

each importer and dividing each of these amounts by the total sales quantity associated with those sales.

In accordance with Commerce's "automatic assessment" practice, for entries of subject merchandise during the POR produced by Shin Yang for which the company did not know that the merchandise was destined for the United States, we will instruct CBP to liquidate those entries at the all-others rate if there is no rate for the intermediate company involved in the transaction. Commerce intends to issue assessment instructions to CBP 15 days after the date of publication of the final results of this review in the **Federal Register**.

Cash Deposit Requirements

The following cash deposit requirements will be effective upon publication of the notice of the final results of this administrative review for all shipments of subject merchandise entered, or withdrawn from warehouse, for consumption on or after the publication date of the final results, as provided by section 751(a)(2)(C) of the Act: (1) The cash deposit rate for Shin Yang will be equal to the rate established in the final results of this administrative review; (2) for merchandise exported by producers and/or exporters not covered in this review, but covered in a prior segment of this proceeding, the cash deposit rate will continue to be the company-specific rate published for the most recently-completed segment in which the company was reviewed; (3) if the exporter is not a firm covered in this review, a prior review, or the original less-than-fair-value (LTFV) investigation, but the producer is, then the cash deposit rate will be the rate established for the most recently-completed segment of this proceeding for the producer of the subject merchandise; and (4) the cash deposit rate for all other producers or exporters will continue to be 9.70 percent, the all-others rate established in the LTFV investigation.⁸ These cash deposit requirements, when imposed, shall remain in effect until further notice.

Notification to Importers

This notice serves as a final reminder to importers of their responsibility under 19 CFR 351.402(f)(2) to file a certificate regarding the reimbursement of antidumping duties prior to liquidation of the relevant entries during this review period. Failure to

comply with this requirement could result in Commerce's presumption that reimbursement of antidumping duties occurred and the subsequent assessment of double antidumping duties.

Administrative Protective Order

This notice also serves as the only reminder to parties subject to administrative protective order (APO) of their responsibility concerning the return or destruction of proprietary information disclosed under APO in accordance with 19 CFR 351.305(a)(3), which continues to govern business proprietary information in this segment of the proceeding. Timely written notification of the return or destruction of APO materials or conversion to judicial protective order is hereby requested. Failure to comply with the regulations and the terms of an APO is a violation subject to sanction.

Notification to Interested Parties

We are issuing and publishing these final results in accordance with sections 751(a)(1) and 777(i) of the Act and 19 CFR 351.213(h).

Dated: January 12, 2021.

Jeffrey I. Kessler,

Assistant Secretary for Enforcement and Compliance.

Appendix

List of Topics Discussed in the Issues and Decision Memorandum

- I. Summary
- II. Background
- III. Scope of the Order
- IV. Changes Since the Preliminary Results
- V. Discussion of the Issues
 - Comment 1. Whether to Adjust Shin Yang's Reported Costs for Affiliated Purchases in Accordance with the Major Input Rule
 - Comment 2. Whether to Adjust Shin Yang's Reported General and Administrative Expense Ratio
 - Comment 3. Whether to Deduct Section 232 Duties from Shin Yang's U.S. Sales Price
- VI. Recommendation

BILLING CODE 3510-DS-P

DEPARTMENT OF COMMERCE

National Oceanic and Atmospheric Administration

Hydrographic Services Review Panel Meeting for March 3-4, 2021

AGENCY: National Ocean Service (NOS), National Oceanic and Atmospheric Administration (NOAA), Department of Commerce.

ACTION: Announcement for open public meeting and notice of request for public comments.

SUMMARY: This serves as notice of a virtual public meeting for the NOAA Hydrographic Services Review Panel (HSRP) on March 3, 2021, 12:45-5:30 p.m. EST, and March 4, 2021, 1-5 p.m. EST via webinar. The HSRP agenda will be posted in advance on the website. Individuals or groups who want to comment on NOAA navigation services topics are encouraged to submit advance public comments and letters via email or via the question function in the webinar.

DATES:

NOAA HSRP public virtual meeting will meet via webinar as follows:

1. March 3, 2021, 12:45-5:30 p.m., EST.
2. March 4, 2021, 1-5 p.m. EST.

ADDRESSES: You may submit public comments identified by "March 2021 HSRP meeting public comments" in the subject line of the message in advance of the meeting or request to be added to the meeting announcements list by sending an email request to: Virginia.Dentler@noaa.gov, and hydroservices.panel@noaa.gov.

FOR FURTHER INFORMATION CONTACT: Lynne Mersfelder-Lewis, HSRP program manager, Office of Coast Survey, NOS, NOAA, email: hydroservices.panel@noaa.gov, Lynne.Mersfelder@noaa.gov, and phone 240-533-0064.

SUPPLEMENTARY INFORMATION:

Advance registration is required for the webinar at: <https://register.gotowebinar.com/register/6060715212000442635>. The agenda, speakers and time are subject to change, please refer to the website for the most updated information. The HSRP meeting agenda, draft meeting documents, presentations, and background materials are posted and updated online and can be downloaded prior to the meeting at: <https://www.nauticalcharts.noaa.gov/hsrp/hsrp.html> and <https://www.nauticalcharts.noaa.gov/hsrp/meetings.html>.

Past HSRP recommendation letters, issue and position papers are located online at: <https://www.nauticalcharts.noaa.gov/hsrp/recommendations.html>.

Public comments are encouraged and requested on the navigation services portfolio for CO-OPS, NGS and OCS. Advance written statements will be shared with the HSRP members and will be included in the meeting public record. Due to the condensed nature of the meeting, each individual or group

⁸ See *Certain Circular Welded Carbon Steel Pipes and Tubes from Taiwan: Antidumping Duty Order*, 49 FR 19369 (May 7, 1984).

providing written public comments will be limited to one comment per public comment period with no repetition of previous comments. Comments can also be submitted in writing during the public comment period through the webinar. Comments will be read into the record, transcribed, and become part of the meeting record. Due to time meeting constraints, all comments may not be addressed during the meeting.

The Hydrographic Services Review Panel (HSRP) is a Federal Advisory Committee established to advise the Under Secretary of Commerce for Oceans and Atmosphere, the NOAA Administrator, on matters related to the responsibilities and authorities set forth in section 303 of the Hydrographic Services Improvement Act of 1998, as amended, and such other appropriate matters that the Under Secretary refers to the Panel for review and advice.

Matters To Be Considered

The panel is convening on issues relevant to NOAA's navigation services, including stakeholder use of navigation services data, products and services, and other topics related to hydrographic surveys, nautical charting, the ongoing National Spatial Reference System (NSRS) modernization including changes to flood plain management, navigation services contributions to resilience and coastal data and information systems, coastal and ocean modeling, PORTS® (Physical Oceanographic Real-Time System) sensor enhancements and expansion, the projects of the NOAA-University of New Hampshire Joint Hydrographic Center Cooperative Agreement, the new NOAA five-year cooperative agreement with the University of Southern Florida to launch the Center for Ocean Mapping and Innovative Technologies (COMIT), updates on legislative and budget priorities, and other topics. Navigation services include the data, products, and services provided by the NOAA programs and activities that undertake geodetic observations, gravity modeling, coastal and shoreline mapping, bathymetric mapping and modeling, hydrographic surveying, nautical charting, tide and water level observations, current observations, flooding, resilience, inundation and sea level rise, marine and coastal modeling, geospatial and LIDAR data, and related topics. This suite of NOAA products and services support safe and efficient navigation, resilient coasts and communities, and the nationwide positioning information infrastructure to support America's climate needs and commerce. The Panel will hear about the missions and uses of NOAA's

navigation services, the value these services bring, and what improvements could be made. Other matters may be considered.

Special Accommodations

This meeting is physically accessible to people with disabilities and there will be sign language interpretation and captioning services. Please direct requests for other auxiliary aids to *Melanie.Colantuno@noaa.gov* at least 10 business days in advance of the meeting.

Kathryn Ries,

*Deputy Director, Office of Coast Survey,
National Ocean Service, National Oceanic
and Atmospheric Administration.*

BILLING CODE 3510-JE-P

COMMODITY FUTURES TRADING COMMISSION

Fees for Reviews of the Rule Enforcement Programs of Designated Contract Markets and Registered Futures Associations

AGENCY: Commodity Futures Trading Commission.

ACTION: Notice of 2020 schedule of fees.

SUMMARY: The Commodity Futures Trading Commission ("CFTC" or "Commission") charges fees to designated contract markets and registered futures associations to recover the costs incurred by the Commission in the operation of its program of oversight of self-regulatory organization rule enforcement programs, specifically National Futures Association ("NFA"), a registered futures association, and the designated contract markets. Fees collected from each self-regulatory organization are deposited in the Treasury of the United States as miscellaneous receipts. The calculation of the fee amounts charged for 2020 by this notice is based upon an average of actual program costs incurred during fiscal year ("FY") 2017, FY 2018, and FY 2019.

DATES: Each self-regulatory organization is required to remit electronically the applicable fee on or before March 22, 2021.

FOR FURTHER INFORMATION CONTACT:

Anthony C. Thompson, Executive Director and Chief Administrative Officer, Commodity Futures Trading Commission; (202) 418-5697; Three Lafayette Centre, 1155 21st Street NW, Washington, DC 20581. For information on electronic payment, contact Jennifer Fleming; (202) 418-5034; Three

Lafayette Centre, 1155 21st Street NW, Washington, DC 20581.

SUPPLEMENTARY INFORMATION:

I. Background Information

A. General

This notice relates to fees for the Commission's review of the rule enforcement programs at the registered futures associations¹ and designated contract markets ("DCM"), each of which is a self-regulatory organization ("SRO") regulated by the Commission. The Commission recalculates the fees charged each year to cover the costs of operating this Commission program.² The fees are set each year based on direct program costs, plus an overhead factor. The Commission calculates actual costs, then calculates an alternate fee taking volume into account, and then charges the lower of the two.³

B. Overhead Rate

The fees charged by the Commission to the SROs are designed to recover program costs, including direct labor costs and overhead. The overhead rate is calculated by dividing total Commission-wide overhead direct program labor costs into the total amount of the Commission-wide overhead pool. For this purpose, direct program labor costs are the salary costs of personnel working in all Commission programs. Overhead costs generally consist of the following Commission-wide costs: Indirect personnel costs (leave and benefits), rent, communications, contract services, utilities, equipment, and supplies. This formula has resulted in the following overhead rates for the most recent three years (rounded to the nearest whole percent): 169 percent for FY 2017, 182 percent for FY 2018, and 174 percent for FY 2019.

C. Conduct of SRO Rule Enforcement Reviews

Under the formula adopted by the Commission in 1993, the Commission calculates the fee to recover the costs of its rule enforcement reviews and examinations, based on the three-year average of the actual cost of performing such reviews and examinations at each SRO. The cost of operation of the Commission's SRO oversight program varies from SRO to SRO, according to the size and complexity of each SRO's

¹ National Futures Association is the only registered futures association.
