees to be final after a similar period of time.⁶ Additionally, several other exchanges have adopted similar provisions in their rules that provide for a process for Members and

it bills in arrears, the Exchange would be able to correct the error in advance of issuing the January 2021 invoice and therefore, transactions impacted through the date of discovery (in this example, January 4, 2021) and thereafter, would be billed correctly.

⁶ See e.g. Securities Exchange Act Release No. 87650 (December 3, 2019), 84 FR 67304 (December 9, 2019) (SR-NYSECHX-2019-024); Securities Exchange Act Release No. 84430 (October 16, 2018), 83 FR 53347 (October 22, 2018) (SR-NYSESTAT-2018-23); and Securities Exchange Act Release No. 79060 (October 6, 2016), 81 FR 70716 (October 13, 2016) (SR-ISEGemini-2016-11).

⁵ For example, if the Exchange becomes aware of a transaction fee billing error on January 4, 2021, the Exchange will resolve the error by crediting or debiting Members based on the fees or rebates that should have been applied to any impacted transactions during October, November and December 2020. The Exchange notes that because
