[Release No. 34-91011; File No. SR-NYSE-2020-98]

### Self-Regulatory Organizations; New York Stock Exchange LLC; Notice of Designation of a Longer Period for Commission Action on a Proposed Rule Change To Amend Its Rules To Prohibit Member Organizations From Seeking Reimbursement, in Certain Circumstances, From Issuers for Forwarding Proxy and Other Materials to Beneficial Owners

January 29, 2021.

On November 30, 2020, New York Stock Exchange LLC filed with the Securities and Exchange Commission ("Commission"), pursuant to Section 19(b)(1) of the Securities Exchange Act of 1934 ("Act")<sup>1</sup> and Rule 19b-4 thereunder,<sup>2</sup> a proposed rule change to amend its rules to prohibit member organizations from seeking reimbursement from issuers for forwarding proxy and other materials to beneficial owners who received shares of a security from their broker at no cost or at a price substantially less than the market price in connection with a

promotion by the broker. The proposed rule change was published for comment in the **Federal Register** on December 18, 2020.<sup>3</sup>

Section 19(b)(2) of the Act<sup>4</sup> provides that, within 45 days of the publication of notice of the filing of a proposed rule change, or within such longer period up to 90 days as the Commission may designate if it finds such longer period to be appropriate and publishes its reasons for so finding, or as to which the self-regulatory organization consents, the Commission shall either approve the proposed rule change, disapprove the proposed rule change, or institute proceedings to determine whether the proposed rule change should be disapproved. The 45th day after publication of the notice for this proposed rule change is February 1, 2021. The Commission is extending this 45-day time period.

The Commission finds that it is appropriate to designate a longer period within which to take action on the proposal so that it has sufficient time to consider the proposed rule change and the comments received. 1. *Supplement to Claim of Person Outside the United States—20 CFR 404.460, 404.46, 422.505(b), and 42 CFR 407.27(c)—0960-0051.* Claimants or beneficiaries (both United States (U.S.) citizens and aliens entitled to benefits) living outside the U.S. complete Form SSA-21 as a supplement to an application for benefits. SSA collects the information to determine eligibility

for U.S. Social Security benefits for those months an alien beneficiary or claimant is outside the U.S., and to determine if tax withholding applies. In addition, SSA uses the information to: (1) Allow beneficiaries or claimants to request a special payment exception in an SSA restricted country; (2) terminate supplemental medical insurance coverage for recipients who request it, because they are, or will be, out of the U.S.; and (3) allow claimants to collect a lump sum death benefit if the number holder died outside the U.S. and we do not have information to determine whether the lump sum death benefit is payable under the Social Security Act. The respondents are Social Security claimants, or individuals entitled to Social Security benefits, who are, were, or will be residing outside the United States for three months or longer.

*Type of Request:* Revision of an OMB-approved information collection.

2. *You Can Make Your Payment by Credit Card—0960-0462.* Using information from Form SSA-4588 and its electronic application, Form SSA-4589, SSA updates individuals' Social Security records to reflect payments made on their overpayments. In addition, SSA uses this information to process payments through the appropriate credit card company. SSA provides the SSA-4588 when we inform

an individual that we detected an overpayment. Individuals may choose to make a one-time payment or recurring monthly payments by completing and submitting the SSA-4588. SSA uses the SSA-4589 electronic Intranet application only when individuals choose to telephone the Program Service Centers to make a one-time payment in lieu of completing Form SSA-4588. An SSA debtor contact representative

completes the SSA-4589 electronic Intranet application. Respondents are Old Age Survivors and Disability Insurance (OASDI) beneficiaries and Supplemental Security Income (SSI) recipients who have outstanding overpayments.

3. *Screen Pop—20 CFR 401.45—0960–0790.* Section 205(a) of the Social Security Act requires SSA to verify the identity of individuals who request a record or information pertaining to themselves, and to establish procedures for disclosing personal information. SSA established Screen Pop, an automated telephone process, to speed verification for such individuals. Accessing Screen Pop, callers enter their

Social Security number (SSN) using their telephone keypad or speech technology prior to speaking with a National 800 Number Network (N8NN) agent. The automated Screen Pop application collects the SSN and routes it to the “Start New Call” Customer Help and Information (CHIP) screen. Functionality for the Screen Pop application ends once the SSN connects to the CHIP screen and the SSN routes

to the agent’s screen. When the call connects to the N8NN agent, the agent can use the SSN to access the caller’s record as needed. The respondents for this collection are individuals who contact SSA’s N8NN to speak with an agent.

4. *Application for Access to SSA Systems—20 CFR 401.45—0960–0791.* SSA uses Form SSA-120, Application for Access to SSA Systems, to allow limited access to SSA’s information resources for SSA employees and non-Federal employees (contractors). SSA

requires supervisory approval, and local or component Security Officer review, before granting this access. The respondents are SSA employees and non-Federal Employees (contractors) who require access to SSA systems to perform their jobs.

**Note:** Because SSA employees are Federal workers exempt from the requirements of the Paperwork Reduction Act, the burden below is only for SSA contractors.

5. *Request to Show Cause for Failure to Appear—20 CFR 404.938, 404.957(b)(1), and 416.1438—0960–0794.* When claimants who requested a

hearing before a judge fail to appear at their scheduled hearing, the judge may reschedule the hearing if the claimants establish good cause for missing the

hearings. To establish good cause, respondents must show proof of one of the following: (1) SSA did not properly notify the claimant of the hearing; or (2)

an unexpected event occurred without sufficient time for the claimant to request a postponement. The claimants can use paper Form HA-L90 or HA-L90-OP1 to provide their reason for not appearing at their scheduled hearings; or the claimants' representatives can use Electronic Records Express (ERE), OMB Control No. 0960-0753, to submit the HA-L90 online. SSA uses the HA-L90 for new cases, and the HA-L90-OP1 for redetermination cases. We need two

versions of the paper form, as the judge follows different procedures when determining the good cause on redetermination cases (cases that have a prior decision and evidence on file), than they do for new cases (where we have no evidence on file). The ERE modality adjusts for redetermination cases, so we only need one version of the internet screens. If the judge determines the claimant established good cause for failure to appear at the

hearing, the judge will schedule a supplemental hearing; if not, the judge will make a claims eligibility determination based on the claimants' evidence of record. Respondents are claimants, or their representatives, seeking to establish good cause for failure to appear at a scheduled hearing before a judge.

II. SSA submitted the information collections below to OMB for clearance. Your comments regarding these information collections would be most useful if OMB and SSA receive them 30 days from the date of this publication. To be sure we consider your comments, we must receive them no later than March 8, 2021. Individuals can obtain copies of these OMB clearance packages by writing to *OR.Reports.Clearance@ssa.gov*.

1. *Help America Vote Act—0960-0706*. Public Law 107-252, the Help

America Vote Act of 2002, mandates that States verify the identities of newly registered voters. When newly registered voters do not have driver's licenses or State-issued ID cards, they must supply the last four digits of their Social Security number to their local State election agencies for verification. The election agencies forward this information to their State Motor Vehicle Administration (MVA), and the State MVA inputs the data into the American Association of MVAs, a central

consolidation system that routes the voter data to SSA's Help America Vote Verification (HAVV) system. Once SSA's HAVV system verifies the Social Security Number of the voter, the information returns along the same route in reverse until it reaches the State election agency. The respondents are the State MVAs seeking to confirm voter identities.

*Cost Burden:* Per our current management information data, the 48 state MVAs participating in HAVA each pay an annual maintenance cost of \$4,400. Additionally, states pay .05 cents per verification request. Therefore, the total cost to respondents is \$420,797.

2. *Incoming and Outgoing Intergovernmental Personnel Act Assignment Agreement—5 CFR part 334—0960-0792*. The Intergovernmental

Personnel Act (IPA) mobility program provides for the temporary assignment of civilian personnel between the Federal Government and State and local governments; colleges and universities; Indian tribal governments; federally funded research and development centers; and other eligible organizations. The Office of Personnel Management (OPM) created a generic form, the OF-69, for agencies to use as a template when collecting information for the IPA

assignment. The OF-69 collects information about the assignment including: (1) The enrolled employee's name, Social Security number, job title, salary, classification, and address; (2) the type of assignment; (3) the reimbursement arrangement; and (4) an explanation as to how the assignment benefits both SSA and the non-federal organization involved in the exchange. OPM directs agencies to use their own forms for recording these agreements.

Therefore, SSA modified the OF-69 to meet our needs, creating the SSA-187 for incoming employees and the SSA-188 for outgoing employees. SSA collects information on the SSA-187 and SSA-188 to document the IPA

assignment, and to serve as an agreement between the agencies. Respondents are personnel from State and local governments; colleges and universities; Indian tribal governments; federally funded research and

development centers; and other eligible organizations who participate in the IPA exchange with SSA.
