

three MTW PHAs pursuant to the 2010 Congressional requirements.

A Standard MTW Agreement (Standard Agreement) was developed in 2007 and was transmitted to the MTW PHAs, in January 2008. As additional MTW PHAs were selected, they too were provided with the Standard Agreement. As established by the Consolidated Appropriations Act, 2016, all 39 legacy MTW PHAs continue to operate under the Standard Agreement, which was extended to 2028.

MTW agencies have the flexibility to apply fungibility across three core funding programs' funding streams—public housing Operating Funds, public housing Capital Funds, and HCV assistance (to include both HAP and Administrative Fees)—hereinafter referred to as “MTW Funding.” Also, the 39 legacy MTW PHAs are required to submit an MTW Annual Plan and an MTW Annual Report in accordance with their MTW Agreement, in lieu of the regular PHA annual and 5-year plans.

Through the MTW Annual Plan and Report, each legacy MTW PHA will inform HUD, its residents and the public of the PHA's mission and strategy for serving the needs of low-income and very low-income families. The Annual MTW Plan, like the PHA Annual Plan, provides an easily identifiable source by which residents, participants in tenant-based programs, and other members of the public may locate policies, rules, and requirements concerning the PHA's operations, programs, and services. Revisions are being made to this Form 50900 to improve its usability and to address minor issues identified by HUD and the 39 legacy MTW PHAs over time, including the following:

1. Simplification of information submitted annually by the PHA.
2. Clarification and reimagining of the information to be reported, annually, that will lead to the ability to “tell the story” of the Moving to Work demonstration as a whole.
3. Addition of language regarding unspent Operating and Voucher Reserves to increase the transparency locally and the planned use of the funds.
4. Support and increase local communities' knowledge and understanding of the MTW Program by requiring the inclusion of the PHA's Hardship Policy as an appendix to the MTW Annual Plan.

This proposed information collection was previously published in the **Federal Register** on October 9, 2020 (FR 7028–N–06) and allowed 60-days for public comment. The purpose of this 30-day

notice is to respond to public comments received during the 60-day public comment period on Form 50900 and to allow for the 30-day public comment period for same, Form 50900.

Respondents (i.e. affected public): The respondents to this PRA are the 39 legacy Public Housing Authorities (PHAs) that had MTW designation as of December 15, 2015.

Estimated Number of Respondents: 39.

Estimated Number of Responses: There are 78 submissions per year, reflecting the 39 PHAs. Each submission is comprised of 7 sections each requiring a response. All 7 sections are completed with the first annual submission (Plan), and 5 of the 7 sections are completed with the second annual submission (Report). This results in a total of 2 submissions per PHA, across all 39 affected PHAs or 78 total responses, that include 468 sections.

Average Hours per Response: 60 hours.

Total Estimated Burdens: \$261,799.20.

The HUD–50900 has been updated to reflect the public comments received during the 60-day **Federal Register**

MTW PHAs hardship policy and the inclusion of additional financial information for programmatic reporting purposes. A copy of the revised draft HUD–50900 can be obtained per the information provided earlier in this notice under “For further information.”
