SUPPLEMENTARY INFORMATION:

Background

On September 12, 2017, Commerce published the antidumping duty order on emulsion styrene-butadiene rubber (ESB rubber) from Mexico.¹ On November 12, 2019, in accordance with 19 CFR 351.221(c)(i), Commerce initiated an administrative review of the Order, covering Negromex.² For details regarding the events that followed the initiation of this review, see the Preliminary Decision Memorandum.³

¹ See *Emulsion Styrene-Butadiene Rubber from Brazil, the Republic of Korea, Mexico, and Poland: Antidumping Duty Orders*, 82 FR 42790 (September 12, 2017) (*Order*).

² We note that the initiation notice separately referenced several companies: “Industrias Negromex S.A. de C.V.”; “Negromex S.A. de C.V.”; and “Dynasol, LLC.” See *Initiation of Antidumping and Countervailing Duty Administrative Reviews*, 84 FR 61011 (November 12, 2019). These names all reference Negromex or its affiliated U.S. importer. See Memorandum, “Clarification of Company Name in Review Request,” dated December 4, 2019; accordingly, this review covers one company, Negromex.

³ See Memorandum, “Decision Memorandum for Preliminary Results of Antidumping Duty Administrative Review: Emulsion Styrene-Butadiene Rubber from Mexico; 2018-2019,” dated concurrently with, and hereby adopted by, this notice (Preliminary Decision Memorandum).

On April 24, 2020, Commerce tolled all deadlines in administrative reviews by 50 days.⁴ On July 15, 2020, pursuant to section 751(a)(3)(A) of the Tariff Act of 1930, as amended (the Act), we further extended the deadline for the preliminary results of this review by 120 days.⁵ On July 21, 2020, Commerce tolled deadlines in administrative reviews by an additional 60 days.⁶ The deadline for the preliminary results of this review is now January 19, 2021.

For a full description of the methodology underlying these preliminary results, see the Preliminary Decision Memorandum. Rebuttal briefs, limited to issues raised in the case briefs, may be filed not later than seven days after the date for filing case briefs.⁸ Parties who submit case briefs or rebuttal briefs in this proceeding are encouraged to submit with each argument: (1) A statement of the issue, (2) a brief summary of the argument, and (3) a table of authorities.⁹ Executive summaries should be limited to five pages total, including footnotes. Case and rebuttal briefs should be filed using ACCESS.¹⁰ Note that Commerce has temporarily modified certain of its requirements for serving documents containing business proprietary information, until further notice.¹¹

Pursuant to 19 CFR 351.310(c), interested parties who wish to request a hearing must submit a written request to the Assistant Secretary for Enforcement and Compliance, within 30 days after the date of publication of this notice. Requests should contain the party’s name, address, and telephone number, the number of participants, whether any participant is a foreign national, and a list of the issues to be discussed. If a request for a hearing is made, Commerce will announce the date and time of the hearing. Parties should confirm by telephone the date, time, and location of the hearing two days before the scheduled date.

Assessment Rates

Upon completion of the final results, Commerce shall determine, and U.S. Customs and Border Protection (CBP) shall assess, antidumping duties on all appropriate entries. If Negromex’s weighted-average dumping margin is not zero or *de minimis* (i.e., less than 0.5 percent) in the final results of this review, we will calculate importer-specific *ad valorem* antidumping duty

⁷ See 19 CFR 351.224(b).

⁸ See 19 CFR 351.309(d); see also *Temporary Rule Modifying AD/CVD Service Requirements Due to COVID-19*, 85 FR 17006, 17007 (March 26, 2020) (“To provide adequate time for release of case briefs via ACCESS, E&C intends to schedule the due date for all rebuttal briefs to be 7 days after case briefs are filed (while these modifications remain in effect)”).

⁹ See 19 CFR 351.303 (for general filing requirements).

assessment rates based on the ratio of the total amount of dumping calculated for the importer's examined sales to the total entered value of those same sales in accordance with 19 CFR 351.212(b)(1). We will instruct CBP to assess antidumping duties on all appropriate entries covered by this review when the importer-specific assessment rate calculated in the final results of this review is not zero or *de minimis*. If Negromex's weighted-average dumping margin is zero or *de minimis*, we will instruct CBP to liquidate the appropriate entries without regard to antidumping duties. The final results of this review shall be the basis for the assessment of antidumping duties on entries of merchandise covered by the final results of this review and for future deposits of estimated duties, where applicable.¹²

For entries of subject merchandise during the POR produced by Negromex for which it did not know that the merchandise was destined for the United States, we will instruct CBP to liquidate those entries at the all-others rate if there is no rate for the intermediate company(ies) involved in the transaction.¹³ Commerce intends to issue assessment instructions to CBP no earlier than 41 days after the date of publication of the final results of this review in the **Federal Register**, in accordance with 19 CFR 356.8(a).

Cash Deposit Requirements

The following cash deposit requirements will be effective for all shipments of the subject merchandise entered, or withdrawn from warehouse, for consumption on or after the publication date of the final results of this administrative review, as provided by section 751(a)(2)(C) of the Act: (1) The cash deposit rate for Negromex in the final results of review will be equal to the weighted-average dumping margin established in the final results of this administrative review; (2) for merchandise exported by a producer or exporter not covered in this review but covered in a prior segment of the proceeding, the cash deposit rate will continue to be the company-specific rate published for the most recently-completed segment of this proceeding in which it was reviewed; (3) if the exporter is not a firm covered in this review or the less-than-fair-value (LTFV) investigation but the producer is, then the cash deposit rate will be the rate established for the most recently-

completed segment of this proceeding for the producer of the merchandise; (4) the cash deposit rate for all other producers or exporters will continue to be 19.52 percent,¹⁴ the all-others rate established in the LTFV investigation. These cash deposit requirements, when imposed, shall remain in effect until further notice.

Final Results of Review

Unless otherwise extended, Commerce intends to issue the final results of this administrative review, including the results of our analysis of issues raised by the parties in the written comments, within 120 days of publication of these preliminary results in the **Federal Register**, pursuant to section 751(a)(3)(A) of the Act and 19 CFR 351.213(h)(1).

Notification to Importers

This notice also serves as a preliminary reminder to importers of their responsibility under 19 CFR 351.402(f)(2) to file a certificate regarding the reimbursement of antidumping duties prior to liquidation of the relevant entries during this POR. Failure to comply with this requirement could result in Commerce's presumption that reimbursement of antidumping duties occurred and the subsequent assessment of doubled antidumping duties.

Notification to Interested Parties

We are issuing and publishing these results in accordance with sections 751(a)(1) and 777(i)(1) of the Act, and 19 CFR 351.221(b)(4).

Dated: January 19, 2021.

Jeffrey I. Kessler,

Assistant Secretary for Enforcement and Compliance.
