AGENCY: Office of Personnel Management.

ACTION: Notice of proposed information collection.

SUMMARY: We are proposing to change the way we process death benefits applications under the Civil Service Retirement System (CSRS) and the Federal Employees Retirement System (FEPS) when a claimant is deceased. The Federal Personnel Information Reporting System (PERFORT) is the system used to record the Federal employees who are deceased. Dates of Death (Date of Birth, Date of Death, Date of Burial) are used for both the application for retired annuity and the application for death benefits. We are amending the Federal Employees Retirement System (FEPS) application to indicate for DEATH BENEFITS the date of death. We will gather information on the date of death, in the Form of Record (PERFORT), at the time of the claimant’s death.
