SUPPLEMENTARY INFORMATION:

Summary of Change in Control

ECA Liquefaction states that it is a variable-capital, limited liability company organized under the laws of Mexico. ECA Liquefaction is owned approximately 99.99% by ECA LNG Holdings B.V. (ECA LNG Holdings), with the remainder owned by ECA Minority. S. de R.L. de C.V. ECA Liquefaction states that, prior to December 9, 2020, two companies—Sempra LNG ECA Liquefaction, LLC (Sempra LNG) and Infraestructura Energetica Nova, S.A.B. de C.V. (IEnova)—each held a direct 50% ownership interest in ECA LNG Holdings.

On December 9, 2020, Sempra LNG, IEnova, and Total Gaz Electricité Holdings France S.A.S. (Total) entered into an equity issuance and subscription agreement whereby Total acquired a 16.6% equity interested in ECA LNG Holdings (Transaction). ECA Liquefaction states that Total is owned 100% by Total Holdings, S.A.S., which in turn is wholly owned by Total SE, a French energy company. ECA Liquefaction further states that an affiliate of Total, Total Gas & Power Asia Private Limited, is an existing customer of ECA Liquefaction. Following the Transaction, Sempra LNG and IEnova each retain a 41.7% ownership interest in ECA LNG Holdings.

DOE/FE Evaluation

DOE/FE will review ECA Liquefaction’s Statement in accordance with its Procedures for Changes in Control Affecting Applications and Authorizations to Import or Export Natural Gas (CIC Procedures). Consistent with the CIC Procedures, this notice addresses ECA Liquefaction’s authorization to export liquefied natural gas (LNG) to non-free trade agreement (non-FTA) countries, granted in DOE/FE Order No. 4364, as amended by Orders No. 4364–A and 4364–B. If no interested person protests the change in control and DOE takes no action on its own motion, the proposed change in control will be deemed granted 30 days after publication in the Federal Register. If one or more protests are submitted, DOE will review any motions to intervene, protests, and answers, and will issue a determination as to whether the proposed change in control has been demonstrated to render the underlying authorization inconsistent with the public interest.

Public Comment Procedures

Interested persons will be provided 15 days from the date of publication of this notice in the Federal Register to move to intervene, protest, and answer ECA Liquefaction’s Statement. Protests, motions to intervene, notices of intervention, and written comments are invited in response to this notice only as to the change in control described in ECA Liquefaction’s Statement. All protests, comments, motions to intervene, or notices of intervention must meet the requirements specified by DOE’s regulations in 10 CFR part 590.
