[Docket Number FRA–2021–0019]

Petition for Waiver of Compliance

Specifically, NS requests relief from 49 CFR 236.566, Locomotive of each train operating in train stop, train control or cab signal territory; equipped. The relief is requested for the Fort Wayne Line in the Keystone Division, from milepost (MP) PC 0.0 to MP PC 28.1. NS seeks to operate positive train control (PTC) equipped locomotives, that are not equipped with cab signal system equipment, in cab signal system territory.

NS states that PTC-equipped locomotives are to be used in switching, transfer service, with or without cars, manifest trains, work trains, wreck trains, ballast cleaners to and from work, and engines and rail diesel cars moving to and from shops with all movements made at timetable speed. If a PTC-equipped locomotive experiences an en route failure, then 49 CFR 236.1029, PTC system use and failures, would apply.

A copy of the petition, as well as any written communications concerning the petition, is available for review online at http://www.regulations.gov.

Interested parties are invited to participate in these proceedings by submitting written views, data, or comments. FRA does not anticipate scheduling a public hearing in connection with these proceedings since the facts do not appear to warrant a hearing. If any interested parties desire an opportunity for oral comment and a public hearing, they should notify FRA, in writing, before the end of the comment period and specify the basis for their request.

All communications concerning these proceedings should identify the appropriate docket number and may be submitted by any of the following methods:
• Website: http://www.regulations.gov. Follow the online instructions for submitting comments.
• Fax: 202–493–2251.
• Hand Delivery: 1200 New Jersey Ave. SE, Room W12–140, Washington, DC 20590, between 9 a.m. and 5 p.m., Monday through Friday, except Federal Holidays.

Communications received by April 8, 2021 will be considered by FRA before final action is taken. Comments received after that date will be considered if practicable. Anyone can search the electronic form of any written communications
