SUMMARY: This notice announces that the Transportation Security Administration (TSA) has forwarded the Information Collection Request (ICR), Office of Management and Budget (OMB) control number 1652-0047, abstracted below to OMB for review and approval of a revision of the currently approved collection under the Paperwork Reduction Act (PRA). The ICR describes the nature of the information collection and its expected burden. The collection involves the submission of biographic and biometric information that TSA uses to verify identity and conduct a security threat assessment (STA) for the TWIC® Program, and a customer satisfaction survey.

DATES: Send your comments by March 26, 2021. A comment to OMB is most effective if OMB receives it within 30 days of publication.

ADDRESSES: Written comments and recommendations for the proposed information collection should be sent within 30 days of publication of this notice to www.reginfo.gov/public/do/PRAMain. Find this particular information collection by selecting "Currently under 30-day Review—Open for Public Comments" or by using the search function.

FOR FURTHER INFORMATION CONTACT: Christina A. Walsh, TSA PRA Officer, Information Technology (IT), TSA-11, Transportation Security Administration, 6595 Springfield Center Drive, Springfield, VA 20598-6011; telephone

(571) 227-2062; email TSAPRA@tsa.dhs.gov.

SUPPLEMENTARY INFORMATION: TSA published a **Federal Register** notice, with a 60-day comment period soliciting comments, of the following collection of information on July 2, 2020, 85 FR 39927.

Comments Invited

In accordance with the Paperwork Reduction Act of 1995 (44 U.S.C. 3501 *et seq.*), an agency may not conduct or sponsor, and a person is not required to respond to, a collection of information unless it displays a valid OMB control number. The ICR documentation will be available at <http://www.reginfo.gov> upon its submission to OMB. Therefore, in preparation for OMB review and approval of the following information collection, TSA is soliciting comments to—

- (1) Evaluate whether the proposed information requirement is necessary for the proper performance of the functions of the agency, including whether the information will have practical utility;
- (2) Evaluate the accuracy of the agency's estimate of the burden;
- (3) Enhance the quality, utility, and clarity of the information to be collected; and
- (4) Minimize the burden of the collection of information on those who are to respond, including using appropriate automated, electronic, mechanical, or other technological collection techniques or other forms of information technology.

Information Collection Requirement

Title: Transportation Worker Identification Credential (TWIC®) Program.

Type of Request: Revision of a currently approved collection.

OMB Control Number: 1652-0047.

Forms(s): TWIC® Disclosure and Certification Form, TWIC® Pre-Enrollment Application, TWIC® Enrollment Application, TWIC® Card Replacement Request, and TWIC® Customer Satisfaction Survey.

Affected Public: Individuals seeking or requiring unescorted access to secure areas within the TSA's national and transportation security mission or

facilities and vessels regulated under the Maritime Transportation Security Act of 2002 (Pub. L. 107-295; Nov. 25, 2002; sec. 102), other authorized individuals in the field of transportation, and all mariners holding U.S. Coast Guard-issued credentials or qualification documents.

Abstract: The data collected will be used for processing TWIC® enrollments as well as to allow expanded enrollment options for additional comparability or eligibility determinations for other programs, such as the Hazardous Materials Endorsement Threat Assessment Program. Individuals in the field of transportation who are authorized to apply for a TWIC® for use as part of other government programs, such as the Chemical Facility Anti-Terrorism program, may apply for a TWIC® and undergo the associated STA. The data is used to conduct a comprehensive STA that includes: (1) A criminal history records check; (2) a check of intelligence databases; and (3) an immigration status check. TSA may also use the information to determine a TWIC® holder's eligibility to participate in TSA's expedited screening program for air travel, the TSA PreCheck® Application Program. Active (unexpired) TWIC® holders who meet the eligibility requirements for TSA PreCheck may use their TWIC® card's Credential Identification Number in the appropriate known traveler number field of an airline reservation to obtain expedited screening eligibility.

At the enrollment center, applicants verify their biographic information and provide identity documentation, biometric information, and proof of immigration status (if required). This information allows TSA to complete the STA. During enrollment, TSA collects from applicants a \$125.25 fee for standard enrollment. If TSA determines that the applicant is eligible to receive a TWIC® as a result of the STA, TSA issues and sends an activated TWIC® card to the address provided by the applicant or notifies the applicant that their TWIC® is ready for pick up and activation at an enrollment center. Once activated, this credential can be used for facility and vessel access control requirements to include card
