SUPPLEMENTARY INFORMATION:

Background

On December 11, 2019, Commerce published a notice of initiation of an administrative review of the countervailing duty order on steel flanges from India.\(^1\) On April 24, 2020, Commerce tolled all deadlines in administrative reviews by 50 days.\(^2\) On July 21, 2020, Commerce tolled all deadlines in administrative reviews by an additional 60 days.\(^3\) On October 1, 2020, Commerce extended the deadline for issuing the preliminary results of this review.\(^4\) The revised deadline for these preliminary results is now February 17, 2021.

For a complete description of the events that followed the initiation of this review, see the Preliminary Decision Memorandum.\(^5\) A list of topics discussed in the Preliminary Decision Memorandum is included at Appendix I to this notice. The Preliminary Decision Memorandum is a public document and is on file electronically via Enforcement and Compliance’s Centralized Electronic Service System (ACCESS). ACCESS is available to registered users at http://access.trade.gov. In addition, a complete version of the Preliminary Decision Memorandum can be accessed directly at http://enforcement.trade.gov/frn/.

The signed and electronic versions of the Preliminary Decision Memorandum are identical in content.

Scope of the Order

The products covered by the order are stainless steel flanges from India. For a complete description of the scope of the order, see the Preliminary Decision Memorandum.

Methodology

Commerce is conducting this review in accordance with section 751(a)(1)(A) of the Tariff Act of 1930, as amended (the Act). For each of the subsidy programs found countervailable, we preliminarily determine that there is a subsidy, i.e., a financial contribution that gives rise to a benefit to the recipient, and the subsidy is specific.\(^6\) For a full description of the methodology underlying our conclusions, see the Preliminary Decision Memorandum.

Companies Not Selected for Individual Review

For the companies not selected for individual review, because the rates calculated for Chandan Steel Limited (Chandan) and Kisaan Die Tech Pvt Ltd. (Kisaan) were above de minimis and not based entirely on facts available, we applied a subsidy rate based on a weighted-average of the subsidy rates calculated for Chandan and Kisaan using publicly-ranged sales data submitted by respondents.\(^7\)

Preliminary Results of Review

For the period January 23, 2018, through December 31, 2018, we preliminarily find that the following net subsidy rates exist:

<table>
<thead>
<tr>
<th>Company</th>
<th>Subsidy rate (percent ad valorem)</th>

Assessment Rate

Consistent with section 751(a)(2)(C) of the Act, upon issuance of the final results, Commerce shall determine, and U.S. Customs and Border Protection (CBP) shall assess, countervailing duties on all appropriate entries covered by this review. Commerce intends to issue assessment instructions to CBP no earlier than 35 days after the date of publication of the final results of this review in the Federal Register. If a timely summons is filed at the U.S. Court of International Trade, the assessment instructions will direct CBP not to liquidate relevant entries until the time for parties to file a request for a statutory injunction has expired (i.e., within 90 days of publication).

Cash Deposit Rate

Pursuant to section 751(a)(1) of the Act, Commerce intends to instruct CBP to collect cash deposits of estimated countervailing duties in the amounts indicated above with regard to shipments of subject merchandise entered, or withdrawn from warehouse, for consumption on or after the date of publication of the final results of this review. For all non-reviewed firms, we will instruct CBP to continue to collect cash deposits of estimated countervailing duties at the most recent company-specific or all-others rate applicable to the company, as appropriate. These cash deposit instructions, when imposed, shall remain in effect until further notice.

Disclosure and Public Comment

We will disclose to parties to this proceeding the calculations performed in reaching the preliminary results within five days of the date of publication of these preliminary results.\(^9\) Interested parties may submit written comments (case briefs) within 30 days of publication of the preliminary results.\(^10\) Rebuttal comments (rebuttal briefs), limited to issues raised in case briefs, are due within seven days after the time limit for filing case briefs.\(^11\) Parties who submit arguments are requested to submit with the argument: (1) A statement of the issue; (2) a brief summary of the argument; and (3) a table of authorities.\(^12\) Note that Commerce has temporarily modified certain of its requirements for serving documents containing business proprietary information, until further notice.\(^13\)
