Bureau of Industry and Security

In the Matter of: Issam Hamade, Beirut, Galerie Semaan, Behind Karout Mall, Kalaa Building 3rd Floor, Beirut, Lebanon; Order Denying Export Privileges

On April 27, 2020, in the U.S. District Court for the District of Minnesota, Issam Hamade ("Hamade"), was convicted of violating 18 U.S.C. 371. Specifically, Hamade was convicted of conspiring to export parts and technology from the United States to Lebanon, and specifically to Hizballah, for among other purposes, inclusion in unmanned aerial vehicles, without obtaining the required export licenses under the Export Administration Regulations or under the International Traffic in Arms Regulations. Hamade was sentenced to time served and a \$100 special assessment.

Pursuant to Section 1760(e) of the Export Control Reform Act ("ECRA"),¹ the export privileges of any person who has been convicted of certain offenses, including, but not limited to, 18 U.S.C. 371, may be denied for a period of up to ten (10) years from the date of his/her conviction. 50 U.S.C. 4819(e) (Prior Convictions). In addition, any Bureau of Industry and Security (BIS) licenses or other authorizations issued under ECRA, in which the person had an interest at the time of the conviction, may be revoked. *Id.*

BIS received notice of Hamade's conviction for violating 18 U.S.C. 371, and has provided notice and opportunity for Hamade to make a written submission to BIS, as provided in Section 766.25 of the Export Administration Regulations ("EAR" or

the "Regulations"). 15 CFR 766.25.² BIS has not received a written submission from Hamade.

Based upon my review of the record and consultations with BIS's Office of Exporter Services, including its Director, and the facts available to BIS, I have decided to deny Hamade's export privileges under the Regulations for a period of 10 years from the date of Hamade's conviction. I have also decided to revoke any BIS-issued licenses in which Hamade had an interest at the time of his conviction.³

Accordingly, it is hereby *ordered*:

First, from the date of this Order until April 27, 2030, Issam Hamade, with a last known address of Beirut, Galerie Semaan, Behind Karout Mall, Kalaa Building 3rd Floor, Beirut, Lebanon, and when acting for or on his behalf, his successors, assigns, employees, agents or representatives ("the Denied Person"), may not directly or indirectly participate in any way in any transaction involving any commodity, software or technology (hereinafter collectively referred to as "item") exported or to be exported from the United States that is subject to the Regulations, including, but not limited to:

A. Applying for, obtaining, or using any license, license exception, or export control document;

B. Carrying on negotiations concerning, or ordering, buying, receiving, using, selling, delivering, storing, disposing of, forwarding, transporting, financing, or otherwise servicing in any way, any transaction involving any item exported or to be exported from the United States that is subject to the Regulations, or engaging in any other activity subject to the Regulations; or

² The Regulations are currently codified in the Code of Federal Regulations at 15 CFR Parts 730–774 (2020). The Regulations originally issued under the Export Administration Act of 1979, as amended, 50 U.S.C. 4601–4623 (Supp. III 2015) ("EAA"), which lapsed on August 21, 2001. The President, through Executive Order 13,222 of August 17, 2001 (3 CFR, 2001 Comp. 783 (2002)), which was extended by successive Presidential Notices, continued the Regulations in full force and effect under the International Emergency Economic Powers Act, 50 U.S.C. 1701, *et seq.* (2012) ("IEEPA"). Section 1768 of ECRA, 50 U.S.C. 4826, provides in pertinent part that all rules and regulations that were made or issued under the EAA, including as continued in effect pursuant to IEEPA, and were in effect as of ECRA's date of enactment (August 13, 2018), shall continue in effect according to their terms until modified, superseded, set aside, or revoked through action undertaken pursuant to the authority provided under ECRA. *See* note 1 above.

³ The Director, Office of Export Enforcement, is now the authorizing official for issuance of denial orders, pursuant to recent amendments to the Regulations (85 FR 73411, November 18, 2020).

¹ ECRA was enacted as part of the John S. McCain National Defense Authorization Act for Fiscal Year 2019, and as amended is codified at 50 U.S.C. 4801–4852. Hamade's conviction post-dates ECRA's enactment on August 13, 2018.

C. Benefitting in any way from any transaction involving any item exported or to be exported from the United States that is subject to the Regulations, or from any other activity subject to the Regulations.

Second, no person may, directly or indirectly, do any of the following:

A. Export or reexport to or on behalf of the Denied Person any item subject to the Regulations;

B. Take any action that facilitates the acquisition or attempted acquisition by the Denied Person of the ownership, possession, or control of any item subject to the Regulations that has been or will be exported from the United States, including financing or other support activities related to a transaction whereby the Denied Person acquires or attempts to acquire such ownership, possession or control;

C. Take any action to acquire from or to facilitate the acquisition or attempted acquisition from the Denied Person of any item subject to the Regulations that has been exported from the United States;

D. Obtain from the Denied Person in the United States any item subject to the Regulations with knowledge or reason to know that the item will be, or is intended to be, exported from the United States; or

E. Engage in any transaction to service any item subject to the Regulations that has been or will be exported from the United States and which is owned, possessed or controlled by the Denied Person, or service any item, of whatever origin, that is owned, possessed or controlled by the Denied Person if such service involves the use of any item subject to the Regulations that has been or will be exported from the United States. For purposes of this paragraph, servicing means installation, maintenance, repair, modification or testing.

Third, pursuant to Section 1760(e) of the Export Control Reform Act (50 U.S.C. 4819(e)) and Sections 766.23 and 766.25 of the Regulations, any other person, firm, corporation, or business organization related to Hamade by ownership, control, position of responsibility, affiliation, or other connection in the conduct of trade or business may also be made subject to the provisions of this Order in order to prevent evasion of this Order.

Fourth, in accordance with Part 756 of the Regulations, Hamade may file an appeal of this Order with the Under Secretary of Commerce for Industry and Security. The appeal must be filed within 45 days from the date of this Order and must comply with the

provisions of Part 756 of the Regulations.

Fifth, a copy of this Order shall be delivered to Hamade and shall be published in the **Federal Register**.

Sixth, this Order is effective immediately and shall remain in effect until April 27, 2030.

Issued this 25 day of January, 2021.

John Sonderman,

Director, Office of Export Enforcement.
