apply equally to all TPHs. Additionally, the proposed rule change is similar to rules of other exchanges. The Exchange does not believe such proposed changes would impair the ability of TPHs or competing order execution venues to maintain their competitive standing in the financial markets. Moreover, because the proposed changes would apply equally to all TPHs, the proposal does not impose any burden on competition.

C. Self-Regulatory Organization’s Statement on Comments on the Proposed Rule Change Received From Members, Participants, or Others

No comments were solicited or received on the proposed rule change.

III. Date of Effectiveness of the Proposed Rule Change and Timing for Commission Action

Because the foregoing proposed rule change does not (i) significantly affect the protection of investors or the public interest; (ii) impose any significant burden on competition; and; (iii) become operative for 30 days from the date on which it was filed, or such shorter time as designated by the Commission, the proposed rule change is similar to rules of other exchanges. The Exchange has satisfied this requirement.
