following information on your firm’s operations on that product during calendar year 2020, except as noted (report quantity data in pounds and value data in U.S. dollars, f.o.b. plant). If you are a union/worker group or trade/business association, provide the information, on an aggregate basis, for the firms in which your workers are employed/which are members of your association.

(a) Production (quantity) and, if known, an estimate of the percentage of total U.S. production of the Domestic Like Product accounted for by your firm’s(s’) production;

(b) Capacity (quantity) of your firm to produce the Domestic Like Product (that is, the level of production that your establishment(s) could reasonably have expected to attain during the year, assuming normal operating conditions (using equipment and machinery in place and ready to operate), normal operating levels (hours per week/weeks per year), time for downtime, maintenance, repair, and cleanup, and a typical or representative product mix);

(c) the quantity and value of U.S. commercial shipments of the Domestic Like Product produced in your U.S. plant(s);

(d) the quantity and value of U.S. internal consumption/company transfers of the Domestic Like Product produced in your U.S. plant(s); and

(e) the value of (i) net sales, (ii) cost of goods sold (COGS), (iii) gross profit, (iv) selling, general and administrative (SG&A) expenses, and (v) operating income of the Domestic Like Product produced in your U.S. plant(s) (include both U.S. and export commercial sales, internal consumption, and company transfers) for your most recently completed fiscal year (identify the date on which your fiscal year ends).

(10) If you are a U.S. importer or a trade/business association of U.S. importers of the Subject Merchandise from the Subject Country, provide the following information on your firm’s(s’) operations on that product during calendar year 2020 (report quantity data in pounds and value data in U.S. dollars). If you are a trade/business association, provide the information, on an aggregate basis, for the firms which are members of your association.

(a) The quantity and value (landed, duty-paid but not including antidumping duties) of U.S. imports and, if known, an estimate of the percentage of total U.S. imports of Subject Merchandise from the Subject Country accounted for by your firm’s(s’) imports;

(b) the quantity and value (f.o.b. U.S. port, including antidumping duties) of U.S. commercial shipments of Subject Merchandise imported from the Subject Country; and

(c) the quantity and value (f.o.b. U.S. port, including antidumping duties) of U.S. internal consumption/company transfers of Subject Merchandise imported from the Subject Country.

(11) If you are a producer, an exporter, or a trade/business association of producers or exporters of the Subject Merchandise in the Subject Country, provide the following information on your firm’s(s’) operations on that product during calendar year 2020 (report quantity data in pounds and value data in U.S. dollars, landed and duty-paid at the U.S. port but not including antidumping duties). If you are a trade/business association, provide the information, on an aggregate basis, for the firms which are members of your association.

(a) Production (quantity) and, if known, an estimate of the percentage of total production of Subject Merchandise in the Subject Country accounted for by your firm’s(s’) production;

(b) Capacity (quantity) of your firm(s) to produce the Subject Merchandise in the Subject Country (that is, the level of production that your establishment(s) could reasonably have expected to attain during the year, assuming normal operating conditions (using equipment and machinery in place and ready to operate), normal operating levels (hours per week/weeks per year), time for downtime, maintenance, repair, and cleanup, and a typical or representative product mix); and

(c) the quantity and value of your firm’s(s’) exports to the United States of Subject Merchandise and, if known, an estimate of the percentage of total exports to the United States of Subject Merchandise from the Subject Country accounted for by your firm’s(s’) exports.

(12) Identify significant changes, if any, in the supply and demand conditions or business cycle for the Domestic Like Product that have occurred in the United States or in the market for the Subject Merchandise in the Subject Country after 2014, and significant changes, if any, that are likely to occur within a reasonably foreseeable time. Supply conditions to consider include technology; production methods; development efforts; ability to increase production (including the shift of production facilities used for other products and the use, cost, or availability of major inputs into production); and factors related to the ability to shift supply among different national markets (including barriers to importation in foreign markets or changes in market demand abroad). Demand conditions to consider include end uses and applications; the existence and availability of substitute products; and the level of competition among the Domestic Like Product produced in the United States, Subject Merchandise produced in the Subject Country, and such merchandise from other countries.

(13) (OPTIONAL) A statement of whether you agree with the above definitions of the Domestic Like Product and Domestic Industry; if you disagree with either or both of these definitions, please explain why and provide alternative definitions.

SUPPLEMENTARY INFORMATION: Written comments and suggestions from the public and affected agencies concerning the proposed collection of information are encouraged. Your comments should address one or more of the following four points:

—Evaluate whether the proposed collection of information is necessary for the proper performance of the functions of the agency, including whether the information will have practical utility;
—Evaluate the accuracy of the agency’s estimate of the burden of the collection of information, including the validity of the methodology and assumptions used;
—Evaluate whether and if so how the quality, utility, and clarity of the information to be collected can be enhanced; and
—Minimize the burden of the collection of information on those who are to respond, including through the use of appropriate automated, electronic, mechanical, or other technological collection techniques or other forms of information technology, e.g., permitting electronic submission of responses.

Overview of This Information Collection

(1) Type of Information Collection: Extension with change of a currently approved collection.
(2) The Title of the Form/Collection: Report of Multiple Sale or Other Disposition of Certain Rifles.
(3) The agency form number, if any, and the applicable component of the Department sponsoring the collection:
   Form number: ATF Form 3310.12.
   Component: Bureau of Alcohol, Tobacco, Firearms and Explosives, U.S. Department of Justice.
(4) Affected public who will be asked or required to respond, as well as a brief abstract:
   Primary: Business or other for-profit.
   Other: None.
   Abstract: Federal firearms licensees (FFLs) who are dealers and pawnbrokers in Arizona, California, New Mexico and Texas, must report multiple sale or other disposition of two or more rifles with the following characteristics: (a) Semi-automatic, (b) caliber greater than .22, and (c) the ability to accept a detachable magazine. These FFLs must complete the Report of Multiple Sale or Other Disposition of Certain Rifles—ATF Form 3310.12 regarding such sale or other disposition to an unlicensed person, whether it occurs one time or within five consecutive business days.
(5) An estimate of the total number of respondents and the amount of time estimated for an average respondent to respond: An estimated 1,000 respondents will utilize the form about twice annually, and it will take each respondent approximately 12 minutes to complete their responses.
(6) An estimate of the total public burden (in hours) associated with the collection: The estimated annual public burden associated with this collection is 400 hours, which is equal to 1,000 (# of respondents) * 2 (# of responses per respondent) * 2 (12 minutes).
(7) An Explanation of the Change in Estimates: The adjustments associated with this collection include a decrease in the number of respondents and responses by 870 and 7,640 respectively. Consequently, both the public burden hours and public cost burden have also reduced by 1,492 and $20,067 respectively, since the last renewal in 2019.

Department Clearance Officer for PRA, U.S. Department of Justice.

The Settlement Agreement would resolve a proof of claim by the EPA under Section 107 of the Comprehensive Environmental Response, Compensation, and Liability Act (“CERCLA”), 42 U.S.C. 9607, against WEIC involving the insured Pioneer Metals Finishing Co., Inc. (“Pioneer Metals”) at the Pioneer Metals Finishing Superfund Site. EPA filed a proof of claim in the instant proceeding against WEIC arising from policies of insurance that WEIC companies had issued to Pioneer Metals based on liability for contamination at the Pioneer Metals Finishing Superfund Site.

Under the Settlement Agreement, WEIC will pay to the United States $1,200,000 million to the EPA. In consideration of this payment, upon approval of the Settlement Agreement, the EPA covenants not to file a civil action against the Insurance Commissioner, the California Department of Insurance, the California Conservation and Liquidation Office and WEIC with respect to all liabilities and obligations to Pioneer Metals or the EPA arising under CERCLA under the Policies issued by the WEIC to Pioneer Metals, whether such liabilities and obligations are known or unknown, reported or unreported, and whether currently existing or arising in the future. The Settlement Agreement is conditioned upon court approval. The Commissioner will appear at a hearing to present the motion seeking approval of the Settlement Agreement on February 24, 2021 at 9:30 a.m. in Department 302 of the San Francisco County Superior Court located at 400 McAllister Street, San Francisco, California 94102.

The publication of this notice opens a period for public comment on the Settlement Agreement. Comments should be addressed to the Assistant Attorney General, Environment and Natural Resources Division, and should refer to Insurance Commissioner of the State of California v. Western Employers Insurance Company, et al., D.J. Ref. No. 90–11–3–10954/2. All comments must be submitted no later than thirty (30) days after the publication date of this notice.
