SUPPLEMENTARY INFORMATION:

A. Purpose

This information collection requirement, OMB Control No. 3090–0293, currently titled “Reporting and Use of Information Concerning Integrity and Performance of Recipients of Grants and Cooperative Agreements” is necessary in order to comply with section 872 of the Duncan Hunter National Defense Authorization Act of 2009, Public Law 110–417, as amended by Public Law 111–212, hereafter referred to as “the Act.” The Duncan Hunter National Defense Authorization Act of 2009 (Pub. L. 110–417) was enacted on October 14, 2008. Section 872 of this Act required the development and maintenance of an information system that contains specific information on the integrity and performance of covered Federal agency contractors and grantees.

The Federal Awardee Performance and Integrity Information System (FAPIIS) was developed to address these requirements. FAPIIS provides users access to integrity and performance information from the FAPIIS reporting module in the Contractor Performance Assessment Reporting System (CPARS), proceedings information from the Entity Management section of the System for Award Management (SAM) database, and suspension/debarment information
