

period May 1, 2018, through April 30, 2019:

Producer or exporter	Weighted average dumping margin (percent)
Noksel Celik Boru Sanayi A.S	35.06

Disclosure

Commerce intends to disclose the calculations performed for these final results of review within five days of the date of publication of this notice in the **Federal Register**, in accordance with 19 CFR 351.224(b).

Assessment Rates

Pursuant to section 751(a)(2)(A) of the Tariff Act of 1930, as amended (the Act), and 19 CFR 351.212(b)(1), Commerce has determined, and U.S. Customs and Border Protection (CBP) shall assess, antidumping duties on all appropriate entries.⁸ Commerce calculated importer-specific *ad valorem* AD assessment rates for Noksel by aggregating for each importer identified for the reported sales, the total amount of dumping calculated for the sales for which that importer was identified and dividing each of these amounts by the total entered value of those sales. Commerce will instruct CBP to assess antidumping duties on all appropriate entries covered by this review where an importer-specific assessment rate is not zero or *de minimis*.

For entries of subject merchandise during the POR produced by Noksel for which it did not know its merchandise was destined for the United States, and for entries associated with the six companies for which Commerce found “no shipments” during the POR, Commerce will instruct CBP to liquidate such unreviewed entries at the all-others rate if there is no rate for the intermediate company(ies) involved in the transactions.⁹

Consistent with its recent notice,¹⁰ Commerce intends to issue assessment instructions to CBP no earlier than 35

⁸ In these final results, Commerce applied the assessment rate calculation methodology adopted in *Antidumping Proceedings: Calculation of the Weighted-Average Dumping Margin and Assessment Rate in Certain Antidumping Proceedings: Final Modification*, 77 FR 8101 (February 14, 2012).

⁹ For a full discussion of this clarification, see *Antidumping and Countervailing Duty Proceedings: Assessment of Antidumping Duties*, 68 FR 23954 (May 6, 2003).

¹⁰ See *Notice of Discontinuation of Policy to Issue Liquidation Instructions After 15 Days in Applicable Antidumping and Countervailing Duty Administrative Proceedings*, 86 FR 3995 (January 15, 2021).

days after the date of publication of the final results of this review in the **Federal Register**. If a timely summons is filed at the U.S. Court of International Trade, the assessment instructions will direct CBP not to liquidate relevant entries until the time for parties to file a request for a statutory injunction has expired (*i.e.*, within 90 days of publication).

Cash Deposit Requirements

The following cash deposit requirements will be effective upon publication of this notice of final results of administrative review in the **Federal Register** for all shipments of subject merchandise entered, or withdrawn from warehouse, for consumption on or after the date of publication of the notice, as provided by section 751(a)(2)(C) of the Act: (1) The cash deposit rate for Noksel is equal to the weighted-average dumping margin determined in these final results of review; (2) for previously reviewed or investigated companies not listed in the table above, the cash deposit rate will continue to be the company-specific rate published for the most recently completed segment of this proceeding; (3) if the exporter was not covered in this review, a prior completed review, or the investigation, but the producer was covered, the cash deposit rate will be the rate established in the most recently completed segment of this proceeding for the producer of the subject merchandise; and (4) the cash deposit rate for all other producers or exporters will continue to be 27.04 percent *ad valorem*, the all-others rate established in the investigation in this proceeding.¹¹ These cash deposit requirements, when imposed, shall remain in effect until further notice.

Notification to Importers Regarding the Reimbursement of Duties

This notice serves as a final reminder to importers of their responsibility under 19 CFR 351.402(f)(2) to file a certificate regarding the reimbursement of antidumping duties prior to liquidation of the relevant POR entries. Failure to comply with this requirement could result in Commerce’s presumption that reimbursement of antidumping duties occurred and the subsequent assessment of doubled antidumping duties.

¹¹ See *Notice of Final Determination of Sales at Less Than Fair Value: Light-Walled Rectangular Pipe and Tube from Turkey*, 73 FR 19814 (April 11, 2008).

Notification Regarding Administrative Protective Orders

This notice also serves as a reminder to parties subject to administrative protective orders (APO) of their responsibility concerning the return or destruction of proprietary information disclosed under an APO in accordance with 19 CFR 351.305(a)(3), which continues to govern business proprietary information in this segment of the proceeding. Timely written notification of the return or destruction of APO materials, or conversion to judicial protective order, is hereby requested. Failure to comply with the regulations and terms of an APO is a sanctionable violation.

Notification to Interested Parties

We are issuing and publishing this notice in accordance with sections 751(a)(1) and 777(i) of the Act and 19 CFR 351.221(b)(5).

Background

On December 11, 2019, Commerce published a notice of initiation of an administrative review of the countervailing duty order on steel flanges from India.¹ On April 24, 2020, Commerce tolled all deadlines in administrative reviews by 50 days.² On July 21, 2020, Commerce tolled all deadlines in administrative reviews by an additional 60 days.³ On October 1, 2020, Commerce extended the deadline for issuing the preliminary results of this review.⁴ The revised deadline for these preliminary results is now February 17, 2021.

Scope of the Order

The products covered by the order are stainless steel flanges from India. For a complete description of the scope of the order, see the Preliminary Decision Memorandum.

Methodology

Commerce is conducting this review in accordance with section 751(a)(1)(A) of the Tariff Act of 1930, as amended (the Act). For each of the subsidy programs found countervailable, we preliminarily determine that there is a subsidy, *i.e.*, a financial contribution that gives rise to a benefit to the recipient, and the subsidy is specific.⁶ For a full description of the methodology underlying our conclusions, see the Preliminary Decision Memorandum.

Companies Not Selected for Individual Review

For the companies not selected for individual review, because the rates calculated for Chandan Steel Limited (Chandan) and Kisaan Die Tech Pvt Ltd. (Kisaan) were above *de minimis* and not based entirely on facts available, we applied a subsidy rate based on a weighted-average of the subsidy rates calculated for Chandan and Kisaan using publicly-ranged sales data submitted by respondents.⁷

Preliminary Results of Review

For the period January 23, 2018, through December 31, 2018, we preliminarily find that the following net subsidy rates exist:

Company	Subsidy rate (percent <i>ad valorem</i>)
Chandan Steel Limited	4.15
Kisaan Die Tech Pvt. Ltd.	4.51
Non-Selected Companies Under Review ⁸	4.22

Assessment Rate

Consistent with section 751(a)(2)(C) of the Act, upon issuance of the final results, Commerce shall determine, and U.S. Customs and Border Protection (CBP) shall assess, countervailing duties

⁶ See sections 771(5)(B) and (D) of the Act regarding financial contribution; section 771(5)(E) of the Act regarding benefit; and section 771(5A) of the Act regarding specificity.

on all appropriate entries covered by this review. Commerce intends to issue assessment instructions to CBP no earlier than 35 days after the date of publication of the final results of this review in the **Federal Register**. If a timely summons is filed at the U.S. Court of International Trade, the assessment instructions will direct CBP not to liquidate relevant entries until the time for parties to file a request for a statutory injunction has expired (*i.e.*, within 90 days of publication).

Cash Deposit Rate

Pursuant to section 751(a)(1) of the Act, Commerce intends to instruct CBP to collect cash deposits of estimated countervailing duties in the amounts indicated above with regard to shipments of subject merchandise entered, or withdrawn from warehouse, for consumption on or after the date of publication of the final results of this review. For all non-reviewed firms, we will instruct CBP to continue to collect cash deposits of estimated countervailing duties at the most recent company-specific or all-others rate applicable to the company, as appropriate. These cash deposit instructions, when imposed, shall remain in effect until further notice.
