Preliminary Determination of No Shipments

Six producers and/or exporters properly filed a certification reporting that they made no shipments of subject merchandise during the POR: (1) Agir Haddecilik A.S. (Agir); (2) Eregli Demir ve Celik Fabrikalari T.A.S. and (3) Iskenderun Iron & Steel Works Ltd. (a/k/a/Iskenderun Demir ve Celik A.S.) (collectively, Erdemir Group);⁹ (4) Gazi Metal Mamulleri Sanayi ve Ticaret A.S. (Gazi); (5) Seametmetal Sanayi ve Dis Ticaret Limited Sirketi (Seametmetal)¹⁰; and (6) Tosyali Holding (Toscelik Profil and Sheet Ind. Co., Toscelik Profil ve Sac A.S.). U.S. Customs and Border Protection (CBP) did not have any information to contradict these claims of no shipments during the POR.¹¹ Therefore, we preliminarily determine that these companies did not have shipments of subject merchandise during the POR. Consistent with Commerce’s practice,¹² Commerce finds that it is not appropriate to rescind the review with respect to these six companies, but rather to complete the review and issue appropriate instructions to CBP based on the final results of this review.

Discontinuation of Administrative Review

On May 15, 2020, Commerce discontinued this review with respect to Colakoglu Metalurji, A.S., and Colakoglu Dis Ticaret A.S., based on the final judgment of the U.S. Court of International Trade in the litigation associated with the underlying less-than-fair-value investigation.¹³

⁹ In the underlying investigation, Commerce collapsed Eregli Demir ve Celik Fabrikalari T.A.S. and Iskenderun Iron & Steel Works Co. (collectively, Erdemir Group) as a single entity. Rate for Non-Examined Companies

The statute and Commerce’s regulations do not address the establishment of a rate to be applied to companies not selected for individual examination when Commerce limits its examination in an administrative review pursuant to section 777A(c)(2) of the Act. Generally, Commerce looks to section 735(c)(5) of the Act, which provides instructions for calculating the all-others rate in a less-than-fair-value investigation, for guidance when calculating the rate for companies which were not selected for individual examination in an administrative review. Under section 735(c)(5)(A) of the Act, the all-others rate is normally “an amount equal to the weighted-average of the estimated weighted-average dumping margins established for exporters and producers individually investigated, excluding any zero or *de minimis* margins, and any margins determined entirely {on the basis of facts available}.”

In this review, we have preliminarily calculated a weighted-average dumping margin for Habas that is not zero, *de minimis*, or determined entirely on the basis of facts available. Accordingly, we have preliminarily assigned to the companies not individually examined a weighted-average dumping margin of 21.48 percent, which is the weighted-average dumping margin calculated for Habas.

Preliminary Results

We preliminarily determine the following weighted-average dumping margins for the period October 1, 2018, through September 30, 2019:

Producer and exporter	Weighted-average dumping margin (percent)
Habas Sinai ve Tibbi Gazlar Istihsal Endustrisi A.S	21.48

Review-Specific Average Rate Applicable to the Following Companies:¹⁴

Order in Part; and Discontinuation of the 2017–18 and 2018–19 Antidumping Duty Administrative Reviews, in Part, 85 FR 29399 (May 15, 2020).

¹⁴ This rate is based on the rates for the respondents that were selected for individual review, excluding rates that are zero, *de minimis*, or based entirely on facts available. See section 735(c)(5)(A) of the Act. See Memorandum, “Final Results of the Antidumping Administrative Review of Heavy Walled Rectangular Welded Carbon Steel Pipes and Tubes from the Republic of Korea: Calculation of the Cash Deposit Rate for Non-Reviewed Companies,” dated July 6, 2020.

Producer and/or exporters	Weighted-average dumping margin (percent)
Cag Celik Demir ve Celik	21.48
Habas Industrial and Medical Gases Production Industries Inc	21.48
MMK Atakas Metalurji	21.48
Ozkan Iron and Steel Ind	21.48

Assessment Rates

Upon issuance of the final results, Commerce will determine, and CBP shall assess, antidumping duties on all appropriate entries covered by this review.¹⁵ The final results of this review shall be the basis for the assessment of antidumping duties on entries of merchandise covered by this review and for future deposits of estimated duties, where applicable.¹⁶ Commerce intends to issue assessment instructions to CBP no earlier than 35 days after the date of publication of the final results of this review in the **Federal Register**. If a timely summons is filed at the U.S. Court of International Trade, the assessment instructions will direct CBP not to liquidate relevant entries until the time for parties to file a request for a statutory injunction has expired (*i.e.*, within 90 days of publication).

Pursuant to 19 CFR 351.212(b)(1), where an examined respondent's weighted-average dumping margin is not zero or *de minimis* (*i.e.*, less than 0.5 percent), we calculated an importer-specific *ad valorem* duty assessment rate based on the ratio of the total amount of dumping calculated for the U.S. sales for a given importer to the total entered value of those sales. Where the mandatory respondent did not report entered value, we calculated the entered value in order to calculate the assessment rate. Where either the respondent's weighted-average dumping margin is zero or *de minimis* within the meaning of 19 CFR 351.106(c)(1), or an importer-specific assessment rate is zero or *de minimis*, we will instruct CBP to liquidate the appropriate entries without regard to antidumping duties.

For the companies that were not selected for individual examination, we will instruct CBP to assess antidumping duties at an *ad valorem* rate equal to each company's weighted-average dumping margin determined in the final results of this review.

For entries of subject merchandise during the POR produced by Habas for which it did not know that its merchandise was destined for the

United States and for all entries attributed to the companies that we find had no shipments during the POR, we will instruct CBP to liquidate such unreviewed entries pursuant to the reseller policy,¹⁷ *i.e.*, the assessment rate for such entries will be equal to the all-others rate established in the investigation (*i.e.*, 2.73 percent),¹⁸ if there is no rate for the intermediate company(ies) involved in the transaction.

Cash Deposit Requirements

The following deposit requirements will be effective for all shipments of the subject merchandise entered, or withdrawn from warehouse, for consumption on or after the publication date of the final results of this administrative review, as provided by section 751(a)(2)(C) of the Act: (1) The cash deposit rate for each specific company listed above will be equal to each company's weighted-average dumping margin established in the final results of this review, (except if the *ad valorem* rate is *de minimis* within the meaning of 19 CFR 351.106(c)(1), in which case the cash deposit rate will be zero); (2) for previously investigated companies not participating in this review, the cash deposit will continue to be the company-specific rate published for the most recently completed segment of this proceeding in which the company participated; (3) if the exporter is not a firm covered in this review, or the underlying investigation, but the producer is, then the cash deposit rate will be the rate established for the completed segment for the most recent POR for the producer of the merchandise; and (4) the cash deposit rate for all other producers or exporters will continue to be 2.73 percent, the all-others rate established in the underlying investigation.¹⁹

These deposit requirements, when imposed, shall remain in effect until further notice.

Final Determination of No Shipments

In the *Preliminary Results*, we found that the following six companies made no shipments of subject merchandise to the United States during the POR: (1) Çayirova Boru Sanayi ve Ticaret A.S.; (2) Yücel Boru ve Profil Endüstrisi A.S.; (3) Yücelboru ihracat İthalat ve Pazarlama A.S.; (4) Tosçelik Profil ve Sac Endüstrisi A.S.; (5) Tosyalı Dis Ticaret A.S.; and (6) Tosçelik Metal Ticaret A.S.⁷ No parties commented on this determination.
