General description of report: The FR 4100 is the Board’s information collection associated with the Interagency Guidance on Response Programs for Unauthorized Access to Customer Information and Customer Notice (“ID-Theft Guidance” or “Guidance”). The ID-Theft Guidance was issued in March 2005. The ID-Theft Guidance, which applies to financial institutions, was issued in response to developing trends in the theft and accompanying misuse of customer information. The Guidance includes certain voluntary reporting, recordkeeping, and disclosure provisions.

Legal authorization and confidentiality: The FR 4100 is authorized by section 501(b) of the Gramm-Leach-Bliley Act, which requires the Board, the Federal Deposit Insurance Corporation, and the Office of the Comptroller of the Currency to establish appropriate standards for financial institutions to develop and implement an information security program designed to protect their customers’ information and a response program that specifies actions to be taken when the institution suspects or detects that unauthorized individuals have gained access to customer information systems.

Because the provisions under the FR 4100 are contained in guidance, which is nonbinding, the provisions are voluntary.

The disclosure provisions of FR 4100 are not confidential. The records maintained under recordkeeping provisions of FR 4100 would be maintained at each banking organization, and the Freedom of Information Act (“FOIA”) would only be implicated if the Board obtained such records as part of the examination or supervision of a banking organization. In the event the records are obtained by the Board as part of an examination or supervision of a financial institution, this information may be considered confidential pursuant to exemption 8 of the FOIA, which protects information contained in “examination, operating, or condition reports” obtained in the bank supervisory process. In addition, the information obtained by the Board under the FR 4100 may also be kept confidential under exemption 4 for the FOIA, which protects commercial or financial information obtained from a person that is privileged or confidential.

Current actions: On October 14, 2020, the Board published a notice in the Federal Register (85 FR 65046) requesting public comment for 60 days on the extension, without revision, of the Reporting, Recordkeeping, and Disclosure Provisions Associated with the Guidance on Response Programs for Unauthorized Access to Customer Information and Customer Notice. The comment period for this notice expired on December 14, 2020. The Board did not receive any comments.
