## SECURITIES AND EXCHANGE COMMISSION

[SEC File No. 270-240, OMB Control No. 3235-0216]

### Submission for OMB Review; Comment Request

*Upon Written Request, Copies Available From:* Securities and Exchange Commission, Office of FOIA Services, 100 F Street NE, Washington, DC 20549-2736

*Extension:*  
Rule 19a-1

Notice is hereby given that, pursuant to the Paperwork Reduction Act of 1995 (44 U.S.C. 3501-3520), the Securities and Exchange Commission (the "Commission") has submitted to the Office of Management and Budget a request for extension of the previously approved collection of information discussed below.

Section 19(a) (15 U.S.C. 80a-19(a)) of the Investment Company Act of 1940 (the "Act") (15 U.S.C. 80a) makes it unlawful for any registered investment company to pay any dividend or similar distribution from any source other than the company's net income, unless the payment is accompanied by a written statement to the company's

shareholders which adequately discloses the sources of the payment. Section 19(a) authorizes the Commission to prescribe the form of such statement by rule.

Rule 19a-1 (17 CFR 270.19a-1) under the Act, entitled "Written Statement to Accompany Dividend Payments by Management Companies," sets forth specific requirements for the information that must be included in statements made pursuant to section 19(a) by or on behalf of management companies.<sup>1</sup> The rule requires that the statement indicate what portions of distribution payments are made from net income, net profits from the sale of a security or other property ("capital gains") and paid-in capital. When any part of the payment is made from capital gains, rule 19a-1 also requires that the statement disclose certain other information relating to the appreciation or depreciation of portfolio securities. If an estimated portion is subsequently determined to be significantly inaccurate, a correction must be made on a statement made pursuant to section 19(a) or in the first report to shareholders following the discovery of the inaccuracy.

The purpose of rule 19a-1 is to afford fund shareholders adequate disclosure of the sources from which distribution payments are made. The rule is intended to prevent shareholders from confusing income dividends with distributions made from capital sources. Absent rule 19a-1, shareholders might receive a false impression of fund gains.

Based on a review of filings made with the Commission, the staff estimates that approximately 12,019 series of registered investment companies that are management companies may be subject to rule 19a-1 each year,<sup>2</sup> and that each portfolio on average mails two statements per year to meet the requirements of the rule.<sup>3</sup> The staff further estimates that the time needed to make the determinations required by the rule and to prepare the statement

<sup>1</sup> Section 4(3) of the Act (15 U.S.C. 80a-4(3)) defines "management company" as "any investment company other than a face amount certificate company or a unit investment trust."

<sup>2</sup> This estimate is based on statistics compiled by Commission staff as of September 21, 2020. The number of management investment company portfolios that make distributions for which compliance with rule 19a-1 is required depends on a wide range of factors and can vary greatly across years. Therefore, the calculation of estimated burden hours is based on the total number of management investment company portfolios, each of which may be subject to rule 19a-1.

<sup>3</sup> A few portfolios make monthly distributions from sources other than net income, so the rule requires them to send out a statement 12 times a year. Other portfolios never make such distributions.

required under the rule is approximately 1 hour per statement. The total annual burden for all portfolios therefore is estimated to be approximately 24,038 burden hours.<sup>4</sup>

The staff estimates that approximately one-third of the total annual burden (8,013 hours) would be incurred by a paralegal with an average hourly wage rate of approximately \$219 per hour,<sup>5</sup> and approximately two-thirds of the annual burden (16,026 hours) would be incurred by a compliance clerk with an average hourly wage rate of \$71 per hour.<sup>6</sup> The staff therefore estimates that the aggregate annual cost of complying with the paperwork requirements of the rule is approximately \$2,892,693 (8,013 hours × \$219 = \$1,754,847) + (16,026 hours × \$71 = \$1,137,846)).

To comply with state law, many investment companies already must distinguish the different sources from which a shareholder distribution is paid and disclose that information to shareholders. Thus, many investment companies would be required to distinguish the sources of shareholder dividends whether or not the Commission required them to do so under rule 19a-1.

The estimate of average burden hours is made solely for the purposes of the Paperwork Reduction Act, and is not derived from a comprehensive or even a representative survey or study of the costs of Commission rules. Compliance with the collection of information required by rule 19a-1 is mandatory for management companies that make statements to shareholders pursuant to section 19(a) of the Act. An agency may not conduct or sponsor, and a person is not required to respond to, a collection of information unless it displays a currently valid control number.

<sup>4</sup> This estimate is based on the following calculation: 12,019 management investment company portfolios × 2 statements per year × 1 hour per statement = 24,038 burden hours.

## SECURITIES AND EXCHANGE COMMISSION

### Submission for OMB Review; Comment Request

*Upon Written Request, Copies Available From:* Securities and Exchange Commission, Office of FOIA Services, 100 F Street NE, Washington, DC 20549-2736

*Extension:*  
Form N-6F

Notice is hereby given that, pursuant to the Paperwork Reduction Act of 1995 (44 U.S.C. 3501 *et seq.*), the Securities and Exchange Commission ("Commission") has submitted to the Office of Management and Budget a request for extension of the previously approved collection of information discussed below.

The title for the collection of information is "Form N-6F (17 CFR 274.15), Notice of Intent to Elect to be Subject to Sections 55 through 65 of the Investment Company Act of 1940." The purpose of Form N-6F is to notify the Commission of a company's intent to file a notification of election to become subject to Sections 55 through 65 of the Investment Company Act of 1940 (15 U.S.C. 80a-1 *et seq.*) ("1940 Act"). Certain companies may have to make a filing with the Commission before they are ready to elect to be regulated as a business development company.<sup>1</sup> A

<sup>1</sup> A company might not be prepared to elect to be subject to Sections 55 through 65 of the 1940 Act because its capital structure or management

company that is excluded from the definition of "investment company" by Section 3(c)(1) because it has fewer than one hundred shareholders and is not making a public offering of its securities may lose such an exclusion solely because it proposes to make a public offering of securities as a business development company. Such company, under certain conditions, would not lose its exclusion if it notifies the Commission on Form N-6F of its intent to make an election to be regulated as a business development company. The company only has to file a Form N-6F once.

The Commission estimates that on average approximately 4 companies file these notifications each year. Each of those companies need only make a single filing of Form N-6F. The Commission further estimates that this information collection imposes burden of 0.5 hours, resulting in a total annual PRA burden of 2 hours. Based on the estimated wage rate, the total cost to the industry of the hour burden for complying with Form N-6F would be approximately \$736.

The collection of information under Form N-6F is mandatory. The information provided under the form is not kept confidential. An agency may not conduct or sponsor, and a person is not required to respond to, a collection of information unless it displays a currently valid OMB control number.

The public may view the background documentation for this information collection at the following website, [www.reginfo.gov](http://www.reginfo.gov).
