**Abstract:** The Federal Pell Grant (Pell Grant) program is a student financial assistance program authorized under the Higher Education Act of 1965, as amended (HEA). The program provides grant assistance to an eligible student attending an institution of higher education. The institution determines the student’s award and disburses program funds on behalf of the Department of Education (the Department). Institutions are required to report student Pell Grant payment information to the Department electronically. Electronic reporting is conducted through the Common Origination and Disbursement (COD) system. The COD system is used by institutions to report, request, and reconcile grant funds received from the Pell Grant program. The Department uses the information collected in the COD system to aid in ensuring compliance with fiscal and administrative requirements under the HEA for the Pell Grant program and under 34 CFR 690 for the Pell Grant program regulations.
