SUPPLEMENTARY INFORMATION: In the Rules and Regulations section of this **Federal Register**, the EPA is approving the State of Maine and the State of Rhode Island's negative declarations submitted in accordance with 40 CFR 60.23a(b) and 62.06, to satisfy the requirements in the Emission Guidelines and Compliance Times for Municipal Solid Waste Landfills (MSW Landfills Emission Guidelines) as a direct final rule without prior proposal because the Agency views this as a noncontroversial submittal and anticipates no adverse comments. See MSW Landfills Emission Guidelines, 81 FR 59276 (August 29, 2016), as amended by 84 FR 32520 (July 8, 2019) (revising Emission Guidelines Implementing Regulations) and 84 FR 44547 (Aug. 26, 2019) (adopting Requirements in Emission Guidelines for MSW Landfills). A detailed rationale for the approval is set forth in the direct final rule. If no adverse comments are received in response to this action, no further activity is contemplated. If the EPA receives adverse comments, the direct final rule will be withdrawn, and all public comments received will be addressed in a subsequent final rule based on this proposed rule. The EPA will not institute a second comment period. Any parties interested in commenting on this action should do so at this time. Please note that if the EPA receives adverse comment on an amendment, paragraph, or section of the rule and if that provision may be severed from the remainder of the rule, the EPA may adopt as final those provisions of the rule that are not the subject of an adverse comment.

For additional information, see the direct final rule which is located in the Rules and Regulations section in this issue of the **Federal Register**.

Dated: February 3, 2021.
