SUPPLEMENTARY INFORMATION:

I. Obtaining Information and Submitting Comments

A. Obtaining Information

Please refer to Docket ID: NRC–2020–0204 when contacting the NRC about the availability of information for this action. You may obtain publicly available information related to this action by any of the following methods; however, the NRC encourages electronic comment submission through the Federal Website:

- Federal Rulemaking Website: Go to https://www.regulations.gov and search for Docket ID NRC–2020–0204. A copy of the collection of information and related instructions may be obtained without charge by accessing Docket ID NRC–2020–0204 on this website.

- NRC’s Agencywide Documents Access and Management System (ADAMS): You may obtain publicly available documents online in the ADAMS Public Documents collection at https://www.nrc.gov/reading-rm/adams.html. To begin the search, select “ADAMS Public Documents” and then select “Begin Web-based ADAMS Search.” For problems with ADAMS, please contact the NRC’s Public Document Room (PDR) reference staff at 1–800–397–4209, 301–415–4737, or by email to pdr.resource@nrc.gov. A copy of the collection of information and related instructions may be obtained without charge by accessing ADAMS Accession No. ML20244A279. The seven supporting statements associated with the part 50 information collections and the burden table are available in ADAMS under Accession Nos. ML20264E681, ML20264E682, ML20264E683, ML20264E684, ML20264E685, ML20264E686, and ML20264E687 and ML20264E688, respectively.

- Attention: The PDR, where you may examine and order copies of public documents is currently closed. You may submit your request to the PDR via email at pdr.resource@nrc.gov or call 1–800–397–4209 between 8:00 a.m. and 4:00 p.m. (EST) Monday through Friday, except Federal holidays.

- NRC’s Clearance Officer: A copy of the collection of information and related instructions may be obtained without charge by contacting NRC’s Clearance Officer, David Cullison, Office of the Chief Information Officer, U.S. Nuclear Regulatory Commission, Washington, DC 20555–0001; telephone: 301–415–2084; email: Infocollects.Resource@nrc.gov.

B. Submitting Comments

The NRC cautions you not to include identifying or contact information in comment submissions that you do not want to be publicly disclosed in your comment submission. The NRC will post all comment submissions at https://www.regulations.gov as well as enter the comment submissions into ADAMS, and the NRC does not routinely edit comment submissions to remove identifying or contact information.

If you are requesting or aggregating comments from other persons for submission to the NRC, then you should inform those persons not to include identifying or contact information that they do not want to be publicly disclosed in any comment submission. Your request should state that the NRC does not routinely edit comment submissions to remove such information before making the comment submissions available to the public or entering the comment into ADAMS.

II. Background

In accordance with the Paperwork Reduction Act of 1995 (44 U.S.C. Chapter 35), the NRC is requesting public comment on its intention to request the OMB’s approval for the information collection summarized.

1. The title of the information collection: Domestic Licensing of Production and Utilization Facilities.

2. OMB approval number: 3150–0011.

3. Type of submission: Extension.

4. The form number, if applicable: Not Applicable.

5. How often the collection is required or requested: As necessary in order for the NRC to meet its responsibilities to conduct a detailed review of applications for licenses and amendments thereto to construct and operate nuclear power plants, preliminary or final design approvals, design certifications, research and test facilities, reprocessing plants and other utilization and production facilities, licensed pursuant to the Atomic Energy Act of 1954, as amended (the Act) and to monitor their activities. Reports are submitted daily, monthly, quarterly, annually, semi-annually, and on occasion.

6. Who will be required or asked to respond: Licensees and applicants for or holder of an operating license or construction permit, applicant for a standard design certification under part 52 of this chapter or an applicant for or holder of a standard design approval, a combined license and research and test facilities.

7. The estimated number of annual responses: 41,950 (41,789 reporting responses + 159 recordkeepers + 2 third-party disclosure response).

8. The estimated number of annual respondents: 159.

9. The estimated number of hours needed annually to comply with the information collection requirement or request: 3.6M hours (1.2M hours reporting + 2.4M hours recordkeeping + 200 hours third-party disclosure).

10. Abstract: Part 50 of title 10 of the Code of Federal Regulations (10 CFR), “Domestic Licensing of Production and Utilization Facilities,” specifies technical information and data to be provided to the NRC or maintained by applicants and licensees so that the NRC may take determinations necessary to protect the health and safety of the public in accordance with the Atomic Energy Act of 1954, as amended. SEcurities AND EXChange COMmission

Self-Regulatory Organizations; New York Stock Exchange LLC; Notice of Designation of a Longer Period for Commission Action on a Proposed Rule Change To Amend the NYSE Listed Company Manual To Revise the Shareholder Approval Requirements in Sections 312.03 and 312.04 and the Requirements for Related Party Transactions in Section 314.00

February 12, 2021.

Section 19(b)(2) of the Act4 provides that, within 45 days of the publication of notice of the filing of a proposed rule change, or within such longer period up to 90 days as the Commission may designate if it finds such longer period to be appropriate and publishes its reasons for so finding or as to which the self-regulatory organization consents, the Commission shall either approve the proposed rule change, disapprove the proposed rule change, or institute proceedings to determine whether the proposed rule change should be disapproved. The 45th day after publication of the notice for this proposed rule change is February 18, 2021. The Commission is extending this 45-day time period.

The Commission finds that it is appropriate to designate a longer period within which to take action on the proposed rule change so that it has
