AGENCY: Enforcement and Compliance, International Trade Administration, Department of Commerce.

SUMMARY: The Department of Commerce (Commerce) preliminarily determines that the sole company subject to this administrative review is part of the China-wide entity because it did not file a separate rate application (SRA). The period of review (POR) is April 1, 2019, through March 31, 2020. We invite interested parties to comment on these preliminary results.

SUPPLEMENTARY INFORMATION:

Background

On April 1, 2020, Commerce published a notice of opportunity to request an administrative review of the antidumping duty order on 1,1,1,2-Tetrafluoroethane (R–134a) from the People’s Republic of China (China).1 In response, on April 30, 2020, the American HFC Coalition and its individual members2 (the petitioners) requested a review of one company, Puremann, Inc. (Puremann).3 Commerce initiated a review of this company on June 8, 2020.4 The deadline for interested parties to submit an SRA or separate rate certification (SRC) was July 8, 2020.5 No party submitted an SRA or an SRC. On July 16, 2020, Commerce placed U.S. Customs and Border Protection (CBP) data on the record of this review demonstrating that there were no entries of subject merchandise during the POR.6 The petitioners submitted comments on the CBP data on August 6, 2020.7 On July 21, 2020, Commerce tolled all deadlines in administrative reviews by 60 days.8 The deadline for the preliminary results of this review is now March 1, 2020.

Scope of the Order

The merchandise covered by the order is 1,1,1,2-Tetrafluoroethane, R–134a, or its chemical equivalent, regardless of form, type, or purity level. Methodology

Commerce is conducting this review in accordance with section 751(a)(1)(B) of the Tariff Act of 1930, as amended (the Act), and 19 CFR 351.213.

Preliminary Results of Review

Puremann, the sole company subject to this review, did not file an SRA. Thus, Commerce preliminarily determines that this company has not demonstrated its eligibility for separate rate status. In addition, Commerce no longer considers the non-market economy (NME) entity as an exporter conditionally subject to an

antidumping duty administrative review. Accordingly, the NME entity will not be under review unless Commerce specifically receives a request for, or self-initiates, a review of the NME entity. In this administrative review, no party requested a review of the China-wide entity. Moreover, we have not self-initiated a review of the China-wide entity. Because no review of the China-wide entity is being conducted, the China-wide entity’s entries are not subject to the review, and the rate applicable to the NME entity is not subject to change as a result of this review. The China-wide entity rate is 167.02 percent.\textsuperscript{11}

Issues raised in the hearing will be limited to those raised in the respective case and rebuttal briefs. If a request for a hearing is made, parties will be notified of the time and date for the hearing to be held.\textsuperscript{17} Commerce intends to issue the final results of this administrative review, which will include the results of our analysis of all issues raised in the case briefs, within 120 days of publication of these preliminary results in the \textit{Federal Register}, unless extended, pursuant to section 751(a)(3)(A) of the Act.

Assessment Rates

Upon issuance of the final results of this review, Commerce will determine, and CBP will shall assess, antidumping duties on all appropriate entries of subject merchandise covered by this review.\textsuperscript{18} We intend to instruct CBP to liquidate entries containing subject merchandise exported by the company under review that we determine in the final results to be part of the China-wide entity at the China-wide entity rate of 167.02 percent. Commerce intends to issue assessment instructions to CBP no earlier than 35 days after the date of publication of the final results of this review in the \textit{Federal Register}. If a timely summons is filed at the U.S. Court of International Trade, the assessment instructions will direct CBP not to liquidate relevant entries until the time for parties to file a request for a statutory injunction has expired (i.e., within 90 days of publication).

Cash Deposit Requirements

The following cash deposit requirements will be effective upon publication of the final results of this review for shipments of the subject merchandise from China entered, or withdrawn from warehouse, for consumption on or after the publication date, as provided by sections 751(a)(2)(C) of the Act: (1) For companies that have a separate rate, the cash deposit rate will be that established in the final results of this review (except, if the rate is zero or de minimis, then zero cash deposit will be required); (2) for previously investigated or reviewed Chinese or non-Chinese exporters not listed above that received a separate rate in a prior segment of this proceeding, the cash deposit rate will continue to be the existing exporter-specific rate; (3) for all Chinese exporters of subject merchandise which have not been found to be entitled to an entity rate, the cash deposit rate will be that for the China-wide entity (i.e., 167.02 percent); and (4) for all non-Chinese exporters of subject merchandise which have not received their own rate, the cash deposit rate will be the rate applicable to the Chinese exporter that supplied that non-Chinese exporter. These deposit requirements, when imposed, shall remain in effect until further notice.

Notification to Importers

This notice also serves as a reminder to importers of their responsibility under 19 CFR § 351.402[f][2] to file a certificate regarding the reimbursement of antidumping duties prior to liquidation of the relevant entries during this review period. Failure to comply with this requirement could result in Commerce’s presumption that reimbursement of antidumping duties occurred and the subsequent assessment of double antidumping duties.

Notification to Interested Parties

We are issuing and publishing these preliminary results in accordance with sections 751(a)(1) and 777(i) of the Act, and 19 CFR § 351.213(h) and 351.221(b)(4).
