

Notice is hereby given that, pursuant to the Paperwork Reduction Act of 1995 (“Paperwork Reduction Act”) (44 U.S.C. 3501–3520), the Securities and Exchange Commission (the “Commission”) has submitted to the Office of Management and Budget (“OMB”) a request for extension of the previously approved collection of information discussed below.

Rule 30b1–8 under the Act [17 CFR 270.30b1–8], entitled “Current Report for Money Market Funds,” provides that every registered open-end management investment company, or series thereof, that is regulated as a money market fund under rule 2a–7 [17 CFR 270.2a–7], that experiences any of the events specified on Form N–CR [17 CFR 274.222], must file with the Commission a current report on Form N–CR within the time period specified in that form. The information collection requirements for rule 30b1–8 and Form N–CR are designed to assist Commission staff in its oversight of money market funds and its ability to respond to market events.

It also provides investors with better and timelier disclosure of potentially important events. Finally, the Commission is able to use the information provided on Form N–CR in its regulatory, disclosure review, inspection, and policymaking roles. The rule imposes a burden per report of approximately 8.5 hours and \$1018.5, so that the total annual burden for the estimated 6 reports filed per year on Form N–CR is 51 hours and \$19,839.

The estimate of average burden hours is made solely for the purposes of the Paperwork Reduction Act. The estimate is based on communications with industry representatives, and is not derived from a comprehensive or even a representative survey or study.

The collection of information on Form N–CR is mandatory for any fund that holds itself out as a money market fund in reliance on rule 2a–7. Responses will not be kept confidential. An agency may not conduct or sponsor, and a person is not required to respond to, a collection of information unless it displays a currently valid OMB control number.
