Acting Assistant Secretary for Enforcement and Compliance.

Appendix
Scope of the Investigation

The merchandise covered by this investigation is pentafluoroethane (R–125), or its chemical equivalent, regardless of form, type or purity level. R–125 has the Chemical Abstracts Service (CAS) registry number of 354–33–4 and the chemical formula C2HF5. R–125 is also referred to as Pentfluoroethane, Genetron HFC 125, Kladon 125, Suva 125, Freon 125, and FC-125. Subject merchandise includes R–125, whether or not incorporated into a blend. When R–125 is blended with other products, only the R–125 component of the mixture is covered by the scope of this investigation. Subject merchandise also includes R–125 and unpurified R–125 that is processed in a third country or otherwise outside the customs territory of the United States, including, but not limited to, purifying, blending, or any other processing that would not otherwise remove the merchandise from the scope of this investigation if performed in the country of manufacture of the in-scope R–125. The scope also includes R–125 that is commingled with R–125 from sources not subject to this investigation. Only the subject component of such commingled products is covered by the scope of this investigation. Excluded from the current scope is merchandise covered by the scope of the antidumping order on Hydrofluorocarbon Blends from the People’s Republic of China. See Hydrofluorocarbon Blends from the People’s Republic of China: Antidumping Duty Order, 81 FR 55436 (August 19, 2016) (the Blends Order).

R–125 is classified under Harmonized Tariff Schedule of the United States (HTSUS) subheading, 2903.39.2035. Merchandise subject to the scope may also be entered under HTSUS subheadings 2903.39.2045 and 3824.78.0020. The HTSUS subheadings and CAS registry number are provided for convenience and customs purposes. The written description of the scope of the investigation is dispositive.

Seamless Refined Copper Pipe and Tube From the Socialist Republic of Vietnam: Postponement of Final Determination of Less-Than-Fair-Value Investigation

AGENCY: Enforcement and Compliance, International Trade Administration, Department of Commerce.

SUMMARY: The Department of Commerce (Commerce) is postponing the deadline for issuing the final determination in the less-than-fair-value (LTFV) investigation of imports of seamless refined copper pipe and tube (copper pipe and tube) from the Socialist Republic of Vietnam (Vietnam) until June 16, 2021, and is extending the provisional measures from a four-month period to a period of not more than six months.

DATES: Applicable February 8, 2021.

SUPPLEMENTARY INFORMATION:

Background

On July 20, 2020, Commerce initiated the LTFV investigation of imports of copper pipe and tube from Vietnam.1 The period of investigation is October 1, 2019, through March 31, 2020. On February 1, 2021, Commerce published its Preliminary Determination in this LTFV investigation.2

Postponement of the Final Determination

Section 735(a)(2) of the Tariff Act of 1930, as amended (the Act), and 19 CFR 351.210(b)(2) provide that a final determination may be postponed until not later than 135 days after the date of the publication of the preliminary determination if, in the event of an affirmative preliminary determination, a request for such postponement is made by the exporters or producers who account for a significant portion of exports of the subject merchandise, or in the event of a negative preliminary determination, a request for such postponement is made by the petitioners. Further, 19 CFR 351.210(e)(2) requires that such postponement requests by exporters be accompanied by a request for extension of provisional measures from a four-month period to a period of not more than six months, in accordance with section 735(d) of the Act. On January 28, 2021, Hailiang (Vietnam) Copper Manufacturing Company Limited/Hongkong Hailiang Metal Trading Limited [also known as Hong Kong Hailiang Metal Trading Limited] (Hailiang Vietnam/Hongkong Hailiang), the sole mandatory respondent in this investigation, requested that Commerce postpone the deadline for the final determination until no later than 135 days from the publication of the Preliminary Determination and extend the application of the provisional measures from a four-month period to a period of not more than six months.3 Additionally, on January 28, 2021, the American Copper Tube Coalition and its constituent members 4 (the petitioners) requested that Commerce postpone the deadline for the final determination.5 In accordance with section 735(a)(2)(A) of the Act and 19 CFR 351.210(b)(2)(ii), because: (1) The preliminary determination was affirmative; (2) the request was made by the exporter and producer who accounts for a significant proportion of exports of the subject merchandise; and (3) no compelling reasons for denial exist, Commerce is postponing the final determination until no later than 135 days after the date of the publication of the Preliminary Determination and extending the provisional measures from a four-month period to a period of not more than six months. Accordingly, Commerce will
