29 CFR Part 1986
RIN 1290–AA28
Rules of Practice and Procedure Concerning Filing and Service and Amended Rules Concerning Filing and Service; Correction
AGENCY: Employment and Training Administration, Office of Workers’ Compensation Programs, Office of the Secretary, Office of Labor-Management Standards, Wage and Hour Division, Occupational Safety and Health Administration, Office of Federal Contract Compliance Programs.
ACTION: Direct final rule; correction.
SUMMARY: The Department of Labor (Department or DOL) is correcting a direct final rule that appeared in the Federal Register on January 11, 2021, “Rules of Practice and Procedure Concerning Filing and Service and Amended Rules Concerning Filing and Service.” The companion proposed rule to the final rule was published in the same issue of the Federal Register. The final rule required electronic filing (e-filing) and made acceptance of electronic service (e-service) automatic for attorneys and non-attorney representatives representing parties in proceedings before the Administrative Review Board, unless the Board authorized non-electronic filing and service for good cause. Among other changes, the final rule was intended to revise several sections of the Code of Federal Regulations. However, the final rule as published inadvertently omitted amendatory instructions to revise two section headings, despite providing revised language for those headings. This document provides the omitted amendatory instructions to ensure that these two section headings are revised as written in the final rule.
DATES: This correction is effective on February 25, 2021, unless the Department receives a significant adverse comment to the underlying direct final rule or its companion proposed rule by February 10, 2021 that explains why the rule is inappropriate.
FOR FURTHER INFORMATION CONTACT: Mr. Thomas Shepherd, Clerk of the Appellate Boards, at 202–693–6319 or Shepherd.Thomas@dol.gov.
SUPPLEMENTARY INFORMATION: DOL is making the following corrections to the final rule, as published in the Federal Register on Monday, January 11, 2021 (86 FR 1772).
DOL is adding amendatory instructions to change the section headings of two sections of the Code of Federal Regulations.
At 86 FR 1781, third column, 29 CFR part 22, amendatory instruction 43 revised § 22.39, paragraphs (a), (b)(3), (c), (f), and (h) through (l). The text of § 22.39 as written in the final rule also included a revised section heading; however, amendatory instruction 43 did not specify that the section heading should be revised in addition to the text of the above-listed paragraphs. In this action, amendatory instruction 43 is corrected to clarify that the section heading of § 22.39 should be revised as well. Amendatory instruction 43 is corrected to read: “43. In § 22.39, revise the section heading and paragraphs (a), (b)(3), (c), (f), and (h) through (l) to read as follows:”.
The section heading is being revised to read “Appeal to ARB” instead of “Appeal to authority head.” This change is in keeping with the Department’s clearly expressed intent in the preamble of the final rule to revise references in the regulations to an “authority head” to references to the “ARB” in order to clarify the responsibilities of the Administrative Review Board.
At 86 FR 1793, third column, 29 CFR part 1986, amendatory instruction 133 revised § 1986.110, paragraph (c). The text of § 1986.110 as written in the final rule also included a revised section heading; however, amendatory instruction 133 did not specify that the section heading should be revised in addition to the text of paragraph (c). In this action, amendatory instruction 133 is corrected to clarify that the section heading of § 1986.110 should be revised, as well. Amendatory instruction 133 is corrected to read: “133. In § 1986.110, revise the section heading and paragraph (c) to read as follows:”.
Federal Register Correction
In the final rule published at 86 FR 1772 in the issue of January 11, 2021, the following corrections are made:
PART 22—PROGRAM FRAUD CIVIL REMEDIES ACT OF 1986
§ 22.39 [Corrected]
1. On page 1781, in the third column, correct amendatory instruction 43 to read: “43. In § 22.39, revise the section heading and paragraphs (a), (b)(3), (c), (f), and (h) through (l) to read as follows:”.
PART 1986—PROCEDURES FOR THE HANDLING OF RETALIATION COMPLAINTS UNDER THE EMPLOYEE PROTECTION PROVISION OF THE SEAMAN’S PROTECTION ACT (SPA), AS AMENDED
§ 1986.110 [Corrected]
2. On page 1793, in the third column, correct amendatory instruction 133 to read: “133. In § 1986.110, revise the section heading and paragraph (c) to read as follows:”.

DEPARTMENT OF HOMELAND SECURITY
Coast Guard
33 CFR Part 165
[Docket Number USCG–2021–0036]
RIN 1625–AA00
Safety Zone; Lower Mississippi River, Mile Markers 330.0–360.0, MS
AGENCY: Coast Guard, Department of Homeland Security (DHS).
ACTION: Temporary final rule.
SUMMARY: The Coast Guard is establishing a temporary fixed and moving safety zone for all navigable waters within 300 yards of the U.S. Army Corps of Engineers (USACE) Bank of the Lower Mississippi River.
I. Table of Abbreviations

II. Background Information and Regulatory History

The Coast Guard is issuing this temporary rule without prior notice and opportunity to comment pursuant to authority under section 4(a) of the Administrative Procedure Act (APA) (5 U.S.C. 553(b)). This provision authorizes an agency to issue a rule without prior notice and opportunity to comment when the agency for good cause finds that those procedures are “impracticable, unnecessary, or contrary to the public interest.” Under 5 U.S.C. 553(b)(B), the Coast Guard finds that good cause exists for not publishing a notice of proposed rulemaking (NPRM) with respect to this rule because it is impracticable. Immediate action is needed to protect persons and property from the potential safety hazards associated with the bank grading and mat sinking operations performed by the USACE. Entry of persons or vessels into this zone is prohibited unless authorized by the Captain of the Port Sector Lower Mississippi River or a designated representative.

DATES: This rule is effective without actual notice from February 8, 2021 until March 15, 2021. For the purposes of enforcement, actual notice will be used from February 8, 2021 until February 9, 2021.

SUPPLEMENTARY INFORMATION:

The Coast Guard is issuing this rule under authority in 46 U.S.C. 70034 (previously 33 U.S.C. 1231). The Captain of the Port Sector Lower Mississippi River (COTP) has determined that potential hazards associated with the bank grading and mat sinking operations will be a safety concern for anyone within a 300 yard radius of USACE equipment. This rule is needed to protect persons and property, within the safety zone while USACE operations are being conducted.

IV. Discussion of the Rule

This rule establishes a temporary safety zone from February 8, 2021 through March 15, 2021. The safety zone will cover all navigable waters of the LMR from mile marker (MM) 330.0 to MM 360.0. The duration of this safety zone is intended to ensure the safety of waterway users on these navigable waters during USACE operations.

Entry of persons or vessels into this safety zone is prohibited unless authorized by the COTP or a designated representative. A designated representative is a commissioned, warrant, or petty officer of the U.S. Coast Guard assigned to units under the operational control of USCG Sector Lower Mississippi River. Persons or vessels seeking to enter the safety zones must request permission from the COTP or a designated representative on VHF-FM channel 16 or by telephone at 901–521–4822. If permission is granted, all persons and vessels shall comply with the instructions of the COTP or designated representative. The COTP or a designated representative will inform the public of the enforcement times and dates through Local Notices to Mariners (LNMs), and/or Marine Safety Information Bulletins (MSIBs), as appropriate.

V. Regulatory Analyses

We developed this rule after considering numerous statutes and Executive orders related to rulemaking. Below we summarize our analyses based on a number of these statutes and Executive orders, and we discuss First Amendment rights of protestors.

A. Regulatory Planning and Review

Executive Orders 12866 and 13563 direct agencies to assess the costs and benefits of available regulatory alternatives and, if regulation is necessary, to select regulatory approaches that maximize net benefits. This rule has not been designated a “significant regulatory action,” under Executive Order 12866. Accordingly, this rule has not been reviewed by the Office of Management and Budget (OMB).

This regulatory action determination is based on the size, location, and duration of the safety zone. This emergency safety zone will temporarily restrict navigation on the LMR from MM 330 through MM 360, from February 8, 2021 through March 15, 2021. Moreover, the Coast Guard will issue Broadcast Notices to Mariners (BNMs), Local Notices to Mariners (LNMs), and/or Marine Safety Information Bulletins (MSIBs), as appropriate. The rule allows vessels to seek permission to enter the zone.

B. Impact on Small Entities

The Regulatory Flexibility Act of 1980, 5 U.S.C. 601–612, as amended, requires Federal agencies to consider the potential impact of regulations on small entities during rulemaking. The term “small entities” comprises small businesses, not-for-profit organizations that are independently owned and operated and are not dominant in their fields, and governmental jurisdictions with populations of less than 50,000. Federal agencies must certify that regulations will not have a significant economic impact on a substantial number of small entities.

While some owners or operators of vessels intending to transit the temporary safety zone may be small entities, for the reasons stated in section V.A above, this rule will not have a significant economic impact on any vessel owner or operator.

Under section 213(a) of the Small Business Regulatory Enforcement Fairness Act of 1996 (Pub. L. 104–121), we did not assess whether this rule affects a significant number of smallentities, due to the fact that the analysis of this rule is not being done.

While some owners or operators of vessels intending to transit the temporary safety zone may be small entities, for the reasons stated in section V.A above, this rule will not have a significant economic impact on any vessel owner or operator.
organization, or governmental jurisdiction and you have questions concerning its provisions or options for compliance, please call or email the person listed in the FOR FURTHER INFORMATION CONTACT section.

Small businesses may send comments on the actions of Federal employees who enforce, or otherwise determine compliance with, Federal regulations to the Small Business and Agriculture Regulatory Enforcement Ombudsman and the Regional Small Business Regulatory Fairness Boards. The Ombudsman evaluates these actions annually and rates each agency’s responsiveness to small business. If you wish to comment on actions by employees of the Coast Guard, call 1–888–REG–FAIR (1–888–734–3247). The Coast Guard will not retaliate against small entities that question or complain about this rule or any policy or action of the Coast Guard.

C. Collection of Information

This rule will not call for a new collection of information under the Paperwork Reduction Act of 1995 (44 U.S.C. 3501–3520).

D. Federalism and Indian Tribal Governments

A rule has implications for federalism under Executive Order 13132, Federalism, if it has a substantial direct effect on the States, on the relationship between the National Government and the States, or on the distribution of power and responsibilities among the various levels of government. We have analyzed this rule under that order and have determined that it is consistent with the fundamental federalism principles and preemption requirements described in Executive Order 13132.

Also, this rule does not have tribal implications under Executive Order 13175, Consultation and Coordination with Indian Tribal Governments, because it does not have a substantial direct effect on one or more Indian tribes, on the relationship between the Federal Government and Indian tribes, or on the distribution of power and responsibilities between the Federal Government and Indian tribes.

E. Unfunded Mandates Reform Act

The Unfunded Mandates Reform Act of 1995 (2 U.S.C. 1531–1538) requires Federal agencies to assess the effects of their discretionary regulatory actions. In particular, the Act addresses actions that may result in the expenditure by a State, local, or tribal government, in the aggregate, or by the private sector of $100,000,000 (adjusted for inflation) or more in any one year. Though this rule will not result in such an expenditure, we do discuss the effects of this rule elsewhere in this preamble.

F. Environment

We have analyzed this rule under Department of Homeland Security Directive 023–01, Rev. 1, associated implementing instructions, and Environmental Planning COMDTINST 5090.1 (series), which guide the Coast Guard in complying with the National Environmental Policy Act of 1969 (42 U.S.C. 4321–4370f), and have determined that this action is one of a category of actions that do not individually or cumulatively have a significant effect on the human environment. This rule involves a temporary emergency safety zone on the LMR from MM 330 through MM 360 that will prohibit entry into this zone. The safety zone will only be enforced while operations preclude the safe navigation of the established channel. It is categorically excluded from further review under paragraph L60 of Appendix A, Table 1 of DHS Instruction Manual 023–01–001–01, Rev. 1. A Record of Environmental Consideration supporting this determination is available in the docket. For instructions on locating the docket, see the ADDRESSES section of this preamble.

G. Protest Activities

The Coast Guard respects the First Amendment rights of protesters. Protesters are asked to call or email the person listed in the FOR FURTHER INFORMATION CONTACT section to coordinate protest activities so that your message can be received without jeopardizing the safety or security of people, places or vessels.
