

Farm Service Agency

Title: County Committee Election.

OMB Control Number: 0560-0229.

Summary of Collection: This information collection is necessary to effectively allow farmers and ranchers to nominate potential candidates using the form FSA-669A for the FSA county committee election in accordance with the requirements as authorized by the Soil Conservation and Domestic Allotment Act, as amended. Specifically, FSA uses the information provided by the nominee annually or, if needed, throughout the year for special elections to create ballots for FSA county committee elections. Elections for FSA county committees are held each year; therefore, nominations for eligible nominees are requested each year. Any individual who meets the qualifications mentioned in form FSA-669A may be nominated by another person or by themselves. The form FSA-669A is used to collect the information for nominations; it requires the name and address of the nominee and the signatures of both the nominee and the person nominating the individual to be a nominee (only one signature is required for self-nominated individuals). Nominee must be eligible to vote in the designated FSA county committee election, eligible to hold the office of FSA county committee member, and willing to serve, if elected. For more information about FSA county committees, including elections, nominations, eligible voters, eligibility, and other related information, see the regulations in 7 CFR part 7. In addition, the form also includes a voluntary request for race, ethnicity, and gender information from the nominee. FSA is also using the form FSA-669A-3, Nomination Form for Urban Agriculture FSA Committee Election, to establish Urban Agriculture FSA County Committees in some cities. Completion of the form is voluntary.

Need and Use of the Information: FSA will collect information on race, ethnicity and gender of each nominee as provided through the voluntary self-identification of each nominee agreeing to run for a position. The information will be sent to FSA (Kansas City) for preparation of the upcoming election. FSA will review the information annually. If the information is not collected in any given year, FSA would not be able to prepare the report as required by the regulations.
