SUPPLEMENTARY INFORMATION: Interested persons are invited to send comments regarding this burden estimate or any other aspect of this collection of information, including any of the following subjects: (1) The necessity and utility of the proposed information collection for the proper performance of the agency’s functions; (2) the accuracy of the estimated burden; (3) ways to enhance the quality, utility, and clarity of the information to be collected; and

(4) the use of automated collection techniques or other forms of information technology to minimize the information collection burden.

Title of the Collection: Incident Report Form.

Type of Collection: New.

OMB No. 0990–NEW—Office of the Assistant Secretary for Health, Office for Human Research Protections.

Abstract: The Office of the Assistant Secretary for Health, Office for Human Research Protections is requesting approval for three years of a new information collection on the OHRP Incident Report Form. This form will facilitate prompt reporting of specific human subject protection incidents to OHRP by organizations and institutions conducting or reviewing human subjects research, and will provide a simplified standardized format for the reports. The information collected on the form will help OHRP to ensure the safety of human research subjects involved in non-exempt HHS-conducted or -supported research and to ensure that the research is conducted in accordance with the HHS Protection of Human Subjects regulations at 45 CFR part 46.

Likely Respondents: Institutions or organizations conducting non-exempt HHS-conducted or -supported human subjects research.
