

publication of this notice, unless otherwise extended.¹⁵

Assessment Rates

Upon completion of the administrative review, Commerce shall determine, and U.S. Customs and Border Protection (CBP) shall assess, antidumping duties on all appropriate entries.¹⁶

Pursuant to 19 CFR 351.212(b)(1), where Maquilacero and Prolamsa reported the entered value of their U.S. sales, we calculated importer-specific *ad valorem* duty assessment rates based on the ratio of the total amount of dumping calculated for the examined sales to the total entered value of the sales for which entered value was reported. Where Prolamsa did not report entered value, we calculated the entered value in order to determine the assessment rate. Where either the respondent's weighted-average dumping margin is zero or *de minimis* within the meaning of 19 CFR 351.106(c)(1), or an importer-specific rate is zero or *de minimis*, we will instruct CBP to liquidate the appropriate entries without regard to antidumping duties.

For the companies which were not selected for individual review, we will assign an assessment rate based on the weighted average¹⁷ of the cash deposit rates calculated for Maquilacero and Prolamsa, excluding any which are zero, *de minimis*, or determined entirely on adverse facts available. The final results of this review shall be the basis for the assessment of antidumping duties on entries of merchandise covered by the final results of this review and for future deposits of estimated duties, where applicable.¹⁸

Commerce's "automatic assessment" practice will apply to entries of subject merchandise during the POR produced by Maquilacero or Prolamsa for which the reviewed companies did not know that the merchandise they sold to the intermediary (*e.g.*, a reseller, trading company, or exporter) was destined for the United States. In such instances, we will instruct CBP to liquidate unreviewed entries at the all-others rate if there is no rate for the intermediate company(ies) involved in the transaction.¹⁹

Commerce intends to issue assessment instructions to CBP no

earlier than 41 days after the date of publication of the final results of this review in the **Federal Register**, in accordance with 19 CFR 356.8(a).

Cash Deposit Requirements

The following deposit requirements will be effective for all shipments of the subject merchandise entered, or withdrawn from warehouse, for consumption on or after the publication date of the final results of this administrative review, as provided by section 751(a)(2)(C) of the Act: (1) The cash deposit rate for the companies listed above will be equal to the weighted-average dumping margin established in the final results of this review, except if the rate is less than 0.50 percent and, therefore, *de minimis* within the meaning of 19 CFR 351.106(c)(1), in which case the cash deposit rate will be zero; (2) for previously reviewed or investigated companies not covered in this review, the cash deposit rate will continue to be the company-specific cash deposit rate published for the most recently completed segment in which the company was reviewed; (3) if the exporter is not a firm covered in this review, a prior review, or the original less-than-fair-value (LTFV) investigation, but the producer is, then the cash deposit rate will be the cash deposit rate established for the most recently completed segment of this proceeding for the producer of the merchandise; and (4) the cash deposit rate for all other producers or exporters will continue to be 4.91 percent, the all-others rate established in the LTFV investigation.²⁰ These deposit requirements, when imposed, shall remain in effect until further notice.

Notification to Importers

This notice also serves as a preliminary reminder to importers of their responsibility under 19 CFR 351.402(f) to file a certificate regarding the reimbursement of antidumping duties prior to liquidation of the relevant entries during this review period. Failure to comply with this requirement could result in Commerce's presumption that reimbursement of antidumping duties occurred and the subsequent assessment of doubled antidumping duties.

Notification to Interested Parties

We are issuing and publishing these results in accordance with sections

751(a)(1) and 777(i)(1) of the Act, and 19 CFR 351.221(b)(4).

Dated: January 15, 2021.

SUPPLEMENTARY INFORMATION:

Background

On November 12, 2019, Commerce published a notice of initiation of an administrative review for the

¹⁵ See section 751(a)(3)(A) of the Act.

¹⁶ See 19 CFR 351.212(b).

¹⁷ This rate was calculated as discussed in footnote 6, above.

countervailing duty (CVD) order¹ on OCTG from Turkey for the period January 1, 2018, through December 31, 2018.² On April 24, 2020, Commerce exercised its discretion to toll all deadlines in administrative reviews by 50 days.³ On June 25, 2020, Commerce extended the deadline for the preliminary results by 120 days.⁴ On July 21, 2020, Commerce tolled all deadlines in preliminary and final results of administrative reviews by an additional 60 days,⁵ thereby extending the deadline for the preliminary results of this administrative review to January 19, 2021.

For a complete description of the events that followed the initiation of this review, see the Preliminary Decision Memorandum, which is hereby adopted by this notice.⁶ A list of topics discussed in the Preliminary Decision Memorandum is included as the appendix to this notice. The Preliminary Decision Memorandum is a public document and is on file electronically via Enforcement and Compliance's Antidumping and Countervailing Duty Centralized Electronic Service System (ACCESS). ACCESS is available to registered users at <http://access.trade.gov>. In addition, a complete version of the Preliminary Decision Memorandum can be accessed directly at <http://enforcement.trade.gov/frn/>. The signed and electronic versions of the Preliminary Decision Memorandum are identical in content.

Scope of the Order

The merchandise covered by the Order is certain OCTG from Turkey. For a complete description of the scope of

the Order, see the Preliminary Decision Memorandum.⁷

Methodology

We are conducting this administrative review in accordance with section 751(a)(1)(A) of the Tariff Act of 1930, as amended (the Act). For each of the subsidy programs found countervailable, we preliminarily find that there is a subsidy, *i.e.*, a financial contribution by an "authority" that gives rise to a benefit to the recipient, and that the subsidy is specific.⁸ For a full description of the methodology underlying our conclusions, see the Preliminary Decision Memorandum.

Partial Rescission of Administrative Review

On October 23, 2019, Cayirova and its affiliated trading company, Yucel, notified Commerce that they had no sales, shipments, or entries of subject merchandise into the United States during the POR, and requested Commerce to rescind the reviews of these companies.⁹ In the respondent selection memorandum, we stated that this notification is consistent with CBP data and that Commerce will rescind the administrative review of Yucel and Cayirova.¹⁰ We received no comments with respect to our intent to rescind on these two companies. Because no evidence on the record contradicts these certifications, we are rescinding the review of the Order with respect to Yucel and Cayirova.

Intent To Rescind Administrative Review, in Part

It is Commerce's practice to rescind an administrative review of a

countervailing duty order, pursuant to 19 CFR 351.213(d)(3), when there are no reviewable entries of subject merchandise during the POR for which liquidation is suspended.¹¹ Normally, upon completion of an administrative review, the suspended entries are liquidated at the countervailing duty assessment rate calculated for the review period.¹² Therefore, for an administrative review of a company to be conducted, there must be a reviewable, suspended entry that Commerce can instruct CBP to liquidate at the calculated countervailing duty assessment rate calculated for the review period.¹³

According to the CBP import data, except for the mandatory respondent and its cross-owned companies, the companies subject to this review did not have reviewable entries of subject merchandise during the POR for which liquidation is suspended. Accordingly, in the absence of reviewable, suspended entries of subject merchandise during the POR, we are rescinding the review with respect to Yucel and Cayirova as explained above, and we intend to rescind this administrative review with respect to five additional companies, in accordance with 19 CFR 351.213(d)(3).¹⁴

Preliminary Results of the Review

We preliminarily determine the following net countervailable subsidy rate for the mandatory respondent, Borusan Mannesmann Boru Sanayi ve Ticaret A.S., for the period January 1, 2018, through December 31, 2018:

Company	Subsidy rate (percent <i>ad valorem</i>)
Borusan Mannesmann Boru Sanayi ve Ticaret A.S., Borusan Istikbal Ticaret, Borusan Lojistik Dag. Deg. Tas Ve, Borusan Mannesmann Boru Yatirim Holding A.Ş., and Borusan Holding A.Ş. ¹⁵	* 0.38

Assessment Rates

Consistent with section 751(a)(1) of the Act and 19 CFR 351.212(b)(2), upon issuance of the final results, Commerce will determine, and U.S. Customs and Border Protection (CBP) shall assess, countervailing duties on all appropriate entries covered by this review. If Borusan continues to have a *de minimis* rate in the final results, Commerce intends to instruct CBP to liquidate shipments of subject merchandise entered, or withdrawn from warehouse, for consumption on or after January 1, 2018 through December 31, 2018, without regard to countervailing duties. Consistent with its recent notice,¹⁵ Commerce intends to issue assessment instructions to CBP no earlier than 35 days after the date of publication of the final results of this review in the **Federal Register**. If a timely summons is filed at the U.S. Court of International Trade, the assessment instructions will direct CBP not to liquidate relevant entries until the time for parties to file a request for a statutory injunction has expired (*i.e.*, within 90 days of publication).

For the companies for which this review is rescinded, Commerce will instruct CBP to assess countervailing duties on all appropriate entries at a rate equal to the cash deposit of estimated countervailing duties required at the time of entry, or withdrawal from warehouse, for consumption, during the period January 1, 2018 through December 31, 2018, in accordance with 19 CFR 351.212(c)(1)(i).

Cash Deposit Requirements

In accordance with section 751(a)(2)(C) of the Act, Commerce also intends to instruct CBP to collect cash deposits of estimated countervailing duties at the rate determined in the final results. If the rate calculated for Borusan in the final results remains *de minimis*, no cash deposit will be required on shipments of the subject merchandise entered or withdrawn from warehouse, for consumption on or after the date of publication of the final results of this review. For all non-reviewed firms, CBP will continue to collect cash deposits at the most recent company-specific or all-others rate applicable to the company,

¹⁵ Commerce has determined that Borusan Mannesmann Boru Sanayi ve Ticaret A.Ş.; Borusan Istikbal Ticaret.; Borusan Lojistik Dag. Deg. Tas Ve; Borusan Mannesmann Boru Yatirim Holding A.Ş.; and Borusan Holding A.Ş. are cross-owned. See Preliminary Decision Memorandum.

as appropriate. These cash deposit requirements, when imposed, shall remain in effect until further notice.

SUPPLEMENTARY INFORMATION:

Background

On November 12, 2019, based on timely requests for review, in accordance with 19 CFR 351.221(c)(1)(i), we initiated an administrative review on heavy walled rectangular welded carbon steel pipes
