Muscogee (Creek) Nation WHTI-Compliant Native American Tribal Card Program

The Muscogee (Creek) Nation has voluntarily established a program to develop a WHTI-compliant Native American tribal card that denotes identity and U.S. or Canadian citizenship. On March 28, 2016, CBP and the Muscogee (Creek) Nation entered into a Memorandum of Agreement (MOA) to develop, issue, test, and evaluate tribal cards to be used for border crossing purposes. Pursuant to this MOA, the cards are issued to members of the Muscogee (Creek) Nation who can establish identity, tribal membership, and U.S. or Canadian citizenship. The cards incorporate physical security features acceptable to CBP as well as facilitative technology allowing for electronic validation by CBP of identity, citizenship, and tribal membership.⁴

CBP has tested the cards developed by the Muscogee (Creek) Nation pursuant to the above MOA and related agreements, and has performed an audit of the tribe's card program. On the basis of these tests and audit, CBP has determined that the Native American tribal cards meet the requirements of section 7209 of the IRTPA and are acceptable documents to denote identity and citizenship for purposes of entering the United States at land and sea ports of entry from contiguous territory or adjacent islands.⁵ CBP's continued acceptance of the Native American

tribal cards as a WHTI-compliant document is conditional on compliance with the MOA and related agreements.

Acceptance and use of the WHTI-compliant Native American tribal cards is voluntary for tribe members. If an individual is denied a WHTI-compliant Native American tribal card, he or she may still apply for a passport or other WHTI-compliant document.

Designation

This notice announces that the Commissioner of CBP designates the Native American tribal card issued by the Muscogee (Creek) Nation in accordance with the MOA and all related agreements between the tribe and CBP as an acceptable WHTI-compliant document pursuant to section 7209 of the IRTPA and 8 CFR 235.1(e). In accordance with these provisions, the approved card, if valid and lawfully obtained, may be used to denote identity and U.S. or Canadian citizenship of Muscogee (Creek) Nation members for the purposes of entering the United States from contiguous territory or adjacent islands at land and sea ports of entry.

The Senior Official Performing the Duties of the Commissioner Mark A. Morgan, having designated the Native American tribal card issued by the Muscogee (Creek) Nation as an acceptable WHTI-compliant document pursuant to section 7209 of the IRTPA and 8 CFR 235.1(e), and having reviewed and approved this notice, is delegating the authority to electronically sign this notice to Robert F. Altneu, who is the Director of the Regulations and Disclosure Law Division for CBP, for purposes of publication in the **Federal Register**.

Dated: January 15, 2021.
